Book 1 of 2 in the Villain Duology, a Dark Regency Erotic Romance duet set in the wilds of Scotland. A heartless villain... Lady

Daphne Fairchild braves the journey from London to the wilds of Scotland alone with one purpose in mind: confront the man who purposely and methodically set out to ruin the men of her family. But what he demands in exchange for answers will thrust Daphne into a world of mystery, hatred, and lust. An indecent proposal... Thirty days and nights in the bed of the Earl of Hartmoor ... this is the price she must pay to learn the truth of the dark lord's vendetta against her family. Yet, when she accepts the offer, Daphne never

expects to find that nothing is what she thought it was, and the truth proves far harder to stomach than she ever imagined. A cruel desire that holds her captive... Even as he uses her to exact his final revenge against her family, Daphne cannot deny the way her body reacts to his touch, the way her soul seems to become more intertwined with his by the day. Despite the ruin he has made of her life, she cannot escape that the threads of deceit, desire, and pain have tied them together irrevocably. With her fate now in

his hands, she is uncertain whether he will turn out to be the hero who steals her heart, or the villain who destroys her soul.

Now in paperback, a powerful and inspirational memoir of a shocking and improbable journey from torture to recovery. Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary

Lundquist--an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Stevens can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her Ph.D. in psychology--and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Stevens's powerful memoir, *Scared Selfless*. In this harrowing tale, Stevens, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma and Stevens's courageous testament to their power.

Valentine Next Door Fleming H Revell Company

The Chief Black Eunuch, appointed personally by the Sultan, had both the ear of the leader of a vast Islamic Empire and held power over a network of spies and informers, including eunuchs and slaves throughout Constantinople and beyond. The story of these remarkable individuals, who rose from difficult beginnings to become amongst the most powerful people in the Ottoman Empire, is rarely told. George Junne places their stories in the context of the wider history of African slavery, and places them at the centre of Ottoman history. *The Black Eunuchs of the Ottoman Empire* marks a new direction in the study of courtly politics and power in Constantinople.

Pride and Punishment Rajan Patel Netporn delves into the aesthetics and politics of sexuality in the era of do-it-yourself (DIY) Internet pornography. Katrien Jacobs, drawing on digital media theory and interviews with Web porn producers and consumers, offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government

surveillance and censorship of the Internet. Netporn features Web users who question the goals of global commercial porn industries-whether they are engaged in Usenet fringes, video blogging, peer-to-peer distribution, porn art collectives, or decadent amateurism. Emphasizing gender and cultural differences, Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the 'network body' and indispensable ingredients of a maturing network society.

A collection of very Dark Erotica - the scenes are blazing, the relationships are not traditional (if they can even be considered relationships), and a happily-ever-after is not guaranteed. These tales are NOT for the faint of heart!*Trigger Warning - Some of the adult content could be upsetting to some readers - the stories get darker as you read, if you start to feel uncomfortable it's best to retreat*Prison Sentence: Noelle White chooses to forgo a traditional prison sentence, choosing to be auctioned off as a pleasure slave to repay her debt to society and the company she

stole from. She tells herself it'll be easier to serve a year as a pleasure slave rather than spend ten years in a jail cell. She hadn't expected just how shockingly aroused serving a man who literally owns her would be. Her body betrays her as she finds her pleasure being owned by a man who cares nothing for her. MF. *The Lord's Personal Maid* - set in Victorian England. When the lord of the manor, Sir Ethan, discovers his favorite maid engaged in clandestine activities, rather than turn her out for lewd behavior, he gives her the option of being lewd with him and retaining her position. It is an opportunity which she gladly takes despite the great age difference between them. As his desires become more depraved, her own satisfaction grows greater. MF and MFM. *The Truth Will Set You Free* - a hot mind control short story. Sam confronts his ex-girlfriend using a new truth serum he created. He's determined to get to the truth behind all the lies she's told him. When her fantasies of being forced and her obvious arousal at having to cater to his every demand becomes apparent, Sam finds himself crossing some shocking lines. MF and MFF. *A Rough Sorority Rite* - Lacy is

willing to do anything to become a sister in the most influential sorority on campus. Her last night as a pledge includes servicing the president of the sorority. Zara is both cruelly and sensually dominant and Lacey finds herself responding in depraved ecstasy. FF. *The Maid* - When a princess and her maid are captured by a group of bandits, the leader of the group immediately claims the princess for his own, and the poor maid is handed off to his three cohorts for their own amusement. At least one of them is more than he seems and Bridget, the maid, finds herself more and more confused as the days pass and her heart is drawn to Garrett even as her body is shared between him and his rougher cohorts. MF, MFM, MMFM. [The Many-Colored Land](#) Penguin *PRIDE AND PUNISHMENT* is an erotic retelling of a Jane Austen classic. Characters that you thought you knew...well, they're ready to reveal their secret selves. Mr. Darcy is a Dominant. Miss Elizabeth Bennet is submissive. Jane Bennet might be the only "handsome" woman in Meryton, but puppy-like Charles Bingley needs a Mistress. Mr. Darcy

doesn't think Jane has what it takes and separates the couple. His growing lust leads Mr. Darcy to confess his desire to dominate Miss Elizabeth - a proposition that she mistakes for a proposal. Already accused of less-than-gentlemanlike behavior, Darcy must find a way to win the submissive heart of a woman who abhors him. Described as "Pride and Prejudice meets 50 Shades of Grey," *Pride and Punishment* is not your mother's Austen. This is a deliciously different BDSM erotic romance written for ages 18+. The original dialogue has been kept intact when possible. Passages modified to fit this retelling are rife with subtext and laden with innuendo. The basic timeline is essentially the same as *Pride and Prejudice*, but the characters populating the pages now include Darcy's bisexual cousin Hugh, his dominant Aunt Catherine/Mistress Cat, his "little" cousin Anne, his submissive sister Georgiana, kinky defiler-of-virgins George Wickham, lesbian switch Caroline Bingley, and militiamen who see more action in their bunks than out. This erotic Regency romance includes MF relationships, MFM menage sexual congress, and BDSM

activities and is written for adults only."

In the year 2034, Theo Quderian, a French physicist, made an amusing but impractical discovery: the means to use a one-way, fixed-focus time warp that opened into a place in the Rhone River valley during the idyllic Pliocene Epoch, six million years ago. But, as time went on, a certain usefulness developed. The misfits and mavericks of the future—many of them brilliant people—began to seek this exit door to a mysterious past. In 2110, a particularly strange and interesting group was preparing to make the journey—a starship captain, a girl athlete, a paleontologist, a woman priest, and others who had reason to flee the technological perfection of twenty-second-century life. Thus begins this dazzling fantasy novel that invites comparisons with the work of J.R.R. Tolkien, Arthur C. Clarke, and Ursula Le Quin. It opens up a whole world of wonder, not in far-flung galaxies but in our own distant past on Earth—a world that will captivate not only science-fiction and fantasy fans but also those who enjoy

literate thrillers. The group that passes through the time-portal finds an unforeseen strangeness on the other side. Far from being uninhabited, Pliocene Europe is the home of two warring races from another planet. There is the knightly race of the Tanu—handsome, arrogant, and possessing vast powers of psychokinesis and telepathy. And there is the outcast race of Firvulag—dwarfish, malevolent, and gifted with their own supernormal skills. Taken captive by the Tanu and transported through the primordial European landscape, the humans manage to break free, join in an uneasy alliance with the forest-dwelling Firvulag, and, finally, launch an attack against the Tanu city of light on the banks of a river that, eons later, would be called the Rhine. Myth and legend, wit and violence, speculative science and breathtaking imagination mingle in this romantic fantasy, which is the first volume in a series about the exile world. The sequel, titled *The Golden Torc*, will follow soon.

A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* In the Dream House is Carmen Maria Machado's

engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different

angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, Star Trek, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.
