Ten Steps to Advanced Reading McGraw-Hill Companies English Skills with Readings features John Langan's trademark crystal-clear explanations, along with his range of motivating activities and writing assignments that reinforce the four bases of effective writing: unity, support, coherence, and sentence skills. This edition of the book adds a variety of exciting new features to John Langan's proven approach, and reinstates much-requested materials from previous editions.

English Skills with Readings w/ CONNECT Writing 3.0 Access Card Prentice Hall Now in its 10th edition, English Skills with Readings emphasizes personalized learning to address student deficits in grammar and mechanics. Throughout the book, students are exposed to examples of writing that reflect the three key realms of their lives - personal, academic, and workplace. Seeing these different types of writing

helps students understand the critical way in which writing will have an impact on the many facets of their lives. English Skills with Readings continues to encourage new writers to see writing as a skill that can be learned and a process that must be explored. The four skills, or bases, for effective writing are as follows:

- Unity: Discover a clearly stated point, or topic sentence, and make sure that all other information in the paragraph or essay supports that point.
- Support: Support the points with specific evidence, and plenty of it.
- Coherence: Organize and connect supporting evidence so that paragraphs and essays transition smoothly from one bit of supporting information to the next.
- Sentence skills: Revise and edit so that sentences are error-free for clearer and more effective communication. The four bases are essential to effective writing, whether it be a narrative paragraph, a cover letter for a job application, or an essay assignment. The new edition also includes a new and updated focus on information literacy,

working with sources and writing research papers, making this a powerful and flexible text for students and instructors alike.

English Skills with Readings MLA 2016 Update McGraw-Hill Education

By focusing on a wide range of reading and study skills required in the academic world, Reading and Study Skills gives instructors the flexibility to address student needs that might otherwise require several texts. The highly versatile organization divides topics into focused, self-contained modules that can be covered in any order with the result that the text can be adapted to fit any teaching or learning situation.

Ten Steps to Advancing

College Reading Skills

McGraw-Hill Humanities, Social Sciences & World Languages

College Writing Skills with Readings 10e highlights the importance of writing with a purpose by focusing on four bases of writing, unity, support, coherence, and sentence skills. The four bases provide students with clear guidance on how to organize their thoughts, structure their main idea into a thesis, provide supporting evidence to their claim, and revise and edit their work into a well thought-out essay. College Writing Skills with Readings personalizes and grounds students' writing experience by placing all of its reading, writing, and essay examples within three key realms - personal, academic, and workplace (PAW) - to emphasize the importance of writing in every facet of life.

Cengage Learning
Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing. Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the

heart of the matter and presents clear thinking and writing as skills that students can learn-- Publisher's description.

The Power of

Determination tells the stories of fourteen people who carry the following belief in their hearts: I have taken charge of my life. I am determined to do what is needed to grow and succeed in this world. I will let nothing stop me. In the face of obstacles, I will persist. when I get knocked down, I'll get back up. I believe in the words of Muhammad Ali: I

hated every minute of training, but I said, 'Don't quit. Suffer now and live the rest of your life as a champion.'" Read these inspiring stories--of Maria, Paul, Erika, Jeroboam, Tay Thi, Indonesia and Ericka, Peter, Melissa, Suashunn, Tricia, Richard, Crystal, Juan, and Amanda--to increase your own resolve to pursue your dreams and live a proud and determined life.

McGraw-Hill Humanities, Social Sciences & World Languages English Skills with Readings: Examining Paragraphs, a rhetoric/reader/handbook, builds a solid foundation for paragraph writing by

breaking down the process into 4 direct, prescriptive steps: unity, support, coherence, and sentence skills. Presenting good writing as a learnable skill and an attainable goal offers students encouragement. Founded on the premise that that mastery of the paragraph should precede the extension of essential writing skills into a longer essay, the text begins with basic principles of composition using paragraph models. After developing the students' ability to support ideas within a variety of paragraph forms, the book extends paragraph writing to essay writing.
