### **A Marine Rifle Company at Chosin Reservoir** Harper Collins

The present volume, first published in 1962, consists of two distinguished speeches given by the General of the U.S. Army, Douglas MacArthur. The first address took place on April 19, 1951 and was held before a joint meeting of the two houses of United States Congress—the House of Representatives and the Senate—and took place in the Hall of the House of Representatives. This meeting followed on just one week from MacArthur's removal from command by President Harry S. Truman. The second address was held on May 12, 1951 and was given to The Members of the Association of Graduates, U.S.M.A., The Corps of Cadets, and Distinguished Guests. It was given on the occasion of MacArthur's acceptance of the Sylvanus Thayer Award for outstanding service to the nation, which had gone to Eisenhower the year before. The event was held at the United States Military Academy in West Point, New York.

Marty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him. Marty's friend David is sure that Judd will be named as the murderer of a man who has been missing. Others are sure that Judd is behind a series of burglaries in the area. But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has Shiloh, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Then a terrifying life-or-death situation brings this dilemma into sharp focus. Saving Shiloh is a powerful novel that brings this trilogy to a close.

George had no idea that this was the start of the American Revolution. In this I Can Read Book, Don Bolognese's vibrant pictures capture the drama and humor of Nathaniel Benchley's exciting story.

"... lively and intellectually stimulating... " —Speculum "Wunderli... has lucidly reconstructed a controversial conflict in 15th-century south-central Germany.... this engaging narrative takes off from Hans Behem—the peasant who claimed to see the Virgin and gained followers until crushed by the established church—to explore larger forces at work in Germany on the eve of the Reformation... Wunderli also attempts to sort out the violent conflict that ensued and Hans's subsequent trial. His scrupulousness and sensitivity make for a small but valuable book." —Publishers Weekly "Fascinating and well written, this is highly recommended for academic and larger public libraries." —Library Journal "Richard Wunderli... deftly tells the story in Peasant Fires, finding in it a foreshadowing of peasant uprisings in the 16th century." —New York Times Book Review "... a stimulating read... an engaging synthesis." —Central European History In 1476, an illiterate German street musician had a vision of the Virgin Mary and began to preach a radical social message that attracted thousands of followers—and antagonized the church. The drummer was burned at the stake. This swiftly moving narrative of his rise and fall paints a vivid portrait of 15th-century German society as it raises important questions about the craft of history. "A gem of a book.... It has a plot, good guys and bad buys, it opens up a 'strange' world, and it is exceptionally well written." —Thomas W. Robisheaux

As comrades fell wounded and dead around them on the frozen slopes above Korea's infamous Chosin Reservoir, Baker-One-Seven's Marines triumphed against the relentless human-wave assaults of Chinese regulars and took part in the breakout that destroyed six to eight divisions of Chinese regulars. ### Two Memorable Addresses by General of the Army, Douglas MacArthur Feiwel & Friends

HOW TO NOT TELL A WAR STORY is a collection of short stories about veterans who went to war but left without a war story to tell. Forty years after their experience, these veterans begins question if there is something more to say about their military service. Among other things, they come to appreciate the lovers, friends, and family who helped them shape a new, post-war identity. " . . . when the courage of NFL star Tillman was referred to, or Jessica Lynch was rescued, they all found themselves thinking back to their long-ago tours. Did they have stories? Maybe memory had played

tricks on them, obscuring what would come to light at last. Back then, they hadn't studied forms for the narration of danger, but now, more aware, could they reshape their experience for the new era? What, after all, about their friend, Butterball?" Explore with Michael Lund the lives of these veterans who discover being in the service is not something to be edited out of a personal history, but an experience that stays in memory, not an ending but the beginning of a measure of peace, no matter how short the stint, or inglorious. Michael Lund is the author of nine novels about Route 66 and the generation that grew up in the Midwest in the 50s, including *Route 66 to Vietnam: A Draftee's Story*, all published by Beach House Books.

For more than sixty years, the imagination of Ray Bradbury has opened doors into remarkable places, ushering us across unexplored territories of the heart and mind while leading us inexorably toward a profound understanding of ourselves and the universe we inhabit. In this landmark volume, America's preeminent storyteller offers us one hundred treasures from a lifetime of words and ideas - tales that amaze, enthrall, and horrify; breathtaking journeys backward and forward in time; classic stories with the undiminished power to tantalize, mystify, elate, and move the reader to tears. Each small gem in the master's collection remains as dazzling as when it first appeared in print. There is magic in these pages: the wonders of interstellar flight, a conspiracy of insects, the early bloom of love in the warmth of August. Both the world of Ray Bradbury and its people are vivid and alive, as colorfully unique as a poker chip hand-painted by a brilliant artist or as warmly familiar as the well-used settings on a family's dining room table. In a poor man's desire for the stars, in the twisted night games of a hateful embalmer, in a magnificent fraud perpetrated to banish despair and repair a future, in a writer's wonderful death is the glowing proof of the timeless artistry of one of America's greatest living bards. The one hundred stories in this volume were chosen by Bradbury himself, and span a career that blossomed in the pulp magazines of the early 1940s and continues to flourish in the new millennium. Here are representatives of the legendary author's finest works of short fiction, including many that have not been republished for decades, all forever fresh and vital, evocative and immensely entertaining. This is Bradbury at his very best -- golden visions of tomorrow, poetic memories of yesterday, dark nightmares and glorious dreams -- a grand celebration of humankind, God's intricate yet poignantly fallible machineries of joy.

The Drummer Boy One World

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.
