**Bloodwood Academy
Shifter 2** Bailey Ardisone
Featuring three novellas
set in the Roaring
Twenties, this collection of
sensual romance stories
describes a cheating
flapper, a silent film star
who likes the sordid side
of the business and a
seemingly innocent
society girl with shocking
secrets. Original. 25,000

first printing.
Maledicus Createspace
Independent Publishing
Platform
BRUTAL. INTENSE.
PASSIONATE. THE WORLD
OF THE SCARRED SOULS.
They call me 901. I am a
monster, a killer, a
champion. In the blood pit
I am a god. I have no
name, no family, and no
identity. When master
says fight, I fight...until I
am the only one left
standing. I have one goal,
to fight so well that I am

freed. I don't need friends,
I don't need women. They
are weaknesses. I am
strong. Until I see her. She
is gorgeous and kind and
off-limits to me. She was
stolen as a child to be the
worst type of slave and
now master wants her.
What he wants, he gets.
With a smile, she melts
my brutal heart. I have
never wanted anything
more. I need to make a
choice. Freedom or Love. I
cannot choose wrong.

"All that is necessary for the triumph of evil is that good men do nothing."

(Edmund Burke)

Roosevelt Theodore

Roosevelt Franklin

attempts to make it through life day by day.

Roosevelt is a widower, who lost his beloved wife to cancer and a retired history professor, and he has not stopped grieving.

He and his two closest friends, also retired and who have also lost loved ones, form a paranormal investigation group. They hope to find an answer to

the question: is there life after death? When asked by a local teacher to investigate a possible haunting of her house, the group discovers an evil beyond anything they could have imagined. This is no mere ghost.

Maledicus, who was in life a pimp, torturer, and murderer during Caligula's reign in Rome, in death has become a sociopathic demon that attacks the weak and the innocent. Maledicus threatens a five year old child's life and soul. Terrified by what they

have discovered, Roosevelt and his friends must choose to either walk away from this threat, or to do battle with this ancient creature at the potential loss of their sanities, their lives, and their souls.

Scorched Treachery

Broken Renegade Norah Wilson

One night in Monaco, my best friend, Maxence, disappeared. I have no idea what Maxence was doing in Monaco that night. Yeah, he loves the Monte Carlo casino—the

venue of British spy movies, billionaires, Russian mafia, and roulette. But too many people in Monaco think he might be a danger to them. He never should have been there. But he was. So was Simone. She's trouble from our past at boarding school. Her husband is a good friend of some of the people who would be happier if Maxence wasn't around anymore. They tell me Maxence was here in the casino, and then a few minutes later, he was gone. Like he dropped off

the face of the Earth. Or like he was dropped off a cliff and into the blue Mediterranean Sea, which was just a few feet from where he was standing. Arthur and I are here to find Maxence, no matter what it takes. But we're afraid we'll end up finding his body. Renee has a secret she's been keeping for years. Now, she's deferred Oxford and left her home in England in pursuit of answers to questions she's been too afraid to ask. But Renee's journey

lands her in the middle of Port Cannon, a sleepy town that has a history far more sinister than it appears. People like her have been disappearing, and a boy she's met is troubled by something he refuses to talk about. The revelations all lead up to the eve of Siren Fest, the town's annual celebration where the first siren went missing. Will she be able to uncover what's been happening in this reveling port town? Or will she be next to disappear? For fans of Kiera Cass, Alexandra Christo,

Stephanie Meyer and Lauren Kate.

Through Glass Harper Collins

As the Third Son to The King, Rowan should be a Nobody. Fate had other plans. Nearly two hundred years ago, the world fell to war, leaving my parents to pick up the pieces and rebuild an entire Kingdom. Growing up in the shadow of two ultra-powerful immortals was never going to be easy. It's even worse now that I have been forced to enroll in their precious Imdalind Academy as

some kind of deranged poster boy for a hierarchy I don't even believe in. Add to that the fact that I am having trouble sleeping, am having dreams of some chick with pastel hair, and I am in some serious crap. Especially when I come face to face with Gemma, and discover just how frighteningly accurate those dreams have been. My mother happens to be the last Drak on earth, and it appears I am the only one to have inherited that power. F-ing great. I've been hiding the

power away for years, but something is happening at the school that is pushing me to a boiling point. I can't hide for long, especially when my parents go missing, and my sight is the only thing that has the answers we need to save them. Imdalind Academy: Rogue Royalty is a heart-thundering ride through a twisted world of magic that features a kick-ass heroine, a reluctant prince, a revolution you'll cheer for, soulmates who take some convincing, mind-blowing magic,

lingering kisses that will have you holding your breath, and edge-of-your-seat battles that will keep you turning the pages. This heart-pounding 130k word beginning to this Urban Fantasy series will take you into a paranormal academy with a cast and a cause unlike anything you've read before. NOTE: While the series continues in the same world of the Best-Selling Imdalind Series, and features some returning characters, it takes place two hundred years later and does

stand alone. No prior Ilyan or Ryland fan-girling necessary. Although if you are ready for a binge, make sure you check out the original Imdalind Series. With over 10 million page reads and counting, the world of Imdalind will grab you by your eyeballs and never let go. GET READY FOR IMDALIND ACADEMY Book 1: The Gauntlet Book 2: Rogue Royalty Book 3: Broken Renegade Book 4: Reluctant Seer This is an upper YA/NA crossover with some swearing and fade-to-grey steam. I

could not put this book down. The characters ripped off the page and gripped me by the ears. I can't wait for book two! - ★★★★★ Christy P. I effing love Gemma. Can she be my best friend? No, I'm serious. I would steal her from Rowan. And I love Rowan. Gah! Can I have the next book now? - ★★★★★ Shaylynn A. If Harry Potter, Vampire Academy, and The Hunger Games had a three-way love child - it would be this book! - ★★★★★ Ali J. If I wanted to read about death, revolution, and a

girl who wouldn't even let a guy help her walk when she's near death I would have read The Hunger Games or Throne of Glass. If I liked those books, and I didn't. I would give it no stars if I could. - ★ Anna E.

[Avatars, Book One: So This Is How It Ends](#)
HarperCollins UK

Phoenix Shifters are rare. They also hold the key to eternal life. No wonder the Dragon King wants my blood. My entire life has been spent in hiding, concealed in a traveling circus under the powerful

spell of an old witch. It would be just my luck that a streak of rebellion would land me in the hands of three sexy dragon shifters. I am in so much trouble. Dragons aren't supposed to know I exist, let alone make me feel this... warm. I don't know these three heart-pounding dragon gods. I'm not even sure I can trust them, but it turns out that they might be the only ones who can protect me from the Dragon King. We are playing a dangerous game, and if we don't get our act

together and defeat the tyrant who is hunting me I am going to lose more than the three Dragon Gods that have claimed my heart, and my soul. Rise of The Witch is a full-length Shifter Reverse Harem Romance coming in at just over 105,000 words. This book contains a fair bit of swears, lots of shirtless men, and fade-to-grey steam. There may or may not be a cliff-hanger. You have been warned.

Rise of The Witch

Flatiron Books
Just weeks before

graduating from high school, Grace finds herself running across the country for her life with her magical and mysterious boyfriend, Sebastian, by her side. An ancient magic has been awakened inside of Grace that is powerful, frightening and barely within her control. The Others, who possess their own dangerous magic, are hunting them, and their only hope is for Grace to learn how to harness her incredible powers to stop them. The answers they seek are hidden within a

life lived thousands of years ago, shrouded in mystery, magic and deceit. When the demons from their past finally catch up to them, Grace and Sebastian are faced with a truth that shakes the foundation of their relationship, their lives and everything they thought they knew. It is up to Grace to learn to control the Lost Magic, to right the wrongs that have been done, and to discover once and for all, who she really is.

Asher Scorched
TreacherySome bullies

just need to be put in their place... ... Give me a good song and I'll get them there. Joclyn and Ilyan are hiding after Ryland and my no-good brother Cail tracked them down. At least I hope they are, because from what I am hearing no one can find them. Which is good, because things in Imdalind are breaking down. Okay, maybe not breaking down. More like cracking and burning faster than a pile of matchsticks. At least torture and mayhem is better in a group. Insert

eyeroll here. Turns out I am the only one sane enough, and strong enough, to get us out of here. Which is fine, because I also have a few secrets that are just burning to escape. Cue the 70s rock, I need a soundtrack to take these guys down! I was charged to be her protector... ... keeping her alive is proving to be harder than I thought. Joclyn has been under my protection for a thousand years, even before I found her. Before she breathed her first breath. At the rate we are

going she may breathe her last far too soon. I thought we had escaped my father, I thought that she was safe. But that bastard and his minions have found a way to attack her somewhere that I cannot reach. I must keep her alive, and find a way to keep her attempts at fighting the beast inside of her, from killing everyone around her. Eyes of Ember What if the man you loved was hunting you? Desperate to end your life. Could you stop him? Could you kill him first? Jocllyn is in hiding.

Ryland is gone. His mind has been erased; no memory of Jocllyn remains, but Jocllyn's heart desperately begs her to hold out hope. Meanwhile, the black-eyed monster that possesses him attempts to kill her over and over again. If it wasn't for Ilyan, Jocllyn would be dead by now. Ilyan, the man who once stalked her, is now Jocllyn's protector, the only person she has left. He protects Jocllyn from the men who seek to end her life, and all the while, she is haunted by dreams

where Ryland begs her to break the bond between them. Ilyan trains and prepares her, teaching her everything she needs to know in the hope that one day she can avenge Ryland, if not protect herself from him. And then, there is her father. The man who has never been there is suddenly responsible for everything. And who he is has made Jocllyn into something she never wanted to be: The Siln. The Gauntlet We sat in our ivory tower, thinking we were saving

the world... It turns out the world was crumbling underneath us. The Japanese Kyo is on the run, but there is something else that has been brewing underneath the surface. Something that has now taken Mira. Of all the people that they end up taking, they take her. They have no idea what they are in for. I would be worried if Mira hadn't been trained as an assassin by the worst villain I know of. She can take care of herself, sure, but it isn't going to stop Wyn and I from going in

and giving her a hand. Besides, Mira's trail seems to be following someone else's, someone who I had hoped was no longer alive. Oviaia may still be tugging at strings, but Mira is already on her way to her. This could end badly, or it could lead to finding Ilyan at last. Joclyn still swears he's alive, after all, and I am beginning to think she is right. Flare of Villainy continues the King of Imdalind saga with heart stopping explosions, forbidden romance, and of course, magic.

 Why dream of becoming
 royalty, when you can just
 overthrow them? Two

hundred years after the war, magic use is regulated, monitored, and limited to the select few who win the masochistic Gauntlet and are given 'The Power of the Eternals' and sent to Imdalind Academy for training. No Gauntlet, no magic, no Paranormal Academy, and no place in society besides outcast with the Drains that live in the old tunnels that dot what once was Europe. Unless you are me, who after a cruel twist of fate is left with a diseased fragment of magic. I may

not be as strong as the bastards that lord over us, but that isn't going to stop me from raising more than a little hell. This year I am running the Gauntlet, and enrolling myself in their damn academy. After all, there is no better way to take down the evil overlords of our world than from the inside. Those royal bastards won't know what hit them. Well, as long as I can get the King Ilyan's son, Rowan, out of my way... Imdalind Academy: The Gauntlet is a heart-thundering ride through a

twisted world of magic that features a kick-ass heroine, a reluctant prince, a revolution you'll cheer for, soulmates who take some convincing, mind-blowing magic, lingering kisses that will have you holding your breath, and edge-of-your-seat battles that will keep you turning the pages. Semester One HMH Books For Young Readers Rivulet is a spinoff series from the wildly popular Insight Series. Mason Wade had fought death, and to some degree he had won. The fire of a phoenix coursing through his veins made him feel like hell. Each of his new senses forced him to reach into a past he knew was better left alone, yet he was grounded in the primal desire to protect Indie, to be a lethal supernatural guardian.

The discovery of a secret library within the Falcon Manor landed River Sabine, the very girl who first stole his heart and left him in his darkest hour, front and center in his life. Mason and the others discovering how closely his past is connected to the paranormal war at hand have only scratched the surface of how deeply entwined those who lurk at the Falcon Manor are; a painful lesson Indie is forced to learn as she fights to rise to her role as the Queen of the Veil and

protect the hearts of her own. An impossible decision must be made; no matter the choice lovers will divide. The only real question is whose sacrifice will be for the greater good. Special note to the reader: The RIVULET series is part of the "Web of Hearts and Souls Universe," where several series combine into one large story. All series can be read independently or as one. [Rise of the Witch](#) St. Martin's Griffin Goddess Alexandra Shaw managed to break the

curse that her archenemy, the inferni Angus put on her. But now she faces an even more difficult task: fulfill the prophecy and kill Angus for good. Angus knows there can be only one winner from the supernatural war he waged: either him or his creator and brother, Kai Hellster. Consumed with a thirst for power and the obsession for world dominance, Angus sets his eyes on the most powerful and mythical demoniacal object: the Skull Chalice. Kai created it millennia ago and if

either a supernatural or human performs a human sacrifice and pours the victim's blood inside the chalice, their wish will be granted. A fierce race against time begins as inferni, gods and dark fae all try to get hold of the Skull Chalice. But only one faction can possess it. Will Alex succeed and kill the abominable inferni and save the world from a fate worse than death? Or will she lose everyone in the battle, including herself? Genesis Magic is the thrilling conclusion of the hit new series The Half-

Goddess Chronicles
Scorched Treachery
 Malachite Publishing
 Save the guy? Sure. Avoid the light? Got it. Don't turn into a freaking monster? Uhhh... That one is turning out not to be as easy as I expected. Heck, all of it is turning out to be a crap-shoot. The rules of this game are changing. Monsters can stand in the light. Children sprout wings. And those trusty green guns aren't doing much anymore. To put it simply, if we don't get to The Rose soon, the monsters that hunt us are

going to be the least of our problems. Me. I'm talking about me. I always knew I would turn into a Tar, but now I am seeing them in a whole different light... Perhaps there is still a chance to find Cohen... as long as more children don't try to kill me. Don't make any noise... they will find you.... Dive into this wickedly wondrous dark world. Click.
The Curse Market Street Books
 They call me an outcast, weak. I've fought my whole life for survival,

running from an attack on my family I ended up hiding with the Ash Wolves. This one move might be my biggest mistake of all. And I'm the queen of mistakes... I let them believe I'm broken, let them believe the lies. I let them believe anything they want...as long as it isn't the truth. There's a monster inside me, one made of teeth and claws and terrifying need. I swallow it down, hiding under the pretense of being normal. But I'm not normal. I'm anything but. Bonding is the only thing

that will save us--me and the Ash pack. Only I need someone strong enough to fight the darkness inside me...and savage enough to stay. Will the three ruthless alphas help me...when they find out the truth of what I am? This is book 1 in a shifter paranormal romance story for those who love strong protectors, wolf shifters, and steamy scenes. A Novel Imdalind Press Some bullies just need to be put in their place... .. Give me a good song and I'll get them there. Joclyn and Ilyan are hiding after

Ryland and my no-good brother Cail tracked them down. At least I hope they are, because from what I am hearing no one can find them. Which is good, because things in Imdalind are breaking down. bastard and his minions have found a way to attack her somewhere that I cannot reach. I must keep her alive, and find a way to keep her attempts at fighting the beast inside of her, from killing everyone around her. Genesis Magic Imdalind Press
I just wanted to graduate high school. Fighting monsters to save the world was not part of my five-year plan. I had it all figured out. Graduate high school and head to college. It was just icing that my college of choice

also happened to be where my life long crush and the boy next door, Cohen, was already attending. I had already been accepted. Everything was working out perfectly. The only problem was that my 'perfect' didn't involve a freakin' invasion. So, when everything went dark and monsters, literal monsters, fell from the sky, I had no idea what to do. Hey, I'm not your perfect dystopian heroine. Hell, I'm not even your everyday human. It took some time, and a bit of

work, but now instead of graduating and following Cohen to college I am now hunting massive winged demon... things. Worse yet, any chance of a happily ever after goes to pot when my demon hunting turns into boyfriend rescuing, and I have to risk it all and go into the Dark. Boys. One minute everything is on track, and the next, well, it's the end of the world. My name is Lex, and I guess I hunt monsters now. Perfect.

Imdalind Ruby Collection
One Harper Collins

Seventeen year old Kris Young is on the run from a throng of superhuman golden-eyed freaks hell-bent on seeing her dead, and she doesn't know why. Good thing she has her guardian angel to protect her...sort of. Kris is aided by Nathan, the mysterious man that ends up being anything but angelic when he rescues her for the fourth time in fourteen years. Even if the handsome hero illusion is shattered by his harsh treatment of her, he knows how to fight this strange enemy and is

determined to keep her safe at all costs. As the body count rises in their wake, Nathan introduces Kris to a world in which not everyone is human and the battle lines between good and evil are clearly drawn. Kris's piece in the puzzle is something neither is aware of and, as they uncover the truth, neither is prepared for what they find. Overcoming twists and revelations that shatter both of their lives, they discover that nothing is as it seems and nothing, least of all their

hearts, are safe. From debut author, Desni Dantone, Ignited is the first novel in a tale of first love, mystery and adventure that will introduce you to an exciting new world as Kris

discovers how she fits in it.
Eyes of Ember
 Wednesday Books
 When their mistress is murdered, Anouk and her fellow beasties have only three days until their

enchantment ends and they are transformed back into animals, but in seeking to remain human, they threaten the hierarchy imposed by the society of magic handlers in Paris called the Haute.
