Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity, but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing. In this book, Kreeft brings together 358 useful, everyday insights from Aquinas' masterpiece the *Summa Theologiae*. He pairs these easily digestible quotes from the *Summa* with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors. These 358 passages from the *Summa* have helped Kreeft in his own struggles to grow closer to the Lord. His practical, personal, and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity, happiness, and union with God.

Spiritual direction is increasingly popular among Christians of all mainstream traditions, with demand for directors outstripping supply in many places. And although the Bible is central to the practice of spiritual direction, very little has been published on how best to use it in this form of ministry. Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience, in order to discourage poor, shallow, or rigid use of the Bible, which can lead to damage and inhibit spiritual growth. According to Hoare, the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ, for the flourishing of the church as a whole. Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality, as well as current literature and practice, this book offers a rich, stimulating, and thoroughly biblical resource for all those who give and receive spiritual direction.

Small Group Leadership as Spiritual Direction NavPress Publishing Group

Have you ever wondered what releasing spiritual potential in the workplace might do for your organization? In today's climate of colossal and incredibly fast global change, the world needs new ways to develop discerning leaders to consciously lead our community of life into the future. Though there are many books on leadership, they rarely engage the importance and relevance of spiritual development and spiritual accompaniment in organizational discernment and leadership development. Spiritual formation through spiritual direction has the potential to transform the way we lead organizations in secular and religious settings. Drawing on the wisdom and experience of leaders and spiritual directors, this book, first, broadens our understanding of how spiritual direction can be a resource for leadership and organizational development; second, supports spiritual directors in developing their corporate practice and their understanding of the relevance of spiritual direction for a wider community.

Much has been written about the practice of one-to-one spiritual directions, but much less about small group communities that offer in-depth mutual spiritual support and guidance to its members. But small groups are most likely the more usual setting for spiritual companionship and have strong biblical, theological and historical foundation in the Christian tradition. This book offers a

detailed presentation of ten small group models, plus guidance in group leadership dynamics. It also presents material related to group retreat work, spiritual guidance with organizations and peer supervision/consultation model for supporting leaders of spiritual companionship groups and retreats. Church leaders, spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats.

Discernment: Reading the Signs of Daily Life features the wisdom that spiritual leader and counselor Henri J. M. Nouwen brought to the essential question asked by every Christian and seeker: What should I do with my life? Nouwen emphasizes listening to the Word of God—in our hearts, in the Bible, in the community of faith, and in the voice of the poor as a way to discern God's plan. Although the late Henri J. M. Nouwen counseled many people during his lifetime, his principles of discernment were never collected into a single volume. Now, in association with the Nouwen Legacy Trust, Michael Christensen—one of Nouwen's longtime students—and Rebecca Laird have taken his coursework, journals, and unpublished writings to create this and other books in the series exploring God's will for your life.

We are not alone. God is present with us. And God gives us companions on the journey. A spiritual director is one such companion, offering spiritual guidance to help make sense of the faith journey interpret the significant markers on the road encourage us, particularly through the more difficult transitions and valleys of our pilgrimage and, most of all, to notice the ministry of the Spirit in our lives Gordon Smith writes: Even if we have been Christians and maturing in our faith for many years, we still need the encouragement and guidance that might come through spiritual direction. . . . Genuine humility is evident in our realization that we need a companion, a fellow pilgrim and Christian, who can help us discern and foster an attentiveness to God's presence in our lives. This is the gift of spiritual direction. Whether you are a director, a directee or simply someone who wants to learn more about this ancient ministry, you will find this book to be a helpful guide.

This clear and practical guide to what happens in spiritual direction throws valuable light on something that is a huge help for many, yet sometimes seems a little unnerving for those considering it. It includes a number of first-person accounts - from spiritual directors and from those they have guided. It provides insight into why individuals seek direction, how they are guided (for example in the business of prayer), and what it is like to be in a relationship of spiritual direction. The book offers an all-round picture of the process, and will be of particular interest to those wondering whether to seek a spiritual director. "Reflecting on wide experience, Peter Ball offers us a book full of practical wisdom. It will serve as a fine introduction to spiritual direction but will also be read with profit by those of long experience. Clearly written, it is profound in its teaching and implication." The Revd Dr Brian Haymes, Minister of Bloomsbury Central Baptist Church

Spiritual direction is a burgeoning ministry in today's church where the emphasis is on joining in with what God is already doing in the world – an approach that presupposes spiritual discernment. This guide explores spiritual direction from biblical and theological perspectives and aims both to inform teaching and equip practitioners with greater reflective skills. Written by two experienced teachers and practitioners, it includes: • God and Spiritual Direction – divine presence and absence, discerning God, relationship and the Trinity, images of the Holy Spirit; • Humanity and God – being made in the image of God, sin, addiction, desire, freedom, psychology in direction; • The Bible and Spiritual Direction – scripture as a source and authority for direction; uses and abuses of the Bible in direction; • Spiritual Direction across the Christian traditions; • Spiritual Direction and the Church – boundaries, accountability and safeguarding.

Henri Nouwen—beloved author, priest, and internationally recognized spiritual master, counselor, and guide—offers gentle wisdom for universal questions of the spiritual life: Who am I? Where have I been and where am I going? Who is God for me? Where do I belong? How can I be of service? As a priest, pastor, and professor of spirituality at Notre Dame, Yale, and Harvard, Nouwen offered spiritual direction to many students, but his famous course on spiritual direction was never recorded during his lifetime. Now, in *Spiritual Direction*, the first of a series, one of Nouwen's students (Michael Christensen) and one of his editors (Rebecca Laird) have developed his courses and practice of spiritual direction into a book of profound wisdom for living a deep spiritual life.
