AVILA MAXIMO

Family Law Litigation in Oregon Aspen Publishing
Child and family law tells us much about how a society operates, since it touches the lives of everyone living in that society. In this volume, a variety of experts examine child and family law in thirteen countries - Australia, Canada, China, India, Israel, Malaysia, The Netherlands, New Zealand, Norway, Russia, Scotland, South Africa and the United States. Each chapter identifies the imperatives and influences that have prevailed to date and offers informed predictions of how it will develop in the years to come. A common chapter structure facilitates comparison of the jurisdictions, and in the introduction the editor

highlights common trends and salient differences. The Future of Child and Family Law therefore provides practitioners, academics and policy-makers with access not just to an overview of child and family law in a range of countries around the world, but also to insights into what has shaped it and options for reform.

Reform of the Family Division of the District of Columbia Superior Court Cambridge University Press

This book provides new, feminist perspectives on famous family law cases that span generations. The chapters take court decisions and rewrite them with feminist ideas in mind. Each rewritten opinion is penned by a leading scholar who relied only on materials available at the time of the original decision. The decisions address topics such as the criminalization of polygamy, intimate partner violence as a ground for asylum, the legality of gestational surrogacy, the rights of cohabitants, discrimination

against transgender parents, immigration rules governing non-citizen parents, and child welfare and child support systems, among others. Each opinion is accompanied by a commentary that explains the original opinion as well as its contemporary relevance, and each commentary also is authored by a respected scholar. The combination of a rewritten opinion and its commentary provides an in-depth examination of the most important topics in family law.

Resist/refuse in Family Law Cases Cambridge University Press
Family law and public policy reflect our society's evolving social commitments and ethical norms and behaviors, making it a key area of study in the fields of sociology, psychology, gender studies, criminology, mediation, social work, and many others. Family Law and Public Policy combines pertinent, concise, up-to-date information on family law as it forms and is informed by public policy on such central issues as the care, protection, and social and economic support of children; the nature, formation, and dissolution of marriage and other adult relationships; and surrogacy and adoption. Using three formats—succinct explanations; engaging, relevant readings from articles, statutes, and case law; and provocative questions prompting students to more deeply examine, understand, and critique the topics—Family Law and Public Policy covers all traditional and developing areas of family law and includes background and pointers on affecting, creating, and writing policy.

Counseling in the Family Law System North Vancouver, BC : Self-Counsel Press

In recent years the number of Americans who have decided to handle their own legal affairs without the help of a lawyer has

skyrocketed. Ranging from people writing their own wills or drafting a contract to those trying to represent themselves in court, they're going to public and academic libraries for answers. As both an attorney and a librarian, Healy's background makes him uniquely qualified to advise library staff on providing users with the legal information they seek, and in this handbook, he Provides a concise orientation on legal research, including strategies for finding information quickly and a handpicked compendium of the best resources Offers guidance on how to provide advice on legal research while steering clear of liability Covers federal legal reference as well as all 50 states, with a comprehensive list of web-based legal resources Library staff can provide valuable and ethical legal reference guidance with the practical guidance in this book.

The Future of Child and Family Law International Self Counsel Press

Family Law and Public Policy American Library Association

Exploring the conflict between respect for privacy and deference to state authority in the context of family law today, each chapter in the Seventh Edition of *Modern Family Law: Cases and Materials* provides a lens to explore the appropriate role of the state in family decision making and helps equip students to handle current and emerging family law issues. The book features riveting well-edited cases, notes, interdisciplinary materials, and problems that highlight issues of gender, sexualities, race, and class. Integrating legal developments with perspectives from history, psychology, sociology, medicine, and philosophy, this casebook uniquely reflects the full diversity of the modern family, including key updates on marriage equality and parentage issues for LGBT-headed families, the nonmarital family, abortion, adoption, and assisted reproductive technology. New to the Seventh Edition: The latest Supreme Court family law cases (*Whole Woman's Health v. Hellerstedt*; *Masterpiece Cakeshop*; *Pavan v. Smith*; *Sessions v. Morales-Santana*), and previews of upcoming cases (*June Medical Services v. Gee* and *Bostock v.*

Clayton County) In-depth coverage of important recent uniform and model legislation (Uniform Parentage Act (2017); Uniform Nonparent Custody and Visitation Act (2018); pending VAWA Reauthorization Act (2020), ALI Restatement of Children and the Law (2019-2020), and ABA Model Act Governing Assisted Reproduction (2019) Landmark recent state and federal decisions (including LGBT rights, breastfeeding discrimination/accommodations, contraceptive fraud, divorce discrimination, marital paternity presumption, marital communications privilege, abortion restrictions, minors' abortion rights, name disputes, challenges to state polygamy laws, parentage rights in multi-parent families, spousal spying for infidelity, and much more) Professors and students will benefit from: A mix of "classic" and cutting-edge materials illuminate family law's past and its continuing development in an era of exciting change Materials—such as narratives, epilogues, personal communications, social science perspectives, and comparative information—bring family law to life and Thoughtfully organized materials clearly present basic principles and doctrines, while inviting policy-based reflections and questions about law reform Provocative questions and Problems based on cases and current events will spark lively class discussions

The Contested Place of Religion in Family Law Aspen Publishing

Like many beliefs, religious views matter across an individual's life and the life cycle of a family - from birth to marriage, through child-rearing, and, eventually, death. This volume examines clashes over religious liberty within the personal realm of the

family. Against swirling religious beliefs, secular values, and legal regulation, this volume offers a forward-looking examination of tensions between religious freedom and the state's protective function. Contributors unpack some of the Court's recent decisions and explain how they set the stage for ongoing disputes. They evaluate religious claims around birth control, circumcision, modesty, religious education, marriage, polygamy, shared parenting, corporal punishment, faith healing, divorce, and the end of life. Authors span legislators, attorneys, academics, journalists, ministers, physicians, child advocates, and representatives of minority faiths. *The Contested Place of Religion in Family Law* begins an overdue conversation on questions dividing the nation.

Oregon Family Law Code Cambridge University Press

The purchase of this ebook edition does not entitle you to receive access to the Connected eBook with Study Center on CasebookConnect. You will need to purchase a new print book to get access to the full experience, including: lifetime access to the online ebook with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. Family Law, now in its seventh edition, is a modern and teachable casebook, offering comprehensive coverage and a mix of interdisciplinary materials. It compares innovative developments in some states with the reaffirmation of traditional principles in others and does so in the context of a wider focus on family and the state, the role of mediating institutions, and the efficacy of law and particular methods of enforcing the law. The casebook deals with the complexity of family law both in the organization of the

chapters—separate units on family contracts, jurisdiction, and practice, for example, can be shortened, skipped, or taught in almost any order—and the diversity of material within each chapter. Each unit combines primary cases with comprehensive notes, supplemented with academic and policy analyses that provide a foundation for evaluation. Detailed problems extend the coverage or apply the commentary to real-world examples. New to the 7th Edition: The reversal of *Roe v. Wade* and constitutional protection for abortion rights Discussion of the growing class divide in family formation, and of tensions between relatively conservative versus relatively liberal states about the foundations for family law, including how varying forms of families are recognized and defined The effects of the COVID-19 pandemic on family law practice The changing law of parentage with an emphasis on diverging developments across different states on issues such as the recognition of functional parenthood Benefits for instructors and students: Comprehensive notes Current cases Detailed problems Flexible, modular organization Balanced presentation of materials Coverage of relevant doctrines, such as property, contracts, torts, criminal law, conflict of laws, and constitutional law Materials on cross-disciplinary topics, including financial principles, genetics/statistics, clinical psychology, social history, policy discussions, counseling, negotiation, ADR, and ethics

Family Law Benchbook Cambridge University Press

This practical career guide is the first book written specifically for professional counselors on how to provide services to the family court system, a growing and lucrative field of practice. Written by a professional counselor with over 20 years of experience, it

discusses the roles of counselors in family court and provides step-by-step guidelines on how to expand one's counseling practice to include family forensic services. It describes how to enter the field, build a successful practice, and how to work effectively with attorneys and judges as well as parents and children. The book provides specific guidelines and examples of how to communicate effectively with attorneys, conduct interviews with parents and children, make recommendations for custody and visitation, write reports, and successfully testify in court. Content builds on the background and expertise already possessed by the professional counselor, and describes the advantages that counselors have and challenges they must often overcome in successfully practicing in the family law system. Included is a wealth of relevant information about the court system, definitions of legal terms, standards of practice required by the Association of Family and Conciliation Courts (AFCC), training and licensing requirements for evaluators and mediators, scope of practice, and ethical concerns. The book also includes forms for taking interview notes, templates for writing reports, examples of actual reports, sample visitation schedules, and case studies. Key Features: Written specifically for counselors, by an experienced counselor Offers a practical, step-by-step approach for counselors with little legal background Describes how to communicate with attorneys and conduct interviews with parents and children, including dos and don'ts Includes templates for conducting interviews, writing reports, visitation/parenting plans,
