 is Quantum Healing

...Dolores Cannon's method of hypnosis, Quantum Healing Hypnosis Technique<sup>SM</sup> (QHHT®), involves inducing an individual into the Somnambulistic state of trance through visualization. A state which under ordinary circumstances is experienced only twice daily: the moment just before you become consciously awake and the moment just before you fall asleep. Historically, hypnotists have avoided conducting research with subjects in

this state because of the often strange and inexplicable results ...What is Quantum Healing Hypnosis Technique? - Dolores Cannon Quantum Healing Hypnosis Technique. QHHT is the method of hypnosis created by the late Dolores Cannon. She developed the technique during her 45 years of research and has authored nearly twenty books on the subject. Dolores learned that working with clients while they were in a state of hypnotic trance allowed

access to unlimited knowledge; including past lives they have lived, infinite access to personal information unknown to the client in the wakened state, and the power to heal oneself ...Quantum Heart Hypnosis QHHT® is known as the gold standard in past life regression for healing at the deepest spiritual level. It's a special technique of hypnosis created by renowned past life regressive hypnotherapist Dolores Cannon. Practitioners use the method "purely" and with

strict adherence by following the scripts so that sessions are conducted in-person, just like Dolores Cannon would have conducted. Quantum Healing with Yve – Past Life Regression
