Based on the principle that English lessons form an integral part of a young learner's whole education, and that the teacher has a responsibility than the simple teaching of the language system. This work provides practical ideas for a variety of language practice activities, including art and crafts, drama, games, storytelling, and songs.

Using Oxford First Dictionaries

Photocopiable resource book English Result Conversation

Helps teachers of young learners introduce and practise grammar in a fun and motivating way. Steers a middle course between grammar-based and communicative approaches to teaching: meaning is the main focus of all language teaching and grammar is an intrinsic part of making meaning explicit

In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopiable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopiable worksheets so your students can put what they've learnt into practice. This booklet has been updated to reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopiable for use in class.
