*Bleeding Violet* Henry Holt and Company

Hanna is what you'd call mentally ill. She'd call it being totally crazy. After running away to Portero, Texas to find her estranged mother, Hanna thinks this new town can't be any crazier than she is. She's wrong. Portero is haunted with doors to dimensions of the dead, and protected by demon hunters called Mortmaines. Hanna soon falls for a young Mortmaine named Wyatt, but when her mother is possessed by a murdering ghost, Hanna decides to do whatever it takes to save her, even if it means betraying the boy she loves. In the end no one will be left unscarred.

Three Rivers Rising Ember

From #1 New York Times bestselling author Holly Black comes the "dangerously, darkly gorgeous" (Cassandra Clare) Curse Workers trilogy, now together in one beautiful bind-up! Cassel Sharpe comes from a family of curse workers, people who have the power to change emotions, memories, and luck with the

slightest touch of their hands. And since curse work is illegal, they're also all criminals. Many become mobsters and con artists, but not Cassel. He doesn't have magic, so he's an outsider, the straight kid in a crooked family—except for the small detail that he killed his best friend, Lila, three years ago. Cassel has carefully built up a facade of normalcy, blending into the crowd. But his facade starts to crumble when he finds himself sleepwalking, propelled into the night by terrifying dreams about a white cat that wants to tell him something. He's noticing other disturbing things, too, including the strange behavior of his two older brothers, who are keeping secrets from him. As Cassel begins to suspect he's an unwitting pawn in a huge con game, he must unravel his past, and his memories. To find the truth, Cassel will have to out-con the conmen. This magical bind-up includes:

Do you believe in faeries? Not the soft, gentle kind, but the sinister, feral kind ~ the ones that wreak havoc on everything in their path... A fairy-tale series with a difference from Holly Black, bestselling author of *The Spiderwick Chronicles* and *The Cruel Prince*. When Valerie Russell runs away to New York City, she's trying to escape a life that has utterly betrayed her. Taking on a new identity, she seeks refuge with a gang of squatters who live in the city's labyrinthine subway system. But there's something eerily beguiling about Val's new friends ... Lolli talks of monsters in the subway tunnels and uses a shimmering amber-coloured powder that makes the shadows around her dance. While Luis claims he can make deals with creatures that no one else can see. And when Luis's brother, Dave, makes the mistake of letting

Val tag along as he makes a delivery to a woman who turns out to have goat hooves instead of feet, Val knows that there's magic at play in the subway tunnels... A bewildered Val allows Lolli to talk her into tracking down the hidden lair of the creature for whom Luis and Dave have been working, only to find herself bound into service by a troll named Ravus. He is as hideous as he is honourable, and as Val grows to know him, she finds herself torn between affection for him and fear of what her new friends are becoming because of him...

*The Urban Fantasy Anthology* Little, Brown Books for Young Readers

From the New York Times bestselling author of *Sorcery of Thorns* and *An Enchantment of Ravens* comes a thrilling new YA fantasy about a teen girl with mythic abilities who must defend her world against restless spirits of the dead. The dead of Loraille do not rest. Artemisia is training to be a Gray Sister, a nun who cleanses the bodies of the deceased so that their souls can pass on; otherwise, they will rise as spirits with a ravenous hunger for the living. She would rather deal with the dead than the living, who trade whispers about her scarred hands and troubled past. When her convent is attacked by possessed soldiers, Artemisia defends it by awakening an ancient spirit bound to a saint's relic. It is a revenant, a malevolent being that threatens to possess her the moment she drops her guard. Wielding its extraordinary power

almost consumes her—but death has come to Loraille, and only a vespertine, a priestess trained to wield a high relic, has any chance of stopping it. With all knowledge of vespertines lost to time, Artemisia turns to the last remaining expert for help: the revenant itself. As she unravels a sinister mystery of saints, secrets, and dark magic, her bond with the revenant grows. And when a hidden evil begins to surface, she discovers that facing this enemy might require her to betray everything she has been taught to believe—if the revenant doesn't betray her first.

Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravaging ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . .
