Facebook Marketing  
Artemis of Ephesos was

one of the most widely  
worshiped deities of the  
Graeco-Roman World. Her  
temple, the Artemision,  
was one of the seven  
wonders of the ancient  
world, and for more than  
half a millennium people

flocked to Ephesos to  
learn the great secret of  
the mysteries and  
sacrifices that were  
celebrated every year on  
her birthday. In this work  
Guy MacLean Rogers sets  
out the evidence for the

celebration of Artemis's mysteries against the background of the remarkable urban development of the city during the Roman Empire and then proposes an entirely new theory about the great secret that was revealed to initiates into Artemis's mysteries. The revelation of that secret helps to explain not only the success of Artemis's cult and polytheism itself but, more surprisingly, the demise of both and the success of Christianity. Contrary to many anthropological and

scientific theories, the history of polytheism, including the celebration of Artemis's mysteries, is best understood as a Darwinian tale of adaptation, competition, and change.

*A Complete Concordance  
 to the Holy Scriptures of  
 the Old and New  
 Testament, Or, A  
 Dictionary and  
 Alphabetical Index to the  
 Bible* Rafal Col Publishing

This book came from  
 experiences I have gone  
 through in my Christian  
 walk. I became a Christian  
 in 1993 and soon enough I  
 came to know that if I  
 were to enjoy my  
 Christian life, I had to  
 renew my mind with the  
 Word of God. I also came

to realize that, the  
 environment that I grew  
 up in and the developed  
 mind set over the years,  
 were directing how I  
 related to God and His  
 Word. To a larger extent,  
 this was always in conflict  
 with the Word of God. I  
 would get frustrated when  
 my prayers were not  
 answered how and when I  
 wanted them to. I would  
 begin to ask myself  
 questions such as; "Is God  
 punishing me for  
 something? Did God really  
 hear my prayers? How did  
 so and so receive what I  
 have been asking for

months?" But as I continued to study and mature in the Word of God, things became clearer. Sometimes a believer will struggle with questions, but fear to ask them, fearing being judged or presuming they are of little or no faith. Throughout my ministry, I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential. I believe that all of us are capable of living a full life, but misinterpretation of what is a full life creates

frustration. This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading. I present truths in this book in a simple and understandable language without diluting the intended message. I am currently the founding Pastor at God Our Rock International Church in Toronto, Ontario, Canada. *The Publishers Weekly* AuthorHouse
