## MICHAELA CRUZ

Getting Extraordinary Results with Ordinary People Navpress Publishing Group  
 Bestselling Author and Theologian  
 Explores the Life and Ministry of Elijah  
 Known for his in-depth yet accessible teaching, beloved author R. T. Kendall delves into the life of one of the most famous and most relatable persons in the Old Testament: Elijah. Drawn from a

popular sermon series Dr. Kendall preached at Westminster Chapel in London, this discussion taken from 1 and 2 Kings traces the prophet's life and ministry from his first appearance and his confrontation with King Ahab until the time he is taken up to heaven. Kendall shows how even this revered prophet--an ordinary man with many imperfections--was used tremendously by God. A great study for both individuals and groups. *How God Uses Ordinary People to Do Extraordinary Things* B&H Publishing Group  
 The Bible is filled with stories of God using ordinary people in extraordinary ways to

change the world. Noah, Abraham, Sarah, Isaac, Jacob, Joseph, Moses, Rahab, and others were just regular, imperfect people who chose to obey God's call--and what a difference that made! God is still in the business of transforming his followers into world changers, and that includes you. He may be calling you to something big, like moving to Africa to start a ministry. Or he may be asking you to start small, like simply leaving your comfort zone and stretching your faith to try something you haven't before. In either case, it's his power working through you that will impact you and everyone around you. Join Greg Laurie as he shows you how God has

called and equipped you. Get ready to change the world.

*A Memoir of Family* John Wiley & Sons  
Just Ordinary People—From Trials to Triumphs is an inspirational book. This book is filled with true stories about God's mighty hand moving in the lives of ordinary people. The stories compiled in this book are varied and colored by the unique experiences personally shared by the contributors (some from their relatives). They address the various experiences, emotions felt, and God's moving in their lives in different ways and how their lives was never the same when they accepted Jesus as their personal Savior. It highlights the scriptures that made them strong and totally dependent on him—stories reflecting the fruit of the Holy Spirit, which is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control, found in Galatians 5:22-23 NIV. Are you going through a lot of problems lately, have you faced trials, persecutions and difficult phases in your life? Read on and be inspired . . .

Discover the Extraordinary Possibilities Within Ordinary People, Extraordinary Power

The author describes how he left a lucrative business consulting job to found the nonprofit Pencils of Promise, an organization responsible for building schools for the poor in developing countries around the world and which recently completed its two hundredth school.

*Ordinary People Extraordinary Planet* NYU Press

Every day modern medicine announces the arrival of yet another "wonder drug" or "miracle procedure" to a world increasingly wary of expensive high-tech cures. Drugs, transplants, and surgery don't work for 90 percent of our aches and pains and, while we are grateful for life-saving developments, we know that most come with risks that we ignore at our peril. Long hailed as one of the founding fathers of mind-body medicine, Larry Dossey directs our attention to simple sources of healing that have been available for centuries—treasures often hidden in plain sight—from the power of optimism and of tears to speed recovery to the surprising usefulness of dirt and bugs in curing disease and infection to the benefits of doing nothing. Exploring the medical research that validates these simple remedies, Dossey encourages us to align ourselves with the wisdom of nature and allow true healing to take place. The Extraordinary Healing Power of Ordinary Things can transform our view of what

health is all about, whether our concern is cancer or the common cold.

**True Light** Baker Books

For generations, influential thinkers--often citing the tragic polarization that took place during Germany's Great Depression--have suspected that people's loyalty to democratic institutions erodes under pressure and that citizens gravitate toward antidemocratic extremes in times of political and economic crisis. But do people really defect from democracy when times get tough? Do ordinary people play a leading role in the collapse of popular government? Based on extensive research, this book overturns the common wisdom. It shows that the German experience was exceptional, that people's affinity for particular political positions are surprisingly stable, and that what is often labeled polarization is the result not of vote switching but of such factors as expansion of the franchise, elite defections, and the mobilization of new voters. Democratic collapses are caused less by changes in popular preferences than by the actions of political elites who polarize themselves and mistake the actions of a few for the preferences of the many. These conclusions are drawn from the study of twenty cases, including every democracy that collapsed in the aftermath of the Russian Revolution in interwar Europe, every South American democracy that fell to the Right after the Cuban Revolution, and three democracies that avoided breakdown despite serious economic and political challenges. Unique in its historical and regional scope, this book offers unsettling but important lessons about civil society and regime change--and about the paths to democratic consolidation today.

**Just Ordinary People** Three Rivers Press (CA)

Extraordinary performance from ordinary people is a must read for the high performing manager with the ambition to reach corporate leadership status. The book is as practical as it is exciting. How to succeed and which personal qualities are required from those who display the capability for great responsibility, are the themes that run throughout. The book focuses on both the key value adding activities and disciplines for driving through change and the styles of corporate leaders that attract success. Extraordinary performance from ordinary people highlights how the leaders of the company, as a corporate team, can adopt and adapt the four value creating styles. It emphasises how to recognise which leadership framework suits the challenges of particular competitive environments.

This insight nurtures a confidence to act decisively adopting an approach to communication which harnesses the energies of the organisation to achieve stretching performance targets. It concentrates on how leaders make a difference by what they do. Diagnostic models that show what really works and under which circumstances are core to this book. \* Shows how a connected and aligned team can be positively committed to delivering the vision of the business and how to add value in corporate leadership \* Provides a practical framework for developing the key leadership roles in any size and type of organization

Are you frustrated with your life? Are you struggling to find breakthrough and feeling like you are just spinning your wheels?

**Ordinary People - Extraordinary Stories** Charisma Media

"I hope that this book will be an inspiration to the many who make their way along their spiritual paths." His Holiness, the 14th Dalai Lama Ordinary people experience the extraordinary when they commit to a life of deep, authentic spiritual practice. Leena Banerjee Brown brings this message to life, not only in the beautiful stories of inner and outer transformation she recounts, but by inviting others to share their own stories. This book is a warm welcome into a diverse community of spiritual practitioners where the readers' untold stories come into focus alongside those curated here. The author invites her readers to join her circle of family, fellow practitioners, colleagues, friends, and acquaintances who share the desire to elevate the mind, embrace a life of "spirit first", and contribute to the transformation of self and upliftment of the world. The simple yet profound practices and principles of Sukyo Mahikari allow people of all faiths to become instruments of divine peace by giving and receiving God's True Light in an inspired, disciplined practice of pure benevolence.

**The Driving Force** Harvard Business Press

What is it about the top tech product companies such as Amazon, Apple, Google, Netflix and Tesla that enables their record of consistent innovation? Most people think it's because these companies are somehow able to find and attract a level of talent that makes this innovation possible. But the real advantage these companies have is not so much who they hire, but rather how they enable their people to work together to solve hard problems and create extraordinary

products. As legendary Silicon Valley coach--and coach to the founders of several of today's leading tech companies--Bill Campbell said, "Leadership is about recognizing that there's a greatness in everyone, and your job is to create an environment where that greatness can emerge." The goal of EMPOWERED is to provide you, as a leader of product management, product design, or engineering, with everything you'll need to create just such an environment. As partners at The Silicon Valley Product Group, Marty Cagan and Chris Jones have long worked to reveal the best practices of the most consistently innovative companies in the world. A natural companion to the bestseller INSPIRED, EMPOWERED tackles head-on the reason why most companies fail to truly leverage the potential of their people to innovate: product leadership. The book covers: what it means to be an empowered product team, and how this is different from the "feature teams" used by most companies to build technology products recruiting and coaching the members of product teams, first to competence, and then to reach their potential creating an inspiring product vision along with an insights-driven product strategy translating that strategy into action by empowering teams with specific objectives--problems to solve--rather than features to build redefining the relationship of the product teams to the rest of the company detailing the changes necessary to effectively and successfully transform your organization to truly empowered product teams EMPOWERED puts decades of lessons learned from the best leaders of the top technology companies in your hand as a guide. It shows you how to become the leader your team and company needs to not only survive but thrive.

*Be Activated to Heal, Deliver, Prophecy, Preach, and Demonstrate God's Kingdom* Baker Books

Acclaimed writer and pastor Jared C. Wilson reveals how God has a plan for you that involves doing the ordinary, mundane stuff of life in a supernatural way. Would it change your life to know that there is a way to live your everyday life supernaturally? Most of us would say "yes," and Jared C. Wilson's new book reveals how. For the homemaker wondering how to get through the stress of washing dishes and making meals nobody seems to appreciate; for the cubicle jockey punching her time-card every day wondering if what she does really matters; for the teacher or leader wondering if he is making an impact; for the student afraid of the future; for every

believer struggling to get through daily life, *Supernatural Power for Everyday People* offers the hope of meaning and purpose, and also the promise of power. We can get beyond just "getting by." We can prevail and live a life of far more joy, contentment, and peace than we ever thought possible. A practical book written in a devotional tone, *Supernatural Power for Everyday People* shows readers how to rely more fully on the power of the Holy Spirit for growth and satisfaction in their lives.

*How God Uses Ordinary People to Do Extraordinary Things* Simon and Schuster  
How to offer Christian hospitality without becoming exhausted and overburdened. Generous hospitality is a significant way in which God works through our lives to bring life to others, yet many of us feel ill-equipped and overwhelmed at the prospect, especially if we don't have big houses and we are not wonderful cooks! Carolyn Lacey encourages us to focus on the goal of hospitality, which is to reflect God's welcoming heart, and shows us how we can all do that, regardless of our bank balance or living situation. She explores seven ways in which we can reflect God's character in the way we welcome others into our homes and into our lives, and so point people ultimately to Christ. This practical and realistic book explores how to make generous hospitality part of everyday life without becoming exhausted and overburdened.

*The Power of an Ordinary Life* John Wiley & Sons

Harvey Hook touches on the legacy each one of us hopes to leave. Hook explores the concept of redemptive action--how each of us can impact the world around us. He uses true-life stories of people in ordinary life who were plunged into remarkable circumstances and achieved extraordinary things. Using both stories that are current and historical--stories of younger and older people alike--this book will appeal to a wide range of people. From these stories, the author derives insights and truths to help others apply themselves to make a difference in this world.

*A Pictorial History of Working People in New York City* Light on Light Press

God uses ordinary people to do extraordinary miracles if they are willing to be transformed. Being ordinary completely qualifies you for God's mighty power. No titles, ministries or name recognition are required. But there is one catch--you must be willing to be transformed. Testimonies are a crucial element of transformation. Testimonies give us the hope we need to continue on. We need to know that God

still moves in signs, wonders and miracles. But above all else, we need to understand that God specializes in taking ashes and resurrecting them into beautiful life! "God did extraordinary miracles through Paul ..." - Acts 19:11 In *Life Resurrected*, Jesse Birkey will share some extraordinary miracles performed by ordinary people. He will also take you on his journey of transformation from a life of bondage and slavery to the enemy to a life bursting with miraculous testimonies. While recounting his and others' encouraging and inspiring testimonies, he provides insight into the ways God wants to operate in and through all of His children. Start the journey and you too can have your Life Resurrected!

**Prayers that Activate Blessings** William Carey Library Publishers

Based on interviews collected from Leonard's radio show, heard in 75 countries, this text includes incredible stories of a dozen people's triumphs over adversity.

**Ordinary People, Extraordinary God** Charisma Media

In this empowering book, Robert E. Quinn, author of the highly successful and influential *Deep Change*, gives readers the courage to use personal transformation to positively impact their home life, work life, and communities -- to be what he refers to as "inner-directed and outer-focused." We are all potential change agents, but most of us are trapped by belief that we as individuals cannot make a difference. Informed by the teachings of Jesus, Gandhi, and Martin Luther King, Jr. -- three of the most successful change agents ever -- Quinn outlines eight steps each of us can take to move ourselves and others to the highest levels of excellence. Following his advice, each of us can access and apply the power that lies within us in ways that will change our world for the better.

**Rujing and Still Qigong** Jossey-Bass

The personal story of the former Secretary of State traces her childhood in segregated Alabama, describes the influence of people who shaped her life and pays tribute to her parents' characters and sacrifices. Reprint. A best-selling book.

**The Promise of a Pencil** Crossway

How did a secretary, a firefighter, a retired naval officer, a housewife, a construction worker, a schoolteacher, and a pharmacist become wealthy? Bestselling author Ric Edelman has studied the wealth-making habits of these and 5,000 other ordinary Americans. What he found is revealed for the first time in this book: the eight great secrets to attaining wealth. This extraordinary book is filled with the advice of everyday people--people like your own friends and neighbors--who entered the

world of personal finance, often with no real plan at the start, but who found ways to accumulate astonishing amounts of money. A rich, irreplaceable lifetime of wealthbuilding experience is now at your fingertips. Here you will learn to arrange your finances and make your investment decisions so you can reach your goals and achieve financial security. Including: How to turn your mortgage into a wealth-enhancing tool; Why small investments work better than big ones; How to max out on your employer-sponsored retirement plan; Your investments: when to hold them and when to fold them; Financial news: when to pay attention and when to turn it off; Plus, of course, much, much more. Let your neighbors lend you a hand and let Ric Edelman guide you through their lessons. So come along for an eye-opening journey with thousands of ordinary folks who found their way to extraordinary wealth. Five thousand of your neighbors found hard-won financial success using the same eight secrets to attaining wealth. The lessons they learned through many years of life experience, and lots of trial and error, can now be yours! After studying

the habits of thousands of financially successful people, bestselling author Ric Edelman found that they shared eight fundamental methods for attaining wealth. Now you can adopt these same eight strategies yourself. Let the extraordinary experience of ordinary investors—along with Ric Edelman's expert analysis—help you create your own financial success story.

You are about to experience so many answered prayers that your friends will insist you have ridiculous faith!

Extraordinary Performance from Ordinary People Createspace Independent Publishing Platform

The Holy Spirit is the Hidden Mover behind all personal life transformation and ministry fruitfulness. Though we know the Bible says to walk in the Spirit, the majority of Christians are illiterate (and frankly even nervous) about how to practically live in His power. The result is lives marred by continuing brokenness and ministries plagued by fruitlessness. Jesus made the fullness of His presence in the form of the Spirit the foundation for

the life He has called us to. Believers from Acts understood the ancient path of the Spirit Walk. That extraordinary power was not just for them, but for you also. Field tested around the world, Spirit Walk has helped thousands of ordinary people shift from a fundamental reliance upon methods and strategies-though important-to the essential reliance upon the Spirit who empowers these. Spirit Walk reminds us of the ancient path the Bible teaches and explains it in a practical spiritual discipline: how to S.W.A.P. your control for God's daily. Surrender to His will and His every word Wait on God in prayer Avoid sin Pursue the purpose and promptings of the Spirit Discover how to start on the journey of being filled again and again by the Spirit. But more importantly, learn how to stay full of the Spirit as you abide in Christ throughout the day, and your life. The Spirit Walk must no longer be relegated to a small subset of Christianity but must become the standard operating procedure of ordinary believers again. The Spirit of Jesus is the key to all breakthroughs. Take the journey into the ancient path.
