Products often begin their lives as something extraordinary and as they grow they continue to evolve. The most successful products in the marketplace are those that know their strengths and have branded and marketed those strengths to form a passionate emotional connection with loyal users and relationships with new users every step of the way. In CONTEMPORARY MARKETING, 13e, students will find a text that includes everything they need to know in order to begin a marketing career, as well as things that will help them understand how to look at their own studies and their own careers as a marketing adventure. All the components of the marketing mix are included along with a lot of other compelling and thought-provoking ideas and concepts. Since its first edition, CONTEMPORARY MARKETING continues to showcase the foundations of marketing principles while featuring the newest trends and research in the discipline.

Contemporary Marketing Interactive Text by Boone and Kurtz combines the original textbook with rich multimedia, real-time updates, exercises, self-assessment tests, note-taking tools, and much more. This combination of print and online material provides students with active learning tools and tutorials, and helps instructors shorten preparation time and improve instruction. The Interactive Text offers a complete technology teaching solution that integrates all of the media together in one seamless package - no "assembly" is required. Contemporary Marketing Interactive Text consists of two components: a Print Companion and an Online Companion, seamlessly integrated to provide an easy-to-use teaching and learning experience. The Print Companion is a paperback textbook that includes the core content from the original textbook. All time-sensitive pedagogical features and materials at the end of chapters have been moved from the printed textbook to the Online Companion. The Online Companion provides a dedicated Web site featuring all of the core content from the Print Companion combined with integrated, interactive learning resources, self-assessment tests, note-taking features, and basic course-management tools that enable instructors to create and manage a syllabus, track student self-assessment scores, broadcast notes to students, and send electronic messages to students.
