When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoiled, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

By showing us the true nature of chance and revealing the psychological illusions that cause us to misjudge the world around us, Mlodinow gives us the tools we need to make more informed decisions. From the classroom to the courtroom and from financial markets to supermarkets, Mlodinow's intriguing and illuminating look at how randomness, chance, and probability affect our daily lives will intrigue, awe, and inspire.

It was arguably the greatest fighting force in the entirety of the Great War. They were the very best: hardened, fearless, decorated, cocky fighting men, all veterans of Gallipoli and the Western Front.

Yet this elite force secretly assembled in London in late 1917 remains an enigma even today. Barry Stone tells the story of these Australian, British, New Zealand, Canadian and South African men who were sent to the ethnic powder keg of the Caucasus to preserve British interests. They matched wits with German spies and assassins. They fought the Turks. They dined with sheiks, outraged local mullahs, forged unlikely alliances with Russian Cossacks, helped Armenians flee genocide, and saved the lives of thousands of starving Persians. This book is a rarity: a story set against the backdrop of war, filled not with bloodshed but with acts of kindness and selflessness; a triumph of the human spirit.
