Land of Love and Drowning HarperCollins

Three brand new short stories by Hugo, Nebula & World Fantasy Award nominated author N.K. Jemisin, set in the world of the Inheritance trilogy. From the shadows of the greater stories, away from the bright light of Sky and wending 'round the sagas of the Arameri, come three quieter tales. A newborn god with an old, old soul struggles to find a reason to live. A powerful demon searches for her father, and answers. And in a prequel to the Inheritance Trilogy, a newly-enslaved Nahadoth forges a dark alliance with a mortal, for survival. . . and revenge. Return to the world of The Hundred Thousand Kingdoms in these three interconnected short tales.

She's well on her way when she defies her parents and sneaks off to the mortal realm, which is no place for an impressionable young god. In short order she steals a demon's grandchild, gets herself embroiled in a secret underground magical dance competition, and offends her oldest and most powerful sibling. But for Eino, the young Darren man whom Shill has befriended,

the god-child's silly games are serious business. Trapped in an arranged marriage and prohibited from pursuing his dreams, he has had enough. He will choose his own fate, even if he must betray a friend in the process - and Shill might just have to grow up faster than she thinks.

Go big or go gnome. The New York Times bestselling authors of Kill the Farm Boy welcome you to the world of Pell, the irreverent fantasy universe that recalls Monty Python and Terry Pratchett. "A complete delight, as fluffy and fun as The Lego Movie and as heartfelt as Harry Potter and the Sorcerer's Stone."—Locus War is coming, and it's gonna be Pell. On one side stand the gnomes: smol, cheerful, possessing tidy cardigans and no taste for cruelty. On the other side sit the halflings, proudly astride their war alpacas, carrying bags of grenades and hungry for a fight. And pretty much anything else. It takes only one halfling bomb and Offi Numminen's world is turned upside down—or downside up, really, since he lives in a hole in the ground. His goth cardigans and aggressive melancholy set him apart from the other gnomes, as does his decision to fight back against their halfling oppressors. Suddenly Offi is the leader of a band of lovable misfits and outcasts—from a gryphon who would literally kill for omelets to a young dwarf herbalist who is better with bees than with his cudgel to an assertive and cheerful teen witch with a beard as long as her book of curses—all on a journey to the Toot Towers to confront the dastardly villain intent on tearing Pell asunder. These adventurers never fit in anywhere else, but as they become friends, fight mermaids, and get really angry at this one raccoon, they learn that there's nothing more heroic than being yourself. In No Country for Old Gnomes, Delilah S. Dawson and Kevin Hearne lovingly tweak the tropes of fantasy and fairy tales. Here you'll find goofy jokes and whimsical puns, but you'll also find a diverse, feminist, and lighthearted approach to fantasy that will bring a smile to your face and many fine cheeses to your plate.

A twenty-year-old crime, an accelerated death penalty, and an elitist family cover-up: Nyla races against the death row clock to save a woman the world is rooting for . . . and against. Which side will you choose? Twenty years ago, eighteen-year-old Francis Quick was convicted of murdering her best friend, Cora King, and sentenced to death. Now the highly debated Accelerated Death Penalty Act has passed giving Frankie thirty final days to live. Surprising everyone, one of the King family members sets out to challenge the woefully inadequate evidence and potential innocence of Frankie Quick. The at-first reluctant but soon-fierce Nyla and her unexpected ally—handsome country island boy Sam Stack—bring Frankie's case to the international stage through her YouTube channel, Death Daze. They step into fame and a hometown battle that someone's still willing to kill over. But who? The senator? The philanthropist? The pawn shop owner? Nyla's own mother? Best advice: Don't go to family dinner at the Kings' estate. More people will leave in body bags than on their own two feet. And as for Frankie Quick, she's a gem . . . even if she's guilty. Praise for We Were Kings: "We Were Kings is the best kind of mystery novel—intelligent and bursting with heart. As Nyla untangled her family's secrets, the twists left me breathless."

A long-imprisoned princess and a maidservant in possession of forbidden magic come together to rewrite the fate of an empire in this “fiercely and unapologetically feminist tale of endurance and revolution set against a gorgeous, unique magical world” (S. A. Chakraborty). Exiled by her despotic brother, Malini spends her days dreaming of vengeance while trapped in the Hirana: an ancient cliffside temple that was once the revered source of the magical deathless waters but is now little more than a decaying ruin. The secrets of the Hirana call to Priya. But in order to keep the truth of her past safely hidden, she works as a servant in the loathed regent’s household, biting her tongue and cleaning Malini’s chambers. But when Malini witnesses Priya’s true nature, their destinies become irrevocably tangled. One is a ruthless princess seeking to steal a throne. The other a powerful priestess seeking to save her family. Together, they will set an empire ablaze. “An intimate, complex, magical study of empire and the people caught in its bloody teeth. It’s about resistance and power, histories both personal and political, and the heroes who must become monsters to survive. I loved it.” —Alix E. Harrow, author of The Once and Future Witches “A blade-sharp, triumphant start to what promises to be an exciting series.” —Publishers Weekly

(starred review) “Raises the bar for what epic fantasy should be.”

Three-time Hugo Award-winning and New York Times bestselling author N.K. Jemisin crafts her most incredible novel yet, a “glorious” story of culture, identity, magic, and myths in contemporary New York City. In Manhattan, a young grad student gets off the train and realizes he doesn’t remember who he is, where he’s from, or even his own name. But he can sense the beating heart of the city, see its history, and feel its power. In the Bronx, a Lenape gallery director discovers strange graffiti scattered throughout the city, so beautiful and powerful it’s as if the paint is literally calling to her. In Brooklyn, a politician and mother finds she can hear the songs of her city, pulsing to the beat of her Louboutin heels. And they’re not the only ones. Every great city has a soul. Some are ancient as myths, and others are as new and destructive as children. New York? She’s got six. For more from N. K. Despite graduating high school in Cleveland as valedictorian, Echo immediately struggles to keep up in demanding classes. Dartmouth made many promises it couldn't keep. This remarkable challenge demands vulnerability, humility, and the conviction to ask for help without sacrificing self-worth.
