I Survived the Great Chicago Fire, 1871 (I Survived #11) Simon and Schuster

Eve has a new home, a new face, and a new name-but no memories of her past. She's been told that she's in a witness protection program. That she escaped a dangerous magic-wielding serial killer who still hunts her. The only thing she knows for sure is that there is something horrifying in her memories the people hiding her want to access-and there is nothing they won't say-or do-to her to get her to remember. At night she dreams of a tattered carnival tent and buttons being sewn into her skin. But during the day, she shelves books at the local library, trying to

not let anyone know that she can do things-things like change the color of her eyes or walk through walls. When she does use her strange powers, she blacks out and is drawn into terrifying visions, returning to find that days or weeks have passed-and she's lost all short-term memories. Eve must find out who and what she really is before the killer finds her-but the truth may be more dangerous than anyone could have ever imagined.

Six teens struggle to discover the source of their strange and horrific abilities in this first book of The Star Shards Chronicles. Dillon has the terrifying power to create massive amounts of destruction with the slightest tweak of his will. Deanna is so consumed by fear, it has become like a black hole, drawing to her the very things that terrify her. Then, when the glare of a supernova sixteen light-years away illuminates the night sky, they have a vision: There are six of them out there, all teenagers, and all suffering from supernatural afflictions that disfigure their bodies and souls. Only by finding one another will the six ever be strong enough to defeat these mysterious forces that, bit by bit, are devouring their souls from the inside out. Acclaimed author Neal Shusterman “combines personal quest, horror, and science fiction into an absorbing exploration of good and evil, guilt,

forgiveness and personal responsibility” (VOYA) in this thrilling start to a riveting trilogy. Originally published by Tor Fantasy in 1995.

A dramatic and heartwarming new saga from the bestselling author Yearling

Audrey Whitticomb has nothing to fear. Her mother is the superhero Morning Star, the most deadly crime-fighter in the Twin Cities, so it's hard for Audrey not to feel safe. That is, until she's lured into the sweet night air by something human and not human—something with talons and teeth, and a wide, scarlet smile. Now Audrey knows the truth: her mom doesn't fight crime at night. She fights Harrowers—livid, merciless beings who were trapped Beneath eons ago. Yet some have managed to escape. And they want Audrey dead, just because of who she is: one of the Kin. When an unthinkable betrayal puts Minneapolis in terrible danger, Audrey discovers a wild, untamed power within herself. It may be the key to saving her herself, her family, and her city. Or it may be the force that destroys everything—and everyone—she loves.

Unconventional Warfare (Special Forces, Book 1) Simon and Schuster

In Caroline Bock's *Before My Eyes*, Claire has spent the last few months taking care of her six-year-old sister, Izzy, as their mother lies in a hospital bed. Claire believes she has everything under control until she meets a guy online who appears to be a kindred spirit. Claire is initially flattered by the attention but when she meets Max, the shy state senator's son, her feelings become complicated. Working alongside Max at a beachfront food stand is Barkley. Lonely and obsessive, Barkley has been hearing a voice in his head. Narrated in turns by Claire, Max, and Barkley, *Before My Eyes* captures a moment when possibilities should be opening up, but instead everything teeters on the brink of destruction.

Conspiracy (The Plot to Kill Hitler #1) K.A. Linde Inc.

A stunning debut perfect for fans of Patrick Ness and Neil

Gaiman! The Danék is a wild, treacherous river, and the Fobisher family has tended it for generations—clearing it of ice and weed, making sure boats can get through, and fishing corpses from its bleak depths. Wulliam's father, the current Riverkeep, is proud of this work. Wull dreads it. And in one week, when he comes of age, he will have to take over. Then the unthinkable happens. While recovering a drowned man, Wull's father is pulled under—and when he emerges, he is no longer himself. A dark spirit possesses him, devouring him from the inside. In an instant, Wull is Riverkeep. And he must care for his father, too. When he hears that a cure for his father lurks in the belly of a great sea-dwelling beast known as the mormorach, he embarks on an epic journey down the river that his family has so long protected—but never explored. Along the way, he faces death in any number of ways, meets people and creatures touched by magic and madness and alchemy, and finds courage he never knew he possessed. Martin Stewart's debut novel is an astonishing blend of the literary, the comedic, and the emotionally resonant. In a sentence, it's *The Wizard of Oz* as told by Patrick Ness. It marks the beginning of a remarkable career.

The Domina Speak

"We never saw them coming. Entire cities disappeared in the blink of an eye, leaving nothing but dust and rubble. When an alien race came to make Earth theirs, they brought with them a weapon we had no way to fight, a universe-altering force known as thelemity. It seemed nothing could stop it--until we discovered we could wield the power, too. Five hundred years later, the Earth is locked in a grinding war of attrition"--

A Countess Below Stairs K.A. Linde Inc.

In 2013, sixteen-year-old Alora is having blackouts. Each time she wakes up in a different place with no idea how she got there. The one thing she is certain of? Someone is following her. In 2146, seventeen-year-old Bridger is one of a small number of people born with the ability to travel to the past. While on a routine school time trip, he sees the last person he expected—his dead father. The strangest part is that, according to the Department of Temporal Affairs, his father was never assigned to be in that time. Bridger's even more stunned when he learns that his by-the-book father was there to break the most important rule of time travel—to prevent someone's murder. And that someone is named Alora. Determined to discover why his father wanted to help a "ghost," Bridger illegally shifts to 2013 and, along with Alora, races to solve the mystery surrounding her past and her connection to his father before the DTA finds him. If he can stop Alora's death without altering the timeline, maybe he can save his father too. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Eat Well on \$4/Day K.A. Linde

Being a member of the Elite Hunter Command imperils Joy in more ways than one. In their latest clash with Othersiders, the army of monsters nearly wiped them out. Apex City is safe...for now. But within the city barriers, Joy must wage a different kind of war. The corrupt and powerful PsiCorps is determined to usurp the Hunters as chief defenders of Apex City and Joy is now squarely in their crosshairs. Unused to playing political games, she has very few people she can truly trust—not even Josh, her first friend in Apex City, who broke up with her when it became too dangerous for a Psimon to be dating a Hunter. Then Josh comes to Joy for help. He fears that Abigail Drift, the head of PsiCorps, will soon use him in her twisted experiments designed to empower PsiCorps and render Hunters superfluous—a scheme that's already killed off dozens of Psimons. Joy manages to smuggle Josh to safety, but he cannot evade Drift forever... As Joy faces ever more powerful Othersiders, she is helped by the most surprising ally imaginable—the same Folk Mage she once met in battle on the train to Apex City. But can Joy trust the most cunning and treacherous of all Othersiders? In the thrilling finale to Mercedes Lackey's #1 New York Times bestselling trilogy, Joy must risk everything to end a brutal war...before she loses all she's ever loved.

The *Mortal Instruments Companion*, a must-read guide to the wildly popular *Mortal Instruments* series, is a terrific gift for the millions of fans both young and old—especially with the Sony

Pictures film version of *City of Bones*, the first book in the series, hitting theaters in August 2013. Written by the New York Times bestselling author of *The Twilight Companion* and *The Hunger Games Companion*, the book takes fans deeper into the world of the Shadowhunters created by Cassandra Clare—a gritty urban fantasy world full of demon hunters into which Clary Fray, a Brooklynite previously unaware of the magical world, is suddenly and inexplicably pulled. The *Mortal Instruments Companion* includes fascinating background facts about the action in all seven books, a revealing biography of the author, and amazing insights into the series' major themes and features—from the nature of evil and the Downworlders, to the power of the Sight, to the *Mortal Instruments* themselves. It's everything fans have been hungering for since the very first book! This book is not authorized by Cassandra Clare, Margaret K. McElderry Books, or anyone involved in the *City of Bones* movie.

Dragons, wicked magic tournaments, and generations of prophecy come together for this explosive fourth book in this lush fantasy series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." War is on the horizon. All while a new power grows strong, threatening the very balance of good and evil. Desperate to save her homeland, Cyrene goes in search of the dragons that may be the key to ending this battle—and heal her dying friend. Can Cyrene master her magic to save the world?

Her Dark Curiosity Harper Collins

Inspired by *The Strange Case of Dr. Jekyll and Mr. Hyde*, this tantalizing sequel to Megan Shepherd's gothic suspense novel

The Madman's Daughter explores the hidden natures of those we love and how far we'll go to save them from themselves. Perfect for fans of Libba Bray. Back in London after her trip to Dr. Moreau's horrific island, Juliet is rebuilding the life she once knew and trying to forget her father's legacy. But soon it's clear that someone—or something—hasn't forgotten her, as people close to Juliet start falling victim to a murderer who leaves a macabre calling card of three clawlike slashes. Has one of her father's creations also escaped the island? As Juliet strives to stop a killer while searching for a serum to cure her own worsening illness, she finds herself once more in a world of scandal and danger. Her heart torn in two, her past bubbling to the surface, and her life threatened by an obsessive killer—Juliet will be lucky to escape alive.

Between the Spark and the Burn Workman Publishing
Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new,

explosive fiction series based on the real-life, top-secret history of US black ops.

Three Sides of a Heart: Stories About Love Triangles Little, Brown Books for Young Readers

Half Truths follows Gabriel's story from the time he arrives Switzerland, seeking help in recovering his magical powers from the conniving Black Witch Mercury, and goes up until the moment when he first meets Nathan and their paths become forever intertwined. For the new reader, this is the perfect bite-sized introduction to the world of Half Bad, where witches and humans live alongside one another. And for the returning reader, this story sheds new light on one of the trilogy's most beloved characters.

Ignite Me Penguin

A lush evocative fantasy continuation to the stunning Ascension series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." Cyrene Strohm is a Queen's Affiliate, a high-ranking official of the court of Byern, with power and privilege to spare. But she's also a keeper of dangerous secrets: like the fact that she holds the heart of the King, and that she possesses magic in a world where magic no longer exists. Determined to discover what this means and how to use her newfound abilities, Cyrene sets off for the distant land of Eleysia. An island nation where Affiliates are strictly forbidden from entering. But the journey is perilous, and the destination may mean utter ruin, as Cyrene comes to learn that everything she's been told her whole life - about her court, her homeland, and even herself--are bound in a beautiful lie.
