MALONE JANIAH

Drama, Prose, Poetry CreateSpace

Heiner Muller lived through Germany's tumultuous history from Hitler's rise through Soviet occupation to the building and eventual demolition of the Berlin Wall. One of his earliest memories was of his father being beaten by Brownshirts and taken away to a concentration camp; later, Muller chose to stay in the Soviet Zone even when his father defected to the West. His work presents a phantasmagoric vision of culture and history. Though a committed Marxist, Muller loathed the East German government, and his works were often censured for their caustic portrait of a Germany whose history was an unending act of division and violence.

The Yeats Reader Oxford University Press on Demand

The Handbook for Literary Analysis: How to Evaluate Prose Fiction, Drama, and Poetry reclaims the metaphor, rhetoric, and literary analysis. It has a high view of the reader, the critic, and the student. This Handbook explains and illustrates a wide range of significant literature. Readers explore inspired examples, including biblical examples. Finally, readers read real literary analytical essays by American high school students. "Dr. Stobaugh's Handbook is an outstanding resource for educators and the students. Over the past several decades, the influence of literature produced by Christians has significantly declined I highly recommend it." Ray Traylor, Homeschool Dad. "This book is appropriate for junior high students through adults." Cathy Duffy, homeschool review guru." *Vista* Stenhouse Publishers

The Yeats Reader is the first single volume to encompass the full range of William Butler Yeats's talents. It presents over a hundred and fifty of Yeats's best-known poems, plus eight plays, a sampling of his prose tales, and excerpts from his published autobiographical and critical writings. In addition, an appendix offers six early texts of poems that Yeats later revised. Also included are selections from the memoirs left unpublished at his death and complete introductions written for the unpublished Scribner Edition of his collected works. The Yeats Reader also includes detailed notes and a chronology of the life.

An Introduction to Fiction, Poetry, Drama, and Writing Syracuse University Press

Digital Literary Studies presents a broad and varied picture of the promise and potential of methods and approaches that are crucially dependent upon the digital nature of the literary texts it studies and the texts and collections of texts with which they are compared. It focuses on style, diction, characterization, and interpretation of single works and across larger groups of texts, using both huge natural language corpora and smaller, more specialized collections of texts created for specific tasks, and applies statistical techniques used in the narrower confines of authorship attribution to broader stylistic questions. It addresses important issues in each of the three major literary genres, and intentionally applies different techniques and concepts to poetry, prose, and drama. It aims to present a provocative and suggestive sample intended to encourage the application of these and other methods to literary studies. Hoover, Culpeper, and O'Halloran push the methods, techniques, and concepts in new directions, apply them to new groups of texts or to new questions, modify their nature or method of application, and combine them in innovative ways.

Active Learning in Literature Palgrave Macmillan

In the second edition of Reading with Meaning, Debbie Miller shares her new thinking about comprehension strategy instruction, the gradual release of responsibility instructional model, and planning for student engagement and independence. It has been ten years since the first edition, in which Debbie chronicled a year in her own classroom. Reading with Meaning, Second Edition supports that work and expands her vision of strategy instruction and intentional teaching and learning. Debbie believes that every child deserves at least a full year of growth during each classroom year and offers planning documents with matching assessments to ensure that no child

falls through the cracks. The second edition also provides new book recommendations that will engage and delight students, and current picture books for reading aloud and strategy instruction. This new edition reflects Debbie's professional experiences and judgment, her work in classrooms and collaboration with colleagues, and the current research in the field, showcasing her newest, best thinking.

An Anthology of Prose, Poetry, Drama and Fiction Yeats's Poetry, Drama, and Prose
 Authoritative Texts, Contexts, Criticism

Exploring the Language of Poems, Plays and Prose examines how readers interact with literary works, how they understand and are moved by them. Mick Short considers how meanings and effects are generated in the three major literary genres, carrying out stylistic analysis of poetry, drama and prose fiction in turn. He analyses a wide range of extracts from English literature, adopting an accessible approach to the analysis of literary texts which can be applied easily to other texts in English and in other languages.

Sapphire's Sampler Harpercollins

ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR • "A darkly incantatory tragicomedy of love and betrayal ... Beautifully paced, emotionally wise." —The Boston Globe In the dark waiting room of the ferry terminal in the sketchy Spanish port of Algeciras, two aging Irishmen—Maurice Hearne and Charlie Redmond, longtime partners in the lucrative and dangerous enterprise of smuggling drugs—sit at night, none too patiently. The pair are trying to locate Maurice's estranged daughter, Dilly, whom they've heard is either arriving on a boat coming from Tangier or departing on one heading there. This nocturnal vigil will initiate an extraordinary journey back in time to excavate their shared history of violence, romance, mutual betrayals, and serial exiles. Rendered with the dark humor and the hardboiled Hibernian lyricism that have made Kevin Barry one of the most striking and admired fiction writers at work today, *Night Boat to Tangier* is a superbly melancholic melody of a novel, full of beautiful phrases and terrible men.

Prose, Poetry, Politics, 1948-1998 Grove Press

The last decades have seen an explosion of the prose poem. More and more writers are turning to this peculiarly rich and flexible form; it defines Claudia Rankine's *Citizen*, one of the most talked-about books of recent years, and many others, such as Sarah Howe's *Loop of Jade* and Vahni Capildeo's *Measures of Expatriation*, make extensive use of it. Yet this fertile mode which in its time has drawn the likes of Charles Baudelaire, Oscar Wilde, T. S. Eliot, Gertrude Stein and Seamus Heaney remains, for many contemporary readers, something of a mystery. The history of the prose poem is a long and fascinating one. Here, Jeremy Noel-Tod reconstructs it for us by selecting the essential pieces of writing - by turns luminous, brooding, lamentatory and comic - which have defined and developed the form at each stage, from its beginnings in 19th-century France, through the 20th-century traditions of Britain and America and beyond the English language, to the great wealth of material written internationally since 2000. Comprehensively told, it yields one of the most original and genre-changing anthologies to be published for some years, and offers readers the chance to discover a diverse range of new poets and new kinds of poem, while also meeting famous names in an unfamiliar guise.

The Major Works of Prose, Poetry and Drama from China, India, Japan, Korea and the Middle East CreateSpace

This book is intended for students of English literature at A' level and above; general readers interested in a complete history of literature from Middle English to the earlier twentieth century.

Poetry, Prose and Drama Foundation Books

Throughout his long life, William Butler Yeats -- Irish writer and premier lyric poet in English in this century -- produced important works in every literary genre, works of astonishing range, energy, erudition, beauty, and skill. His early poetry is memorable and moving. His poems and plays of middle age address the human condition with language that has entered our vocabulary for

cataclysmic personal and world events. The writings of his final years offer wisdom, courage, humor, and sheer technical virtuosity. T. S. Eliot pronounced Yeats "the greatest poet of our time -- certainly the greatest in this language, and so far as I am able to judge, in any language" and "one of the few whose history is the history of their own time, who are a part of the consciousness of an age which cannot be understood without them." The *Yeats Reader* is the most comprehensive single volume to display the full range of Yeats's talents. It presents more than one hundred and fifty of his best-known poems -- more than any other compendium -- plus eight plays, a sampling of his prose tales, and excerpts from his published autobiographical and critical writings. In addition, an appendix offers six early texts of poems that Yeats later revised. Also included are selections from the memoirs left unpublished at his death and complete introductions written for a projected collection that never came to fruition. These are supplemented by unobtrusive annotation and a chronology of the life. Yeats was a protean writer and thinker, and few writers so thoroughly reward a reader's efforts to essay the whole of their canon. This volume is an excellent place to begin that enterprise, to renew an old acquaintance with one of world literature's great voices, or to continue a lifelong interest in the phenomenon of literary genius.

Yeats's Poetry, Drama, and Prose Authoritative Texts, Contexts, Criticism W. W. Norton & Company

An Irish Literature Reader Routledge

This brand new collection, impeccably edited by James Pethica, presents a comprehensive selection of Yeats's major contributions in poetry, drama, prose fiction, autobiography, and criticism.

A Collection of Narratives W. W. Norton & Company

The Nobel Prize-winning playwright and political activist offers a personal selection of his poetry, prose, and political writings.

The Yeats Reader, Revised Edition Simon and Schuster

In a volume that has become a standard text in Irish studies and serves as a course-friendly alternative to the Field Day anthology, editors Maureen O'Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature, including Old Irish epic and lyric poetry, Irish folksongs, and drama. For each author the editors provide a biographical sketch, a brief discussion of how his or her selections relate to a larger body of work, and a selected bibliography. In addition, this new volume includes a larger sampling of women writers.

Contemplations II (Periyar University) Penguin UK

For introductory courses in Literature. Cultivates a love of literature and an understanding of effective writing Literature: An Introduction to Fiction, Poetry, Drama, and Writing introduces students to the appreciation and experience of literature in its major forms - and develops their abilities to think critically and communicate effectively through, and about, writing. Authors X.J. Kennedy and Dana Gioia aim to help readers develop sensitivity to language, culture, and identity, see beyond the boundaries of their own selves, and view the world through the eyes of others. Each of the first three sections is devoted to one of the major literary forms of fiction, poetry, and drama; the fourth is a comprehensive introduction to critical writing. The 14th Edition of this trusted resource has been revised throughout for clarity and accessibility, and all chapters have been updated with a more visual appeal for current students. Packed with a variety of popular and provocative stories, poems, plays, and critical prose, it includes exciting and often-surprising contemporary selections. Every chapter has been reviewed and updated with relevant cultural references.
