The Grace Message  
Windblown Media  
You'll Never Make a  
Decision the Same Way  
Again Should I take this  
job? Buy this house?  
Marry this person? We ask  
questions every day about  
the choices we face. But  
are we asking the most  
important question of all?  
In Ask It, Andy Stanley  
identifies the one

question that makes it  
easy to determine the  
answer to all other  
questions. You'll learn  
how to make decisions  
with confidence simply by  
applying the question that  
brings clarity to life's most  
challenging decisions.  
The Grace of God Simon  
and Schuster  
A fresh look at the earliest  
Christian movement  
reveals what made the  
new faith so  
compelling...and what we  
need to change today to

make it so again. Once  
upon a time there was a  
version of the Christian  
faith that was practically  
irresistible. After all, what  
could be more so than the  
gospel that Jesus ushered  
in? Why, then, isn't it the  
same with Christianity  
today? Author and pastor  
Andy Stanley is deeply  
concerned with the  
present-day church and  
its future. He believes  
that many of the solutions  
to our issues can be found  
by investigating our roots.

In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite

reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we

must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

**A Grace-Full Life** Moody Publishers

Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says.

Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. Good People Go to Heaven...Don't They? Sure they do. It only makes sense. Actually, it doesn't really make any sense at all. Smart, educated, accomplished men and women everywhere are banking

their eternities on a theory that doesn't hold water. Chances are, you've never really thought it through. But you owe it to yourself to do so. Find out now what's wrong with the most popular theory about heaven—and what it really takes to get there. *Ask It* Thomas Nelson Inc Everybody ends up somewhere in life. Wouldn't you like to end up somewhere on purpose? What breaks your heart? What keeps you up at night? What

could be that should be? Andy Stanley believes these questions are bread crumbs that lead to the discovery of personal vision. With down-to-earth practicality, Andy extracts principles from the story of Nehemiah to help you discover your purpose in life. Visioneering includes helpful exercises and time-tested ideas for visionary decision-making, personal growth, and leadership at home and at work. Catch a glimpse of God's incredible vision for your life, relationships, and business—and

discover the passion to follow it. Includes discussion guide for use in small groups.

The New Rules for Love, Sex, and Dating

Multnomah

Is it possible to disagree politically and love unconditionally? The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most. Lurking beneath our Bible-laced rhetoric, faith claims, books, and sermons is a relentless drive to WIN! But the church is not here to win.

By every human measure, our Savior lost. On purpose. With a purpose. And we are his body. We are not in it to win anything. We are in it for something else entirely. That something else is what this book is about. You'll discover: How to take a stand the right way. You'll learn how to make your case with a posture of humility and understanding, rather than being fueled by the fear of losing something. How to view politics through the lens of faith. Learn curiously, listen

intentionally, and love unconditionally. How the life of Jesus and his teaching applies to modern-day challenges in a fresh way. The "biblical" stand may not be what we've been taught. Jesus never asked his followers to agree on everything. But he did call his followers to obey a new command: to love others in the same way he has loved us. Instead of asserting our rights or fighting for power, we need to begin asking ourselves: what does love require of me?

*Irresistible* Zondervan  
High-powered executive Steven Kerner is living the dream in southern California. But when his bottled pain ignites in anger one night, his wife kicks him out. Then an eccentric mystery man named Andy Monroe befriends Steven and begins unravelling his tightly wound world. Andy leads Steven through a series of frustrating and revealing encounters to repair his life through genuine friendship and the grace and love of a God who has been waiting

for him to accept it. A story to challenge and encourage, BO'S CAFE is a model for all who struggle with unresolved problems and a performance-based life. Those who desire a fuller, more authentic way of living will find this journey of healing a restorative exploration of God's unbridled grace. *Not in It to Win It* The Grace of God CBA BESTSELLER • Break free from the destructive power of guilt, anger, greed, and jealousy. Includes a six-week discussion guide. "Andy

Stanley touches the right nerve at the right time."—Shaunti Feldhahn, bestselling author of *For Women Only* and *For Men Only* Divorce. Job loss. Estrangement from family members. Broken friendships. The difficult circumstances you are dealing with today are likely being fed by one of four emotional forces that compels you to act in undesirable ways, sometimes even against your will. Andy Stanley explores each of these destructive forces—guilt, anger, greed, and

jealousy—and how they infiltrate your life and damage your relationships. He says that, left unchallenged they have the power to destroy your home, your career, and your friendships. In *Enemies of the Heart*, Andy offers practical, biblical direction to help you fight back, to take charge of those feelings that mysteriously control you, and to restore your broken relationships. Shines a practical light on the spiritual disciplines that have been in use since the time of Abraham. In a sense, every day of our lives is labor. It is questionable if you can ever be exactly the same person waking up on two consecutive days. How are spiritual sojourners to cope with the constant change? Many are beginning to explore the ancient

Christian spiritual practices that have been in use for centuries, everything from fixed-hour prayer to fasting to sincere observance of the Sabbath. What is causing this hunger for deeper spirituality? Brian McLaren guides us on this quest for an explanation of these spiritual practices, many of which go all the way back to Abraham and the establishment of Israel. In the midst of contemporary Christianity, we discover the beauty of these ancient disciplines and

the transformation through Christ that each can provide. Why have certain spiritual disciplines been in use for centuries and why is it important? It is questionable if one can ever be exactly the same person waking up on two consecutive days. How are spiritual sojourners to cope with the constant change? Many are beginning to explore the ancient Christian spiritual practices, such as fixed-hour prayer, fasting and sincere observance of the Sabbath. What is causing

this hunger for deeper spirituality? Brian McLaren guides us on this quest for an explanation of these spiritual practices, many of which go all the way back to Abraham and the establishment of Israel. In the midst of contemporary Christianity, we discover the beauty of these disciplines and the transformation through Christ that each can provide.

*Bo's Café* Thomas Nelson  
Grace is a dangerous topic. We want to domesticate it, calm it

down, and stuff it into a blue blazer and a pair of khakis. But biblical grace—or charis—doesn't like to settle down. Grace is a dangerous topic because the Bible is a dangerous book. Scandalous Grace flows from the author's half dozen years of teaching the Old Testament to college students. You might think that would produce a book about judgment – but he shows how every character, every event, every single page of the Old Testament bleeds grace.

Rather than looking for heroes to emulate – readers discover a gracious God who loves to redeem the unredeemable.

### **Visioneering, Revised and Updated Edition**

Multnomah

Salvation and grace are instrumental to Christian life and thought. Do we really understand what has been done for us in Christ? A debt that we could not pay has been paid in full! What freedom! In the personable style of this great preacher/teacher,

this study focuses on truths about grace.

**The Applause of Heaven**

Thomas Nelson His Will and Mine: Pleasing Benefits of Joyful Service to the Lord explains the terms and conditions of our existence before, during and after rebirth. The book gives reasons why this is possible for undeserving, sinful creatures like ourselves. Says author Andy Reddick, When making ourselves a living sacrifice, holy and acceptable to God, we

conform to His will as God orchestrates, but we find ourselves at peace, fully enjoying the enrichment process that changes us through His grace.

Originality is featured as we serve and praise Him in complete happiness. Our perfection was lost as a result of once exercising free choice against God's will, but we are pardoned for this offense and all others. Therefore, excuses for hanging onto our own selfish agenda are lame. In the rebirth regeneration, Jesus allows us an alternative that

delivers us away from the cursed world. This wonderful gift of salvation is a binding process with the most solid foundation in the universe, and the choice to subscribe to it is ours. From a state of being spiritually dead, we are raised to life and awakened to a magic kingdom with a joyful future, so notes the book His Will and Mine.

**Faith, Doubt, and Other Lines I've**

**Crossed** Abingdon Press Every Christian struggles with sin and wants to be victorious in the fight.

Higher life theology--also known as Keswick theology--offers a quick fix for this struggle. It teaches that there are two categories of Christians: those who are merely saved, and those who have really surrendered to Christ. Those who have Jesus as their Savior alone, and those who have him as their Master as well. If Christians can simply "let go and let God" they can be free of struggling with sin and brought to that higher level of spiritual life. What could be wrong

with that? A lot, it turns out. In *No Quick Fix*, a shorter and more accessible version of his book *Let Go and Let God?*, Naselli critiques higher life theology from a biblical perspective. He shows that it leads not to freedom, but to frustration, because it promises something it has no power to deliver. Along the way, he tells the story of where higher life theology came from, describes its characteristics, and compares it to what the Bible really says about

how we overcome sin and become more like Christ.

This practical and inspirational book explores the principle of sowing and reaping and moves the reader beyond fear and guilt about giving and into confidence, security, and excitement.

### **Give Them Grace**

Multnomah

It is what you've always dreamed but never expected. It's having God as your dad, your biggest fan, and your best friend. It's having the King of Kings in your cheering

section; it's hearing the applause of heaven. Max Lucado believes that the Beatitudes provide what we truly need to discover: the joy of God. Much more than a how-to book on happiness, *The Applause of Heaven* is an encounter with the Source of Joy. [The Principle of the Path](#) Crossway  
Your Direction, not Your Intention, Determines Your Destination. There is often a tension between where we want to end up in life and the path we choose to get there. We fail to see that having

good intentions is never good enough. Like Charlie Brown, we wrongly believe there's something to be said for trying hard. We need to understand why, in spite of our good intentions, we may have ended up at the wrong destination with our finances, our marriages, our careers, or a host of other dreams. So how do we get from where we are to where we truly want to be? *The Principle of the Path* is a road map to proper direction and discipline. Includes Extensive Study Guide.

**The Principle of the Path** InterVarsity Press  
The only way to change culture is to create culture. Andy Crouch unleashes a stirring manifesto calling Christians to be culture makers. He unpacks the complexities of how culture works and gives us tools for cultivating and creating culture in partnership with God's own making and transforming of culture. [Am I Good Enough?](#) David C Cook  
The Grace of God Thomas Nelson

## Who Needs Christmas

**Study Guide** Thomas Nelson Inc

In the bestselling tradition of *Inside of a Dog* and *Marley & Me*, a smart, illuminating, and entertaining read on why the dog-human relationship is unique--and possibly even "spiritual." Dr. Andrew Root's search for the canine soul began the day his eight-year-old son led the family in a moving Christian ritual at the burial service for Kirby, their beloved black lab. In the coming weeks, Root

found himself wondering: What was this thing we'd experienced with this animal? Why did the loss hurt so poignantly? Why did his son's act seem so right in its sacramental feel? In *The Grace of Dogs*, Root draws on biology, history, theology, cognitive ethology (the study of animal minds), and paleontology to trace how in our mutual evolution, humans and dogs have so often helped each other to become more fully ourselves. Root explores questions like: Do dogs have souls? Is it

accurate to say that dogs "love" us? What do psychology and physiology say about why we react to dogs in the way that we do? *The Grace of Dogs* paints a vivid picture of how, beyond sentimentality, the dog-human connection can legitimately be described as "spiritual"--as existing not for the sake of gain, but for the unselfish desire to be with and for the other, and to remind us that we are persons worthy of love and able to share love. In this book for

any parent whose kids have asked if they'll see Fido in Heaven, or who has looked their beloved dog in the face and wondered what's going on in there, Dr. Root delivers

an illuminating and heartfelt read that will change how we understand man's best friend.
