How would one know their role and life purpose unless one receives clear and practical instructions of what God wants and expects of him or her? Here comes the need for Prophethood. Thus, God has sent thousands of Messengers and Prophets to mankind to convey His Message and communicate to us. Every nation on Earth received a Prophet. They all preached the same general Message that there is only one deity worthy of worship. He is the One and Only God, without a partner, son, daughter, or equal. God sent Messengers and Prophets to guide humanity from

worshipping created beings and to worship their Creator, the Creator of all things. The Prophets came to teach their people about who their Creator is, how to build a relationship with Him, and how to love Him. The Prophets taught their people that life is only a test, where the successful will enter Paradise eternally, and the unsuccessful will enter the ultimate punishment in the afterlife. Out of the Infinite Mercy and Love of God, God continued to send Messengers with Books from God to guide humanity-- starting with Prophet Adam, including Noah, Abraham, Ishmael, Jacob, Moses, Prophet Jesus, and Prophet Muhammad, peace be upon them all. Many of the Prophets are found in Jewish and Christian traditions. All the previous Messengers and Books other than the Holy Quran and Prophet Muhammad were sent down only to a specific group of people and were only meant to be followed for a particular period. For example, Prophet Jesus, peace be upon him, was one of God's mightiest Messengers, who was sent down with the same general Message of all the previous Prophets but was only sent to the Children of Israel-the nation that lived before us, as their final Prophet because they were disobeying the commandments of God and veering away from the laws sent down by the previous Messenger, Moses, peace be upon him. Whenever God

would send Messengers with Revelation, after they passed, people would distort and change the Revelations of God. What was pure Revelation from God-- would be polluted with myths, words of men, superstitions, irrational philosophical ideologies, and idol worship. The religion of God was lost in a plethora of religions. Such as how Prophet Jesus, peace be upon him, was sent to reform the previous Message sent before him by the previous Messenger, Moses, peace be upon him. Prophet Muhammad came to reform Prophet Jesus' Message since it was distorted by his followers and did not survive in its original form. When humanity was in the depth of the dark ages, God the Almighty sent his last and final Messenger to mankind, Prophet Muhamad, peace be upon him, and his final Revelation, the Holy Quran, to redeem humanity. The Holy Quran and the final Messenger, peace be upon him, affirmed everything that was revealed to all the previous Messengers in the past. Unlike the past Messengers and Books, Prophet Muhammad, peace be upon him, was sent to all of humanity, and there will be no Messenger or Prophet after him, nor will there be a Book after the Holy Quran, as both are meant to be followed by all people, not just a particular group of people, nor are they meant for a particular timeframe; both are meant to be followed by everyone

until the end of time. Prophet Muhammad-A summarized story of God's Last and Final Prophet aims to introduce Prophet Muhammad, peace be upon him, derived from early Islamic Sources, helping you better understand who Prophet Muhammad, peace be upon him was and to instill a love for him. Studying the story and life of Prophet Muhammad, peace be upon him, is the best way to develop that love for our Prophet. Studying the life of Prophet Muhammad, peace be upon him, is an obligation given to us by our Creator and helps us better understand God's final Book, the Holy Quran, and its context.

The Spiritual Leader explains with copious evidence the views held by other religions too that the truth La Ilaha Illallah, that being the lifeline of Tawheed and that there is no Ilah (creation) but Allah. He has thrown a challenge to anyone who can disprove this truth offering a handsome reward. Until now no one has come forward to take up his challenge. Allah is an arbitrary name and it does not point to something static or stationery. This name denotes something beyond time and space and the reach of human knowledge and has manifested as the whole universe. If one becomes aware of this truth, peace and tranquility will be eternal in his heart and mind.

The path to achieve revival and resume the Islamic way of life is a path adorned with struggles and challenges at all stages. It is a work that requires Nafsiyas (Islamic Disposition) that are unrivalled and elevated, formidable and purified. The way to achieve this is by strengthening the connection and relationship to Allah (swt), the Lord of the worlds and all creation. He Subhanahu must be relied upon alone for help and full Tawakkul must be placed upon Him alone, whilst the attainment of His pleasure must be made the highest aim of this life. It is necessary to reawaken the Nufoos (hearts) with Taqwa of Allah (swt) and obedience to Him, with the fear of His punishment and yearning for His gardens of paradise The one who carries the Da'wah is in the greatest need of being obedient to Allah (swt) and to stand firmly upon His Deen. If he was to do that then the Dunya would become insignificant in front of his eyes, the affair of the disbelievers would be diminished before him and the difficult matters would become easier. Across 12 Chapters, the author in this book has made a collection of Qurabaat (Acts of gaining closeness to Allah (swt)) and Taa'aat (Acts of obedience pleasing to Allah (swt)), which generate the Jaw Al-Imani (Atmosphere of Iman) within the Da'wah carrier and increase the realisation of his relationship and connection to Allah (swt) Ta'ala.

I believe there is a great need in the whole world for the correct interpretation of the Holy Quran and Hadith to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran and Hadith among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran and Hadith. With the grace of Allah, I have completed the interpretation of the Holy Quran with 84 books, and Hadith with 7 books. The series of the interpretation of the hadith consist of 7 books that are Virtues of Tabligh or Dakwah, Virtues of Solat, Virtues of Solat Tahajud, Virtues of The Holy Quran, Virtues of Charity, Virtues of Ramadhan and Virtues of Pilgrimage. Among all the 7 above orders of Allah, the first 5 books focus on the order of Allah that should be done daily, fasting should be done in the month of Ramadhan every year and pilgrimige to Mekah should be done once in a lifetime for those who are able to do it financially, healthy and safely and all these orders are to be done in the way of Prophet Muhammad saw and with the intention to please Allah. Besides the 84 books on the interpretation of the Holy Quran, these 7 books of Hadith should be read daily in every mosque and in every house in the whole entire world in order to have the correct mindset on the orders of Allah, and when the mankind will practice all the orders of Allah what has been mentioned in the Holy Quran and Hadith in the way shown by Prophet Muhammad saw and with the intention to please Allah, only then the entire mankind will have the correct belief in Allah and in the orders of Allah. When the entire mankind have the correct belief and mindset towards Allah and the orders of Allah, only then the entire mankind will have the correct actions or deeds. When the entire mankind will have the correct deeds only then the entire mankind in this world will be able to live with peace and happiness in this world and the hereafter. Prof. Nasoha Bin Saabin

Soul of the Qur'an-Volume 1 Andrei Besedin

When was the last time we really poured our feelings out to Allah? **** We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a 'barrier' between Allah and us. The things we recite are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. **** In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.

The pristine beliefs of the early Muslims are preserved in this vitally important masterpiece written by one of the most outstanding scholars of our time, Shaykh Muhammad Ibn Saalih al Uthaimeen. This new revised edition by Dar-us-Salam has been printed in full color with hardback bounding for an excellent presentation. Seven clear principles and their evidences from the Book and the Sunnah guide the reader through the confusion and false claims of the ignorant to the clarity of belief in Allah's Names accomplished by the righteous early scholars of Islam. Principle 6 contains the shaikh's compilation of the ninety-nine (99) names of Allah. The names have been compiled into 2 categories: first from the Book of Allah & second from the Sunnah of the Prophet (S). All the names have been printed in Arabic with transliteration and English translation. Each name is printed beautifully in a square box with 6 boxes on a page. Seven more principles and their evidences follow, giving the reader firm understanding of the correct beliefs about Allah's Attributes. Four more principles outline the correct approach in studying the related proofs and evidences. All of this leads the reader into an enthralling series of refutations of the false notions of the Ash'aree sect, a text-by-text breakdown of how and why they went wrong in a careful and precise study of fifteen texts from the Book and the Sunnah. The beliefs of the Ash'aree sect are destroyed and the origins of their deviation are exposed for all to see.

This book is about the history of the conflict between Shia sects, how different sects originated and

what are the basic beliefs of world known Usuli Shia sect i.e. State religion of Iran, and how it differs from the True Shia religion. Usuli sect was founded only 10 centuries ago, and only 5 or 6 so-called Shia scholars accepted it in 4th and 5th Hijra century. After that for many centuries Shia scholars and public hated this man-made religion. Only few centuries ago Allama Hilli and his company propagated it again, and he was the first to call himself Ayatollah (which is forbidden in Islam). Baqir Behbahani used power and all other tactics to suppress the Shia religion and occupied shia institutions and mosques, so Usuli sect dominated. What are the true teachings of Shia Islam. The religion presented and practiced by Iranian government is not the Tru Shia Islam, infact they are the biggest enemies of Allah, Infallibles asws and Muslims.
