Country Report Peter Lang GmbH,

Internationaler Verlag Der

Wissenschaften

Die arabischen Golfstaaten - Bahrain, Kuwait, Oman, Qatar, Saudi-Arabien, und

Vereinigte Arabische Emirate - nehmen

unter den Entwicklungslandern eine

deutliche Sonderstellung ein: Anders als

die Mehrzahl der Entwicklungslander

verfugen sie trotz der aktuell

gesunkenen Oleinnahmen uber

insgesamt umfangreiche

Finanzierungsmoglichkeiten, bei den

durchweg geringen Bevölkerungszahlen

dagegen kaum uber ein hinreichend

grosses (und qualifiziertes)

Arbeitskraftepotential. Das

Entwicklungsziel aber ist die rasche

Diversifizierung der Wirtschaft unter der

allgemeinen Wachstumsperspektive. Vor

diesem Hintergrund stellt sich die

vorliegende Arbeit die Aufgabe einer

kritischen Uberprufung der bisher in den

arabischen Golfstaaten zur

Zielerreichung verfolgten

Entwicklungsstrategien. Dabei stehen

auch die bekannten

entwicklungsstrategischen Ansätze der

Theorie der Entwicklungspolitik auf dem

Prufstand."

### **Agency Procedure in the Gulf**

**Cooperation Council States** Routledge

Thoroughly expanded and updated, this

guide covers Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the United Arab

Emirates. Features include

accommodation and restaurant

suggestions for all budgets,

comprehensive political and historical

notes, and other invaluable information

about post-war Kuwait. There is

coverage of Saudi Arabia's rich

archaeological heritage, a significantly

expanded chapter on Oman and the

recently-opened Musandem Peninsula,

plus tips for buying Bedouin silver.

Reise Know-How Verlag Peter Rump

Describes the geography, economy,

government, society, cultural life, and

history of the Persian Gulf states,

including Kuwait, Qatar, Bahrain, Oman,

and the United Arab Emirates.

*Conflict and Change in the Persian Gulf*

Rand Corporation

This report divided in 10 chapters. It

deals in the first chapter with corporate

organizations, including subjects such

as: where locating your office, staff

qualifications, working with agents and

distributors, keeping out of trouble,

receivables and getting paid. In the

second chapter, entitled "Risk

assessment and corporate security", the

main subjects are: boycott legislation,

terrorism and the threat of being

hijacked, payments risks, Dos and don'ts

of corporate survival. The other 8

chapters contain information on the

investment option, management,

productivity and manpower, transfer of

technology and know-how, Gulf financial

markets, countertrade and oil barter, merchandising and franchising, the legal environment taxation and the Gulf Cooperation Council

*Kulturschock* Routledge

The second edition of the Historical Dictionary of the Gulf Arab States comes at a time when the world's attention is riveted on the Middle East. The small states covered in this volume\_Bahrain, Kuwait, Oman, Qatar, and the United Arab Emirates (UAE)\_possess about 20 percent of the world's total oil reserves. Beyond the strategic and economic importance conferred upon them by their vast oil reserves, the Gulf Arab states are worthy of attention for the inherent interest of their history and culture. No area of the world has yielded more revealing and exciting archaeological finds in the past few decades than these states.

Investigations have brought to light extensive evidence of an important culture as old as Egypt of the Pharaohs or ancient Babylon, which was virtually unknown previously except through rare references in the records of other civilizations. This expanded second edition covers the history of the five countries through a chronology broken down by country, a list of acronyms and abbreviations, an introductory essay, a bibliography, and several hundred cross-referenced dictionary entries on important persons, places, and events of each country. Everything from the Abbasids to Zubarah is covered in this essential reference on this increasingly important region of the world.

Bloomsbury Publishing USA

Die Reihe KulturSchock von Reise Know-How - ausgezeichnet von der Internationalen Tourismusbörse 2010 mit dem Preis "Besondere Reiseführer-

Reihe"! Fremde Kulturen sind uns oft doch nicht so vertraut, wie wir dachten. Die Bücher der Reihe KulturSchock skizzieren Hintergründe und Entwicklungen, um heutige Denk- und Lebensweisen zu erklären, um eine Orientierungshilfe im fremden Alltag zu sein. Sie möchten dazu beitragen, dass wir die Gesetzmäßigkeiten des Kulturschocks begreifen, ihn ein wenig vorweg nehmen können und Vorurteile abbauen. Je mehr wir voneinander wissen, desto besser werden wir einander verstehen. Welches Geschenk ist bei einer festlichen Einladung angebracht? Warum ist es unhöflich, mit der linken Hand zu essen? Was bedeutet die Gestik des Straßenhändlers? Die Begegnung mit anderen Alltagswelten erzeugt eine Mischung aus Faszination und Irritation. Insbesondere in Ländern wie Qatar, Bahrain, Oman und den Vereinigten Arabischen Emiraten kann die Fremdartigkeit der orientalischen Kultur verunsichern, ein Kulturschock ist vorprogrammiert doch Information, Verständnis und Akzeptanz sind wertvolle schocklindernde Gegengewichte und gehören in jeden Reisekoffer. Dieses Buch aus der Reihe KulturSchock soll zum Verständnis der Kultur in den Golfemiraten und Oman beitragen und somit ein wichtiger Schlüssel zu Ländern und Leuten sowie zu besonderen Eindrücken und Erfahrungen sein.

Arab Gulf States Praeger

This volume examines the changing economic and internal security challenges faced by the Gulf countries and the problems they face with Iran, Iraq, and other Gulf states. The special military and security needs of Bahrain, Oman, Qatar, and the United Arab Emirates are analyzed here in detail, as are their growing demographic problems

and export plans.

Arab Gulf States Createspace

Independent Publishing Platform

This unique and diverse selection of traditional folktales from the countries of the Arabian Peninsula appeals to a broad audience, ranging from storytellers and educators to folklorists and scholars. A unique compilation of stories, Folktales from the Arabian Peninsula includes tales from seven countries: Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, the United Arab Emirates, and Yemen. Coauthored by a renowned folklorist and a professor of education who recalls some of these poignant tales from her own childhood, the book opens with a discussion of the Arabian Peninsula that introduces each country and discusses its terrain, peoples, and current situation to provide important background information. The engaging stories that follow will serve elementary, junior high, and high school librarians as well as public librarians, professional storytellers, and folklorists. The tales themselves—many of which have never been published in English language children's collections—are appropriate for readers grades five and up.

The Making of the Modern Gulf States

Routledge

The five Countries covered in this book, Kuwait, Bahrain, Qatar, the United Arab Emirates, and Oman--are all Arab states on the Persian Gulf that share certain characteristics. But they are not the only countries that border the gulf. Iran, Iraq, and Saudi Arabia share the coastline as well, and they too shared in the historical development of the area. Of the five states covered in this book,

Oman has a particular culture and history that distinguish it from its neighbors. It also is the state with the shortest coastline along the Persian Gulf. Most of Oman lies along the Gulf of Oman and the Arabian Sea. The main element that unites these countries is the nature of their involvement with people and nations beyond the region. In this book you will be detailing with the history information of each of the five states, Government, Politics, ruling system, Economy and more

*Arab Gulf Cooperation Council (GCC)* The Rosen Publishing Group, Inc

A long-standing economic policy goal of the oil-dependent GCC countries is to increase economic diversification. Over the last decades, GCC governments fostered the development of non-oil economies through large-scale public investments in the stocks of human and physical capital. This book takes a new look at economic diversification efforts by examining the impact of different public expenditure categories (capital, education, health) on non-oil GDP and labour productivity developments in the three GCC countries Bahrain, Oman and Qatar since the 1970s. Building both on an econometric analysis and detailed country studies, this book analyses not only whether public expenditure has been an important driver of overall non-oil economic growth but also how public expenditure impacted different potential sources of non-oil economic growth such as economy-wide investment or productivity levels. By elaborating the channels through which public expenditure tends to impact non-oil economic growth in Bahrain, Oman and Qatar, this book contributes to the academic and public debate about the effectiveness of ongoing diversification strategies in the GCC countries.

*More Than Oil* Scarecrow Press

The Gulf States are the focus of great international interest – yet their fabulous evolution from pearl-fishing to oil-drilling, their individuality and variety, are screened by a thick cloud of petrodollars. This book, first published in 1989, tells the story of their formation, their evolution from colonial dependency to statehood, and their transformation by oil. The result is an informed and balanced picture of the political, economic, religious and cultural character of the area. It is also a story of the powerful families and their sheikhs that have had to hurry these states into the modern world; of the interchanging role of political and economic dependence, the influence of the oil industry, the influx of workers from abroad, and the varying forces acting on the Gulf States.

The Outlook for Arab Gulf Cooperation

This volume examines the changing economic and internal security challenges faced by the Gulf countries and the problems they face with Iran, Iraq, and other Gulf states. The special military and security needs of Bahrain, Oman, Qatar, and the United Arab Emirates are analyzed here in detail, as are their growing demographic problems and export pla

Cooking of the Gulf

This report examines what binds and divides the six Gulf Cooperation Council (GCC) states--Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the United Arab Emirates--and presents the outlook for the GCC's evolution over the next ten years. The study aims to help policymakers better understand intra-GCC dynamics and prepare for future trends in a region with high stakes for U.S. strategic interests.

Historical Dictionary of the Gulf Arab States

Modern development and traditional aspects of the GCC countries-Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and U.A.E.

*Arabian Gulf Intelligence*

Around the Gulf lie hot, hazy lands of modern myth and ancient legend, where skyscrapers sparkle on the edge of the desert, where mud-brick fortresses crumble into the sand. Beyond the hasty, square-cut cities of glass and concrete, labyrinthine villages, palm-shaded oases and lazy beaches await discovery. This Way the Gulf States brushes aside the veil to reveal the culture, the history and mysteries of these intriguing countries.

Folktales from the Arabian Peninsula

Looks at how Australian companies can best capitalise on the major economic growth and reform in the Gulf region.

*Approval of Large-scale UNDP Assistance to a Project of the Governments of Bahrain, Iran, Iraq, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates*

In May 1981 Saudi Arabia, Kuwait, Bahrain, Qatar, the United Arab Emirates, and Oman established the Gulf Cooperation Council (GCC) to facilitate cooperation, settle disputes, and strengthen security. This is the first English-language book to describe the GCC and assess its impact on the security and stability of the Gulf. It addresses four specific aspects of the GCC: a description of the basic charter and the United Economic Agreement; its structure and the policy of summitry; its achievements and the challenges before it; and the official, popular, and reformist views of its proper role.
