**Ornstein & Hunkins, Curriculum: Foundations, Principles ...**

This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States.

Curriculum: Foundations, Principles, and Issues, continues the tradition of this popular book by providing comprehensive treatment of the curriculum field: foundations as well as the principles and procedures for conceptualizing, developing, implementing, and evaluating curriculum. Edited for a more concise presentation of material, it retains its solid coverage of the philosophical, historical, psychological, and social foundations of curriculum.
