God loves us and has a unique blueprint for our life--but it's up to us to find it and live it out. Mingling contemporary stories and biblical anecdotes with practical advice, Silviso shows how God intervenes in human affairs today to transform people and nations. He also shares five critical paradigms for transformation that are pivotal for change: Discipling Nations, Reclaiming the Marketplace, Looking at Work as Worship, Becoming Salt and Light, and Eliminating Poverty. In these pages, readers will find extraordinary stories about the power of God working through those who discovered their specific purpose. Then they'll be challenged to transform themselves and, by doing so, transform their families, schools, businesses, and nations. Silviso encourages readers to aim high, knowing that God has entrusted them with great things. "God sees you as a nation transformer," says Silviso. He has faith in you!

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Every Business Is God's Business The notion that labor for profit and worship of God are now, and always have been, worlds apart, is patently false. The Early Church founders were mostly community leaders and highly successful businesspeople. The writing of the Gospels was entrusted to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling *Anointed for Business*, Ed Silviso focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom. Silviso shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silviso's passionate call to men and women in the workplace to rise to their God-appointed positions. The included study guide will enable the reader to put these revolutionary concepts into action.

American evangelicalism is big business. It is not, Daniel Vaca argues, just a type of conservative Protestantism that market forces have commodified. Rather evangelicalism is an expressly commercial practice, in which the faithful participate, learn, and develop religious identities by engaging corporations and commercial products.

A thought-provoking retelling of the Gospel story from an atheist perspective. Upon its hardcover publication, renowned author Philip Pullman's *The Good Man Jesus and the Scoundrel Christ* provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus. Written with unstinting authority, *The Good Man Jesus and the Scoundrel Christ* is a pithy, erudite, subtle, and powerful book by a beloved author, a text to be read and reread, studied and unpacked, much like the Good Book itself. "The erudite fantasy author, Philip Pullman, makes explicit his complaint against Christian dogma with [this] challenging deconstruction of the Gospels." —Entertainment Weekly "Inspiring . . . Again and again, [Pullman] displays a marvelous sense of the elemental power of Jesus's instructions and parables." —The Washington Post
