New York, when two
circus promoters offer him
work as a traveling

seminal memoir, originally
published in 1853, is a
haunting portrayal of
stolen freedom and brutal
life on the sugar and
cotton plantations of the

offering comparative
analyses which interlace
the variety of memories

current understanding of
the slave past and how it

is reimagined today. This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate, such as heroic memorials, civic landscape, white family sagas, Young Adult literature of slavery, Latin American telenovelas and filmic narrations within and beyond Hollywood. What emerges is a multifarious set of memories, which keep changing according to generation, race, gender, nation and political urgency and indicate the advancing of a dynamic, mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice. This is an important book for those interested in African American, American, and Latin American studies and working across literature, cinema, visual arts, and public culture. It will also be useful to public official and civil servants interested in the question of slavery and its present memory.

[Twelve Years a Slave](#) W. Norton & Company "Recommended" by Choice Enterprising Youth examines the agenda behind the shaping of nineteenth-century

children's perceptions and world views and the transmission of civic duties and social values to children by adults. The essays in this book reveal the contradictions involved in the perceptions of children as active or passive, as representatives of a new order, or as receptacles of the transmitted values of their parents. The question, then, is whether the business of telling children's stories becomes an adult enterprise of conservative indoctrination, or whether children are enterprising enough to read what many of the contributors to this volume see as the subversive potential of these texts. This collection of literary and historical criticism of nineteenth-century American children's literature draws upon recent assessments of canon formations, gender studies, and cultural studies to show how concepts of public/private, male/female, and domestic/foreign are collapsed to reveal a picture of American childhood and life that is expansive and constrictive at the same time.

River of Dark Dreams

Regardless of color or class, men in the Old South hunted; the meat, hides, and furs they brought home reinforced the hunters' claims to patriarchal authority as providers for their households. During the antebellum era, many white men also began using the hunt as a venue for the display of increasingly complex ideas about gender, race, class, and community. Proctor (history, Simpson College) explores the social drama of the hunt as it was conducted between 1800 and 1860, through accounts in books, letters, journals,

and periodicals. He looks at the historical developments that shaped hunting as well as interactions between men and women and between owners and slaves.

Now the major motion picture that won the 2014 Academy Award for Best Picture, starring Chiwetel Ejiofor, Michael Fassbender, and Lupita Nyong'o, and directed by Steve McQueen Perhaps the best written of all the slave narratives, *Twelve Years a Slave* is a harrowing memoir about one of the darkest periods in American history. It recounts how Solomon Northup, born a free man in New York, was lured to Washington, D.C., in 1841 with the promise of fast money, then drugged and beaten and sold into slavery. He spent the next twelve years of his life in captivity on a Louisiana cotton plantation. After his rescue, Northup published this exceptionally vivid and detailed account of slave life. It became an immediate bestseller and today is recognized for its unusual insight and

eloquence as one of the very few portraits of American slavery produced by someone as educated as Solomon Northup, or by someone with the dual perspective of having been both a free man and a slave. The true story behind the acclaimed movie *12 Years a Slave*, this book is based on the life of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana.

Solomon Northup awoke in the middle of the night with his body trembling. Slowly, he realized that he was handcuffed in a dark room and his feet were chained to the floor. He managed to slip his hand into his pocket to look for his free papers that proved he was one of 400,000 free blacks in a nation where 2.5 million other African Americans were slaves. They were gone. This remarkable story follows Northup through his 12 years of bondage as a man kidnapped into slavery, enduring the hardships of slave life in Louisiana. But the tale also has a remarkable ending. Northup is rescued from his master's cotton plantation in the deep South by friends in New York. This is a compelling tale that looks into a little known slice of history, sure to rivet young readers and adults alike. National Geographic supports K-12 educators with ELA Common Core Resources. Slavery: Not Forgiven, Never Forgotten - The Most Powerful Slave Narratives, Historical Documents & Influential Novels University of

Louisiana

This “superbly researched and engaging” (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs “alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison” (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnapers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse

Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. "Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans" (Booklist).

The incredible true story of the kidnapping, enslavement, and rescue of Solomon Northup in the era before the Civil War—now a major motion picture! In 1841, Solomon Northup was a free man living in Saratoga Springs, New York, making a living as a violinist and spending his spare time with his wife and three young children. Lured to Washington, DC, with the promise of a generous sum of money, Northup finds himself drugged, beaten, and sold before he can even begin to comprehend the tragic turn his life has taken. Twelve torturous years of slavery follow, with Northup passed from owner to owner, plantation to plantation, until his eventual rescue in 1853. Following his return to New York, Northup wrote and

published this extraordinary book, one of the few accounts of American slavery written from the perspective of a man who had been free before being enslaved. Lost for nearly a century, *Twelve Years a Slave* offers unprecedented details of the slave markets of Washington, DC, and describes the excruciating life on Southern cotton plantations. In its time, *Twelve Years a Slave* was a bestseller and ignited a national dialogue on slavery in the years leading up to the Civil War. Northup's unsparing portrayal of the life of a slave captured minds and eventually divided a nation. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about

overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. "I ask no paradise on high, With cares on earth oppressed, The only heaven for which I sigh, Is rest, eternal rest." — Solomon Northup, *Twelve Years a Slave* Solomon Northup was a free-born African American from Saratoga Springs, New York. He is noted for having been kidnapped in 1841 when enticed with a job offer. When he accompanied his supposed employers to Washington, DC, they drugged him and sold him into slavery. From Washington, DC, he was transported to New Orleans where he was sold to a plantation owner from Rapides Parish, Louisiana. After 12 years in bondage, he regained his freedom in January 1853; he was one of very

few to do so in such cases. Held in the Red River region of Louisiana by several different owners, he got news to his family, who contacted friends and enlisted the New York governor in his cause. New York state had passed a law in 1840 to recover African-American residents who had been kidnapped and sold into slavery. Northup sued the slave traders in Washington, DC, but lost in the local court. District of Columbia law prohibited him as a black man from testifying against whites and, without his testimony, the men went free. Returning to his family in New York, Northup became active in abolitionism. He published an account of his experiences in *Twelve Years a Slave* (1853) in his first year of freedom. Northup gave dozens of lectures throughout the Northeast on his experiences as a slave, in order to support the abolitionist cause. In the early 1860s, Northup, along with another black man, aided a Methodist minister in Vermont in helping fugitive slaves on the Underground Railroad. The circumstances of Northup's death are uncertain. Solomon Northup's memoir was

reprinted several times later in the 19th century. An annotated version was published in 1968, edited by Sue Eakin and Joseph Logsdon. The memoir was adapted and produced as a film in 2013 by Steve McQueen, starring Chiwetel Ejiofor as Northup. Previously, a TV movie had been made of Northup's story, *Solomon Northup's Odyssey* (1984), directed by Gordon Parks. Pulitzer Prize-winning poet and former U.S. poet laureate Rita Dove wrote her poem "The Abduction" about Solomon Northup (published in her first collection, "The Yellow House on the Corner", 1980.) Since 1999, Saratoga Springs, New York, has celebrated an annual Solomon Northup Day.

"The retelling of Solomon Northup's true story is a valuable contribution to black history. Readers of all ages will enjoy . . . this important account." - Charles A. Hicks, former Arkansas state supervisor of education "Solomon Northup's trials and tribulations are retold in such a way that young-adult readers will be totally captivated by his story." -Children's Literature Solomon Northup, a family man

and hack driver in upstate New York, was kidnapped, whisked away from his home, and sold into slavery. His remarkable account of the epic journey from free man of color to slave to free man again is even more astonishing because it was written entirely from memory. As a slave, Northup was permitted neither pen nor paper, yet he was able to recall his ordeal in exacting detail. Considered one of the best firsthand accounts of the slavery experience, this autobiographical story, originally published in 1853, has been painstakingly rewritten for children aged eight through twelve. This story of perseverance presents to children a personal side of the often-detached history of slavery. Sue Eakin, who interpreted the story for a younger audience, saw her first copy of Solomon Northup's *Twelve Years a Slave: 1841-1853* when she was just twelve years old. Years later, as a graduate student at Louisiana State University, she chose the book as the topic for her

thesis. *12 Years a Slave (Movie Tie-In)* Strelbytsky Multimedia Publishing General for the Series: The Casebooks in Criticism introduce readers to the essential criticism on landmark works of literature and film. For each volume, a distinguished scholar who is an authority on the text has collected the most elucidating and distinctive scholarly essays on that work and added key supporting materials. Each volume includes a substantial introduction which considers the key features of the work, describes its publication history, and contextualizes its cultural import and contemporary reputation while also surveying the major approaches which have informed the works critical history. A condensed bibliography offers suggestions for further reading. The compact volumes provide a critical survey and suggest provocative ways to engage with their texts. They are ideally suited to those interested in developing a deeper understanding of a works

history and significance. Specific for this book: Most of the best criticism on Stowe's landmark novel is fairly recent. Until the combined impact of the civil rights and women's movements changed the focus of the academic curriculum, Uncle Tom's Cabin seldom appeared in classrooms or as the subject of published scholarship. However, from the mid-1970 forward, the book has been widely written about and taught. Today, Uncle Toms Cabin is a stable, important part of the nineteenth-century American literature canon and has generated a rich body of new critical work. This casebook collects the best of the new scholarship as well as the most influential older essays. Included in this volume are letters by Harriet Beecher Stowe and articles by James Baldwin, Leslie Fiedler, Jane Tompkins, Gillian Brown, Robert Stepto, and Elizabeth Ammons.
