ESSENCE REILLY

A Novel Createspace Independent Publishing Platform
 The fifth and final book in Megan McCafferty's beloved, New York Times bestselling series - now with a new foreword by Rebecca Serle Jessica thought her Pineville, New Jersey life was behind her. Now a young professional, she's ready to keep moving forward—until she (literally) runs into her former boyfriend Marcus Flutie at the airport on her way to her best friend's Caribbean wedding. Marcus and Jessica have both changed dramatically, yet their connection feels as

familiar as ever. Is their reunion just a fluke? Or is this momentous collision orchestrated by fate? Readers have followed Jessica through every step (and misstep) from her life as a high schooler, to her years in college, and a twenty-something stumbling towards adulthood. In *Perfect Fifths*, the hilarious and satisfying conclusion to the Jessica Darling series, readers will finally get a peek inside the mind of Marcus Flutie, with a finale perfect in its imperfections.

What You Left Behind Poppy
 The fourth book in the beloved, New York Times bestselling series - now with a new foreword by Rebecca Serle Jessica Darling is living the New York City dream. She's subletting an apartment with her best

friend, working for a magazine that cares about her psychology degree, and she's still deeply in love with Marcus Flutie. But then Marcus proposes, and wants Jessica's answer in a week. Is she ready to give up her NYC life of literary parties, art openings, and karaoke downtown to move back to New Jersey? Even if it's to be with the boy (now man) who she's been in love with for years? Megan McCafferty's *Fourth Comings*, the next in the hilarious New York Times bestselling series, brings readers once again into the snarky, witty mind of Jessica Darling as she learns that reality is more complicated than dreamy clichés.

A Court of Thorns and Roses Crown
 Is it impossible for old elementary-school

friends and new junior-high friends to all get along as just, you know, friends? Good or bad, that's what I'm about to find out. Jessica Darling is finally getting the hang of seventh grade! Hosting an epic slumber party might even help to make Jessica popular...but is that what she really wants? New York Times bestselling author Megan McCafferty's *It List* series introduces readers to Jessica Darling, an unabashedly brainy seventh grader who tries to stay true to herself, even if it means being (totally not) cool.

[A Jessica Darling Novel](#) Simon and Schuster

I hadn't even gotten to homeroom yet and I'd already discovered five hard truths about junior high: 1. My best friend had turned pretty. 2. She didn't know it yet. 3. It wouldn't be long before she did. 4. That knowledge would change everything between us. 5. And there wasn't a thing I could do about it. It's the first day of seventh grade. Is Jessica Darling doomed for dorkdom? New York Times bestselling author Megan McCafferty's hilarious new novel will have you laughing, cringing, and cheering for Jessica Darling as she learns that being herself beats being popular, pretty & perfect any day.

[Jessica Darling's It List #1 - FREE PREVIEW EDITION \(The First 7 Chapters\)](#) Scholastic Press

New York Times bestselling author Megan McCafferty returns to her roots with this YA coming of age story set in a New Jersey mall. The year is 1991. Scrunchies, mixtapes and 90210 are, like, totally fresh. Cassie Worthy is psyched to spend the summer after graduation working at the Parkway Center Mall. In six weeks, she and her boyfriend head off to college in NYC to fulfill The Plan: higher education and happily ever after. But you know what they say about the best laid plans... Set entirely in a classic "monument to consumerism," the novel follows Cassie as she finds friendship, love, and ultimately herself, in the most unexpected of places. Megan McCafferty, beloved New York Times bestselling author of the Jessica Darling series, takes readers on an epic trip back in time to The Mall.

[How Opal Mehta Got Kissed, Got Wild, and Got a Life](#) Broadway Books

Some schools have honor codes. Others have handbooks. Themis Academy has the Mockingbirds. From the glossy pages of its admissions brochure, the prestigious Themis Academy appears perfect in every way: exceptional academics, extraordinary students, the kind of extracurriculars to make an Ivy League proud, and zero instances of student misbehavior. But this boarding school isn't as pristine as it

appears. There's a dark underbelly to the perfect record the Themis administration flaunts. Student infractions are rampant, and it's up to a secret vigilante society, the Mockingbirds, to maintain order on campus--a responsibility their members take very seriously. Alex Patrick never thought she would need the Mockingbirds. But when she's date-raped by another student, she doesn't know where else to go. As much as she'd like to forget what happened, she can't escape the daily reminders of what went wrong that terrible night. Before she can summon the courage to take a stand, she'll have to accept that her battle for justice is not hers alone. Standing up for someone, especially yourself, is worth the fight. [Jessica Darling's It List 3](#) Sourcebooks, Inc. Life, Alice McKinley feels, is just one big embarrassment. Here she is, about to be a teenager and she doesn't know how. It's worse for her than for anyone else, she believes, because she has no role model. Her mother has been dead for years. Help and advice can only come from her father, manager of a music store, and her nineteen-year-old brother, who is a slob. What do they know about being a teen age girl? What she needs, Alice decides, is a gorgeous woman who does everything right, as a roadmap, so to speak. If only she finds herself, when school begins, in the classroom of the beautiful sixth-grade teacher, Miss Cole, her troubles will be over. Unfortunately, she draws the homely, pear-shaped Mrs. Plotkin. One of Mrs. Plotkin's first assignments is for each member of the class to keep a journal of their thoughts and feelings. Alice calls hers "The Agony of Alice," and in it she records all the embarrassing things that happen to her. Through the school year, Alice has lots to record. She also comes to know the lovely Miss Cole, as well as Mrs. Plotkin. And she meets an aunt and a female cousin whom she has not really known before. Out of all this, to her amazement, comes a role model -- one that she would never have accepted before she made a few very important discoveries on her own, things no roadmap could have shown her. Alice moves on, ready to be a wise teenager.

[Perfect Fifths](#) Flatiron Books

Jessica Verdi, the author of *My Life After Now* and *The Summer I Wasn't Me*, returns with a heartbreaking and poignant novel of grief and guilt that reads like *Nicholas Sparks* for teens. It's all Ryden's fault. If he hadn't gotten Meg pregnant, she would have never stopped her chemo treatments and would still be alive. Instead he's failing fatherhood one dirty diaper at a time. And it's not like he's had time to grieve while

struggling to care for their infant daughter, start his senior year, and earn the soccer scholarship he needs to go to college. The one person who makes Ryden feel like his old self is Joni. She's fun and energetic-and doesn't know he has a baby. But the more time they spend together, the harder it becomes to keep his two worlds separate. Finding one of Meg's journals only stirs up old emotions. Ryden's convinced Meg left other notebooks for him to find, some message to help his new life make sense. But how is he going to have a future if he can't let go of the past? "Ryden's story is a moving illustration of how sometimes you have to let go of the life you planned to embrace the life you've been given. A strong, character-driven story that teen readers will love."-Carrie Arcos, National Book Award Finalist for *Out of Reach*

Sloppy Firsts, Second Helpings, Charmed Thirds, Fourth Comings, Perfect Fifths Harper Collins

The first book in the beloved, New York Times bestselling series - now with a new foreword by New York Times bestselling author Rebecca Serle Jessica Darling is devastated when her best friend moves away from Pineville, New Jersey. With Hope gone, Jessica has no one she can really talk to. She doesn't relate to the boy-and-shopping obsessed girls at school, or her dad's obsession with track meets, and her mom is too busy planning big sister Bethany's lavish wedding. Jessica is lost more than ever, and her nonexistent love life is only making things worse. Fresh, funny, and utterly compelling, readers fell in love with Jessica Darling's poignant, hilarious voice and have stayed with her through her ups and downs (and her mixed-up feelings about her first love, Marcus Flutie). A modern classic, readers will be excited to return to Pineville, New Jersey and Jessica Darling's world with *Sloppy Firsts*. Now with a foreword from New York Times bestselling author Rebecca Serle and a new author's note from Megan McCafferty!

[Jessica Darling's It List Poppy](#)

Lucy has just joined the afterlife, and as a brand-new ghost she's mostly see-through, not able to stand or sit normally, stuck in the ballet clothes she was wearing before she crossed over...and stuck in middle school. Can't a ghost get a break? But then the cutest (ghost) boy she's ever seen turns out to be her very own guide to school, and things start looking brighter. Maybe she's not quite solid yet, but Lucy is definitely going to make this the best afterlife ever!

[A Jessica Darling Novel](#) Wednesday Books
When a virus makes everyone over the age of eighteen infertile, would-be parents

pay teen girls to conceive and give birth to their children, making teens the most prized members of society. Girls sport fake baby bumps and the school cafeteria stocks folic-acid-infused food. Sixteen-year-old identical twins Melody and Harmony were separated at birth and have never met until the day Harmony shows up on Melody's doorstep. Up to now, the twins have followed completely opposite paths. Melody has scored an enviable conception contract with a couple called the Jaydens. While they are searching for the perfect partner for Melody to bump with, she is fighting her attraction to her best friend, Zen, who is way too short for the job. Harmony has spent her whole life in Goodside, a religious community, preparing to be a wife and mother. She believes her calling is to convince Melody that prepping for profit is a sin. But Harmony has secrets of her own that she is running from. When Melody is finally matched with the world-famous, genetically flawless Jondoe, both girls' lives are changed forever. A case of mistaken identity takes them on a journey neither could have ever imagined, one that makes Melody and Harmony realize they have so much more than just DNA in common. From New York Times bestselling author Megan McCafferty comes a strikingly original look at friendship, love, and sisterhood—in a future that is eerily believable.

Second Helpings Poppy

In the sequel to *Sloppy Firsts*, Jessica Darling is now a senior at Pineville High and struggles to cope with the enigmatic Marcus Flutie, her flighty best friend Hope, and her offensive fellow classmates as she tries to get her life back in order before it is time to go to college. Original.

The (Totally Not) Guaranteed Guide to Popularity, Prettiness & Perfection Simon and Schuster

For a resident Floridian, it sounded like your typical Saturday night news report. Another shooting in some dark alley. Nothing extraordinary for a country where there are more guns than people and violence is ripe, shootings occurring on the daily. This is especially the case in Florida, where state firearm laws are considered lenient by national standards and registered gun-owners are free to 'concealed carry' at their home, place of work, or on the road to either. Another day, another homicide. Unremarkable, considering the circumstances too. In an armed robbery, a gun is bound to go off, if tragically, on an unsuspecting victim. That's the nature of a gun-related crime. But things get interesting when we consider the details of the crime. The

perpetrators were young, almost teenagers, and the alleged orchestrator was only nineteen. Moreover, this wayward teenager had an unusual celebrity past, having been in the public eye before. Who is this young delinquent? Her name is Jennifer Mee, and before she became embroiled in a money-making scheme with two wannabe thugs, the world simply knew her as "Hiccup Girl."

Of Princes and Promises Poppy

I hadn't even gotten to homeroom yet and I'd already discovered five hard truths about junior high: 1. My best friend had turned pretty. 2. She didn't know it yet. 3. It wouldn't be long before she did. 4. That knowledge would change everything between us. 5. And there wasn't a thing I could do about it. It's the first day of seventh grade. Is Jessica Darling doomed for dorkdom? New York Times bestselling author Megan McCafferty's hilarious new novel will have you laughing, cringing, and cheering for Jessica Darling as she learns that being herself beats being popular, pretty & perfect any day.

A Jessica Darling Novel Wednesday Books

** *Allegiant* by Sara Mack is the second novel in *The Guardian Trilogy*. It is not affiliated with the *Divergent* series by Veronica Roth. **Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett. She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. *Allegiant* is a new adult/college paranormal romance containing moderate language/mild innuendo. *Allegiant* is the second story in *The Guardian Trilogy*. The third novel, *Reborn*, is complete and due to be published in February 2014.

Baby Driver Broadway Books

From mega-bestselling author Megan McCafferty--author of the beloved Jessica Darling series that *The Wall Street Journal*

called "Judy Blume meets Dorothy Parker"--comes a hilarious love letter to the magic and heartache of middle school friendship. Sophie Dailey is NOT looking forward to starting middle school. For one thing, she doesn't look like other kids. Instead of trendy tank tops, she wears high tech shirts that block UV rays. (Sun protection is serious business!) And she definitely doesn't sound like other kids either. (She can't say "holla" or "hot take" without making a weird face.) Needless to say, this is probably why her best friend, Ella, ditched her for Queen Bee Morgan. Sophie is comfortable with who she is and doesn't want to change. But she's also pretty lonely without Ella. Even worse, Morgan seems intent on making seventh grade miserable for Sophie, and Ella doesn't bat an eye at the bullying. Then a new girl moves in next door to Sophie. Kaytee Ray is everything Sophie is not: fashionable and super-confident. Sophie can't believe Kaytee wants to spend the last days of summer with her. Determined to keep Kaytee as a friend, Sophie lies about her social status, claiming to be besties with Morgan and Ella. As long as Kaytee attends Villa Academy--a private school on the other side of town--she'll never find out her first friend in New Jersey is a loser. But can any friendship built on lies survive seventh grade?

A Novel Scholastic Inc.

Lucy is ready for her next challenge at Limbo Central Middle School: joining a club. Or actually, forming one. Lucy and her best friend Cecily were awesome ballet dancers in life, so obviously they can start a Dance Club in the afterlife! Not according to Georgia Sinclair. The head of the Cheerleading squad wants to forbid cheerleaders from even trying out for Lucy and Cecily's club. Who knew starting a Dance Club would be all about drama?

Sloppy Firsts Sourcebooks, Inc.

Second Helpings continues Megan McCafferty's New York Times bestselling series - now with a new foreword by New York Times bestselling author Rebecca Serle. Jessica Darling is in her senior year of high school and things can't seem to get worse: her best friend, Hope, still lives in another state, and the mysterious and oh-so-compelling Marcus Flutie continues to be a distraction she doesn't need. Not to mention her parents won't get off her back about choosing a college, and her older sister's pregnancy is causing quite a bit of drama in the Darling household. The second book in Megan McCafferty's critically acclaimed Jessica Darling series is fun, irreverent, and shows that being a teenager is never easy (or boring). Now with a foreword from New York Times

bestselling author Rebecca Serle and a new author's note from Megan McCafferty! *Thumped* Da Capo Press

"Melody and Harmony are twins who were separated at birth and lived different lives - but who are each due to deliver sets of twins on the same day. In a future where only teens can "bump", or give birth, babies mean money, status, and freedom. Cursed by their own popularity, the girls are obsessively tracked by their millions of

fans, who have been eagerly counting down the days to the births. Without a doubt they are two of the most powerful pregnant teens on the planet, and there's only one thing they could do that would make them more famous than they already are - tell the truth"--Jacket.

Attack of the Bully Bug Wednesday Books

Is it impossible for old elementary-school friends and new junior-high friends to all get along as just, you know, friends? Good

or bad, that's what I'm about to find out. Jessica Darling is finally getting the hang of seventh grade! Hosting an epic slumber party might even help to make Jessica popular...but is that what she really wants? New York Times bestselling author Megan McCafferty's It List series introduces readers to Jessica Darling, an unabashedly brainy seventh grader who tries to stay true to herself, even if it means being (totally not) cool.
