Cost Accounting
 McGraw Hill Professional Cost and Management Accounting-I' is designed in accordance with the

latest CBCS syllabus as prescribed by the University of Calcutta and other major universities of Eastern India. It is primarily intended for Semester II of B.Com curriculum, besides being equally useful for the students of professional courses. The book presents the core concepts of accounting in a lucid and easy-to-understand language. It provides a right blend of theory and application to lay a solid foundation for the advanced aspects of Cost and Management

Accounting, not only for higher studies but also for corporate requirements. Emphasis on the explanation of Cost Accounting Standards and guidelines with comprehensive examples. Special focus on topics related to Employee Cost and Incentive Systems (Labour Costs), Accounting for Materials and Accounting for Overheads. Chapter-wise segregation of questions from last 10 years' (2008-17) question papers of the University of Calcutta—for general and

honours courses.
