The Gun Digest Book of  
Modern Gun Values

Simon and Schuster

This revised 5th

Edition, now expanded  
to over 400 pages in a  
larger 8 x 11 in.

format, contains over  
twice as much  
information as previous  
editions. Featured in  
this 5th Edition are

hundreds of digital images for most popular makes and models, making identification much easier. The Blue Book of Airguns contains both up-to-date 2005 airguns pricing information and detailed technical data on both today's high tech offerings and older, discontinued models. This includes domestic, foreign, and military airguns, modern commemoratives, and major trademark antiques! Also included are some valuable editorials by Dr. Robert Beeman and noted airgun journalist Tom Gaylord, as well as an extensive pictorial glossary. The 5th Edition Blue Book of Airguns contains more useful and up-to-date information than any

other single airgun publication.

43rd Blue Book of Gun Values Hogarth

**9th Edition Blue Book Pocket Guide for Colt Firearms and Values** Blue Book

Publications, Incorporated Now available in one special set, the bestselling must-have reference book and one-stop guide to buying new and collectible firearms. Previously published as two separate reference guides, Skyhorse Publishing is packaging its bestselling Shooter's Bible and Gun Trader's Guide together for the first time. Now, gun enthusiasts can see the specs and photos of brand-new and currently produced firearms as well as information and market prices for

collectible firearms with one purchase. Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market. The 108th edition also contains new and existing product sections on ammunition, optics, and accessories, plus updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading. For more than half a century, the Gun Trader's Guide has been the standard reference for

collectors, curators, dealers, shooters, and gun enthusiasts. Updated annually, this thirty-eighth edition boasts dozens of new entries since last year's edition and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. No matter what kind of modern firearm you are interested in, the Shooter's Bible and Gun Trader's Guide Box Set is the perfect all-in-one source of information. Conversations with Friends Blue Book Publications  
Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is

Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius

becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

**A Memoir of a Family and Culture in Crisis** Blue Book Publications, Incorporated

The newest 6th Edition Blue Book of Modern Black Powder Arms by John B. Allen is the only publication to cover almost all the major makes and models of black powder arms produced since 1959. Also included are today's high tech modern muzzleloaders described in detail, which are directly responsible for the resurgence in both black powder shooting and hunting.

A quiet English village is plagued by a fiendish serial killer in *Queen of Mystery* Agatha Christie's classic thriller, *Murder is Easy*. Luke Fitzwilliam does not believe Miss Pinkerton's wild allegation that a multiple murderer is at work in the quiet English village of Wychwood and that her local doctor is next in line. But within hours, Miss Pinkerton has been killed in a hit-and-run car accident. Mere coincidence? Luke is inclined to think so—until he reads in the *Times* of the unexpected demise of Wychwood's Dr. Humbleby....

40th Edition Blue Book of Gun Values Simon and Schuster

The "bible" of the firearms industry for accurate value

information and descriptions of rifles, pistols, and shotguns. The industry standard for over 25 years!

*Standard Catalog of Military Firearms* Simon and Schuster

This fascinating visual account of firearms shows everything from the earliest cannons to modern weapons of war. It also highlights how gun technology and military tactics developed in tandem over time. Centuries ago, the Chinese discovered that if they put gunpowder and a projectile into a metal tube and ignited it, they could fire the projectile with enormous force. The first guns were born.

*Firearms: An Illustrated History* showcases over 300 firearms including pistols, revolvers, rifles, shotguns,

machine-guns, and artillery, each with annotated close-up photographs and details of their origins, barrel, and caliber. It details the use of the firearms, not just in the military but for sport, hunting, and law enforcement. This comprehensive volume traces the history of firearms, highlighting "turning points" such as the rifle with its parallel spiraled grooves that could impart a spin to bullets making them fly straighter. It also showcases iconic firearms such as the Walther PPK self-loading pistol popularised in James Bond films. With information on the great gunsmiths including Beretta and Kalashnikov and a detailed guide to how guns work, Firearms:

An Illustrated History is an essential purchase for everyone interested in guns and military history.

### *Hillbilly Elegy* Gun Digest Books

The new 33rd Edition of the Blue Book of Gun Values by S.P. Fjestad has been expanded to 2,432 pages, easily making it the highest page count of any firearms book currently in print. New 2012 makes and models have been included, along with updated values on discontinued firearms and antiques. Once again, the 80-page Photo Percentage Grading System™ provides high resolution color images that are the last word to help ascertain any firearm's correct condition factor based on the percentage of

original condition. Revolvers, pistols, rifles, and shotguns are also shown separately, in addition to NRA Antique Condition Factors.
