Psychological Study by Marion Woodman. My rating: 4 of 5 stars. It probably isn't quite fair to give a

book four stars rather than five simply because I couldn't understand all of it, but that's what I'm

doing. I think if I read it again, I would absorb more of it, partly because there's so much there and it

takes a while to percolate and make sense to me, and partly because I had very little exposure to
