This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her

brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

“David, Did You Know?”

Entdecken Sie, wie Gott Sie in Ihrer ganz persönlichen Liebesprache anspricht. Um es Menschen leichter zu machen, seine Nähe wahrzunehmen, auf ihn zu hören, bedient sich Gott meist einer persönlichen Sprache der Liebe, die direkt ins Herz der Angesprochenen führt. So erfahren viele Menschen seine Gegenwart besonders im Gottesdienst, andere bei praktischen Taten der Nächstenliebe, wieder andere, indem sie in der Stille ein Wort der Bibel auf sich wirken lassen. Das Buch "Die fünf Sprachen der Liebe Gottes" von Gary Chapman ist eine persönliche Einladung an Sie, Gottes Stimme in Ihrem Leben wahrzunehmen und sich von ihm leiten zu lassen.

The Girls of Atomic City - 101 Amazing

Facts You Didn't Know

101BookFacts.com

(pub-5999650418488591)

As the saying goes, "time flies when you're having fun." And it's true, isn't it? When we're engaged, amused, and entertained, we don't even notice the hours passing by. As a project manager with years of experience in commercial construction, legal discovery, software development, and as a Scrum Master, I've learned that this same concept applies to the workplace. When we enjoy what we're doing, we're more productive, more efficient, and more likely to achieve success. But how can we make work enjoyable? One way is to create a positive workplace culture, where people feel connected and engaged with one another. As a project

manager, I've always believed that facilitating a good meeting is essential to success. It's not just about sticking to an agenda or accomplishing tasks, but about ensuring that everyone is actively engaged and invested in the work. And one of the most effective ways to achieve this is through humor and fun. That's where "AJ's Fun Fact of the Day" comes in. These fun facts are not just a way to pass the time, but a useful tool for getting team members to come out of their shell and feel more comfortable around one another. In virtual meetings, we can feel isolated sitting alone in a room, looking at people through a computer screen. Sharing fun facts is a way to get others to engage and interact with you about something other than work. It's an opportunity to show that it's

okay to be themselves at work and talk about things that interest them. It's how we find diversity of thought and use it to create the best solutions possible. In this book, you'll find a wide variety of fun facts that cover a range of topics. From history to science to pop culture, there's something for everyone. Each fun fact is categorized into People, Places, Things, Animals, and Other, with subcategories for easy browsing. This way, you can choose your favorite fun fact to share and use it as a conversation starter or just something interesting to read.

Independently Published

You probably don't know me, and no, I don't know you, but the purpose of this book is to reveal to you what God can do. It says in Jeremiah 29:11 that God has a plan and purpose for our life, but in order to live that purpose out, we first have to grasp the fact that we're worth the pain, worth the struggle, and worth God's grace. If you don't believe in the value that God has on your life, then you can't live right no matter how hard you try. It hurts me to see how so many

Christians in today's time have yet to realize their worth in God. If many of them knew their worth, lifestyles would change. If many of them knew their worth, church walls would be unable to contain the praise. In order to truly be effective in the Kingdom, you have to know who you are. God stands ready, waiting to receive us, but we have to be willing to receive and accept ourselves even with all of our faults. After reading this piece, I pray that you are encouraged to press on in faith with a renewed, bold confidence in God himself. I hope that you enjoy this book as much as I've enjoyed writing it. God bless!!!!

Flowers for Algernon - 101 Amazingly True Facts You Didn't Know

101BookFacts.com

(pub-5999650418488591)

She was like a goddess with her earth brown eyes and beguiling and bewitching smile. Before Caul could make sense of the mirage before him the images began to change. His children and their mothers stood still, as if frozen in time. Their smiles and out stretched arms disappeared. They all stood there looking at him with what appeared to be begging eyes with tears running down their faces. The death knelling Caul had heard earlier began

again. This time it was louder and stronger and instead of a single voice, there were many. A cacophony of howling whiles. Why daddy, why daddy, why daddy? Why did you do this to us? And just above the childrens wailing the voices of two women began to echo in the background. They were crying out in unison for him to take them but not their babies. While trying to shake off the memories, Caul asks of himself what is the worst thing a person can do to his family? Murder, murder, murder, murder, murder, the voices shouted out to him in a cacophony of howling whiles, like the death knelling hed heard so often during battles in Nam.
