Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor

complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then

he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

It's the only way of capturing reality, both natural and dramatic at once - See more at: <http://istrosbooks.com/products/catalogue/diary-short-sighted-adolescent-66/#sthash.a7DPd1db.dpuf> The short-sighted adolescent is a passionate reader who takes various cultural figures as models, trying to emulate both their lives and their works. The pupil protagonist is a poor student, who likes science and reads a lot of books, sometimes staying up all night to do so. At the age of 15, he decides to write a novel to demonstrate

to his teachers that he is not as mediocre as all the other students, and is prepared to give up everything he holds dear for his art. The novel is written in a number of notebooks-- the "diary" of the title-- but our myopic hero ultimately fails in three subjects and is too lazy to learn and has to repeat the school year. *Diary of a Short-Sighted Adolescent* was written by the young Mircea Eliade, one of Romania's greatest writers and intellectuals. The book can be viewed as an early 20th century *Catcher in the Rye*, and allows us an intimate view of the developing genius--his teachers, his classmates' academic and amorous rivalries, his first sexual experiences-- and an introduction to

the themes of religion, self-knowledge, erotic sensibility, artistic creation, and otherness; ideas which would preoccupy him until the end of his life. The Legacy Packt Publishing Ltd "She who loves and runs away, lives to love another day" was Jacy Tiernan's credo. Only this fair-haired beauty had never loved again after Ian Yarbro. Ten years ago, she had fled her beloved Australian homestead with a shattered soul. Ian, the rugged sheep rancher who'd awakened her young heart to the most exquisite pleasures, had sired the child of another woman. Unable to forgive him, Jacy ran off to New York to live with her wealthy divorced mother, leaving behind all

dreams of happiness. Now Jacy had returned to Corroboree Springs to care for her ailing father. And Ian was waiting, his heart as hard and defiant as the great Outback. Jacy knew she dared not love this proud and brooding man. Yet she also knew they could not deny the fevered passion that still blazed across them like bushfire. And when her father made a final wish that she and Ian wed, and unite their lands to ensure the future, Jacy realized she could no longer run. This time she would have to stand her ground and find the courage to turn a bitter clash of wills into a true bond...and Ian's burning hunger into the sweet, everlasting ecstasy of love.

 Campbell finalist Sarah Gailey's hippo mayhem continues in Taste of Marrow, the sequel to rollicking adventure River of Teeth. A few

months ago, Winslow Houndstooth put together the damnedest crew of outlaws, assassins, cons, and saboteurs on either side of the Harriet for a history-changing caper. Together they conspired to blow the dam that choked the Mississippi and funnel the hordes of feral hippos contained within downriver, to finally give America back its greatest waterway. Songs are sung of their exploits, many with a haunting refrain: "And not a soul escaped alive." In the aftermath of the Harriet catastrophe, that crew has scattered to the winds. Some hunt the missing lovers they refuse to believe have died. Others band together to protect a precious

infant and a peaceful future. All of them struggle with who they've become after a long life of theft, murder, deception, and general disinterest in the strictures of the law. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

1945. The war is over, and Eric Smythe's party was in full swing. All his clever Greenwich Village friends were there. So too was his sister Sara, an independent, outspoken young woman, starting to make her way in the big city. And then in walked Jack Malone, a U.S. Army journalist just back from a defeated Germany, a man whose world view was vastly different than that of Eric and his friends. This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences, both for themselves and for those closest to them for decades afterwards. Set amidst the dynamic optimism

of postwar New York and the subsequent nightmare of the McCarthy era, *The Pursuit of Happiness* is a great, tragic love story; a tale of divided loyalties, decisive moral choices and the random workings of destiny.

Romanian Books

In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results—a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others

when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.
