The beloved host of PBS Kids' *Dinosaur Train* presents an activity-complemented guide for caregivers and teachers on how to alleviate common childhood challenges by forging strong connections between children and nature. 25,000 first printing.

The Comprehensive Guide for Hunters, Photographers and Wildlife Observers Rowman & Littlefield

From winter hunts to picnic foraging, Coyote makes his deliberate way through the seasons in his urban habitat. His adventures come to life in this lavishly illustrated tale. Down at the lake, Coyote is hunting, eager to fill his empty belly. When winter ice crackles, springtime frogs warble, summer thunderclouds threaten, and autumn leaves tumble, Coyote searches for his next meal. He stalks voles, rabbits, snakes, and geese, but there's no guarantee he'll catch his dinner. If his stomach growls, he'll steal vegetables from a tidy garden or nibble snacks from a trash can, maybe even leftovers from a family's picnic. Coyotes live on the plains and in deserts, on farms and in woodlands; they even live in towns and cities. In *Hungry Coyote*, lush, lifelike illustrations by natural history artist Laurie Caple accompany Cheryl Blackford's poetic imagining of a year in the life of an urban coyote. Across the pages, Coyote sneaks, skulks, and scurries in his constant quest to feed himself and his growing family. While Coyote hunts nearby, people enjoy a city park. At the lake, in the marsh, among the trees, children jump, twirl, and play, oblivious to his secret life. But if they listen closely they might overhear Coyote's wild nighttime conversations with his mate and pups. Is he planning his next hunt? Cheryl Blackford is the author of three third-grade nonfiction books and the middle-grade novel *Lizzie and the Stolen Baby*. Laurie Caple has created artwork for more than twenty books as well as the periodicals *American Girl* and *Cricket*.

Coyote America Houghton Mifflin Harcourt

This book explains how traditional graphics commands work, what their limitations are, and how to refurbish them with programs from the powerful Coyote Library to create IDL graphics programs that work in all versions of IDL in a simple, modern, and non-traditional way.

The Way of Coyote Bellwether Media

After Tyler's father is injured in a tractor accident, his family hires migrant Mexican workers to help save their Vermont farm from foreclosure. Tyler isn't sure what to make of these workers. Are they undocumented? And what about the three daughters, particularly Mari, the oldest, who is proud of her Mexican heritage but also increasingly connected her American life. Her family lives

in constant fear of being discovered by the authorities and sent back to the poverty they left behind in Mexico. Can Tyler and Mari find a way to be friends despite their differences? In a novel full of hope, but no easy answers, Julia Alvarez weaves a beautiful and timely story that will stay with readers long after they finish it.

"Developed by literacy experts for students in kindergarten through grade three, this book introduces coyotes to young readers through leveled text and related photos"--Provided by publisher.

Saving Our Children From Nature-Deficit Disorder arsenal pulp press

The New York Times best-selling account of how coyotes--long the target of an extermination policy--spread to every corner of the United States Finalist for the PEN/E.O. Wilson Literary Science Writing Award "A masterly synthesis of scientific research and personal observation." -Wall Street Journal Legends don't come close to capturing the incredible story of the coyote In the face of centuries of campaigns of annihilation employing gases, helicopters, and engineered epidemics, coyotes didn't just survive, they thrived, expanding across the continent from Alaska to New York. In the war between humans and coyotes, coyotes have won, hands-down. *Coyote America* is the illuminating five-million-year biography of this extraordinary animal, from its origins to its apotheosis. It is one of the great epics of our time.

What the Robin Knows Simon and Schuster

Shares strategies for expanding one's awareness of bird communication and maintaining a non-threatening presence in natural environments, explaining the sounds and behaviors that reflect various bird warnings, feelings and messages. 35,000 first printing.

Understanding Coyotes Simon and Schuster

The creatures of legend have come upon hard times. Their power stems from human belief, but humans believe in "Science" now. We have little use for magic. Even Coyote - shiftest and most adaptable of them all - can't quite comprehend this new view of reality. He refuses to accept defeat, however, and devises a plan to have himself reborn without memories so that he can grow up within our contemporary culture, and fully understand our way of thinking. And where would Coyote go for formative guidance, anyway? Why, a commune, of course. Sunbow Farms, to be precise. It's peaceful, wild, and very private. Very private indeed. Marijuana plantations are like that. So the Narks have come and raided his new home - Coyote can deal with that. And there's the flood, of course, and trigger-happy coyote-blasting neighbors, and troublemaking by Coyote's magical Spirit Pups . . . all no problem. Even local prejudice against his all-too-coyotish appearance can be dealt with, somehow. It's those death threats from Fox that are

hard to take. How can Fox say that Coyote needs to be killed for his own good? That just doesn't make sense. Michael Bergey is a veterinarian who lives in the Wynoochee Valley in Washington.

Camera Trapping Guide Mango Media Inc.

In this allegorical picture book, a young rabbit named Pancho eagerly awaits his papa's return. Papa Rabbit traveled north two years ago to find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of warm tortillas, and a jug of aguamiel—and heads north. He meets a coyote, who offers to help Pancho in exchange for some of Papa's food. They travel together until the food is gone and the coyote decides he is still hungry . . . for Pancho! Duncan Tonatiuh brings to light the hardship and struggles faced by thousands of families who seek to make better lives for themselves and their children by illegally crossing the border. Praise for Pancho Rabbit and the Coyote STARRED REVIEWS "Tonatiuh's great strength is in the text. No word is wasted, as each emotion is clearly and poignantly expressed. The rabbits' future is unknown, but their love and faith in each other sustains them through it all. Accessible for young readers, who may be drawn to it as they would a classic fable; perfect for mature readers and the classroom, where its layers of truth and meaning can be peeled back to be examined and discussed. An incandescent, humane and terribly necessary addition to the immigrant-story shelf." —Kirkus Reviews, starred review "In both prose and art, Tonatiuh expertly balances folkloric elements with stark, modern realities; Pancho Rabbit's trip has the feel of a classic fable or fairy tale, with the untrustworthy coyote demanding more and more of him." —Publishers Weekly, starred review "The book shows the fragility of making a living, the desperation that many migrants experience, and the deep family ties that bind the characters. Classrooms studying the migrant experience will find plenty to discuss here." —School Library Journal "This will spark strong responses and needed discussion." —Booklist "Tonatiuh is so careful in weaving his allegory that his

empathetic contemporary tale feels like age-old folklore, with simple but compelling text and a step-by-step escalation of the story through gripping, kid-understandable challenges." —The Bulletin of the Center for Children's Books Awards Pura Belpré Author and Illustrator Honor book 2014 New York Public Library's annual Children's Books list: 100 Titles for Reading and Sharing 2013 Kirkus Best Books of 2013 Best Multicultural Children's Books 2013 (Center for the Study of Multicultural Children's Literature) Notable Children's Books from ALSC 2014 Notable Books for a Global Society Book Award 2014

A Natural and Supernatural History McClelland & Stewart Beloved storyteller Ivan Coyote returns with their most intimate and moving book yet. Writer and performer Ivan Coyote has spent decades on the road, telling stories around the world. For years, Ivan has kept a file of the most special communications received from readers and audience members—letters, Facebook messages, emails, soggy handwritten notes tucked under the windshield wiper of their truck after a gig. Then came Spring, 2020, and, like artists everywhere, Coyote was grounded by the pandemic, all their planned events cancelled. The energy of a live audience, a performer's lifeblood, was suddenly gone. But with this loss came an opportunity for a different kind of connection. Those letters that had long piled up could finally begin to be answered. Care Of combines the most powerful of these letters with Ivan's responses, creating a body of correspondence of startling intimacy, breathtaking beauty, and heartbreaking honesty and openness. Taken together, they become an affirming and joyous reflection on many of the themes central to Coyote's celebrated work—compassion and empathy, family fragility, non-binary and Trans identity, and the unending beauty of simply being alive, a giant love letter to the idea of human connection, and the power of truly listening to each other.

[The Daily Coyote](#) Knopf Books for Young Readers

From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption. As a boy, he was Samson Hunts Alone—until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is

Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love—in the exquisite form of Calliope Kincaid—and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process.

[Return to Sender](#) Graphic Arts Books

Whether you are an absolute beginner or a seasoned expert, you will benefit from reading this book.

[Proven Strategies That Work From East to West](#) Five Star (ME)

"Sometimes a story comes along that just plain makes you want to hug the world. The Remarkable Journey of Coyote Sunrise is Dan Gemeinhart's finest book yet — and that's saying something. Your heart needs this joyful miracle of a book." — Katherine Applegate, acclaimed author of *The One and Only Ivan* and *Wishtree* Five years. That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, criss-crossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash. Coyote hasn't been home in all that time, but when she learns that the park in her old neighborhood is being demolished—the very same park where she, her mom, and her sisters buried a treasured memory box—she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it. Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to

meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys... Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her "once upon a time" into a "happily ever after."

A True Story Basic Books

#1 Bookscan in Juvenile Non-fiction! – Be Brave... Stay Wild!

Animal Stories for Kids: Coyote Peterson's Brave Adventures: Wild Animals in a Wild World chronicles some of the wildest encounters Coyote Peterson has had over the course of his travels. The stories begin with his first snapping turtle catch as a kid and lead down a trail of incredible moments he and his camera crew have had while filming their Brave Wilderness shows. From a giant alligator that nearly caught Coyote in its bone crushing jaws, to an 800 pound Grizzly Bear that helped him teach the audience what to do and NOT do if you ever encounter one of these enormous predators in the wild, every tale is laced with fast paced action and daring adventure. With the presence of danger often looming for Coyote, each story reminds the reader that animals rule the wild places of this planet, and if we respect them from a safe distance, even the most frightening creatures are more likely to be afraid of us than we should ever be of them. Exciting animal stories for kids of all ages: This collection of short stories aims to give the reader a first-person perspective into some of Coyote's most harrowing and heartwarming adventures.
