JESSIE BOONE

Twelve Forgotten Gunfighters of the Old West St. Martin's Paperbacks

Karla and Paul seemed like the picture-perfect newlyweds, but were really a pair of vicious killers who abducted, sexually tortured and murdered innocent schoolgirls, videotaping their evil acts in suburban Niagara Falls. Billed as the crime of the century in Canada, this case has received a great deal of media coverage on both sides of the border. Includes eight pages of photos.

Church and Propaganda in France and Sweden 1610-1710 Simon and Schuster

Jack Susko is enjoying a quiet life as the owner of a secondhand bookstore, preferably in the company of his cat rather than actual paying customers. But when Hammond Kasproicz, a crabby but wealthy businessman, offers Jack some easy money, of course Jack doesn't turn down the offer. After all, what problem could there possibly be with locating as many copies as possible of the works of an obscure poet? And who cares what Hammond wants to do with them? For all that Jack cares, he could burn them. Which, in fact, is exactly what Hammond does. But very soon, books aren't the only things disappearing...

The Story of Siena and San Gimignano Minotaur Books

Based on interviews with victims, investigators, and the people who sell counterfeits, "Knockoff" reveals the link between what is perceived as

"innocent fakes" and organized crime. This disturbing book will make readers squirm in their seats if they've ever purchased counterfeit goods.

Deadly Associates Dell

This book is NOT for the majority of people. This book is not for you if: x You think the world of business should be all sweet, pleasant, loving, effortless, painless and transparent; x You only want to hear what's pleasant to your ears; x You think reality is always in the wrong and reality should change itself to comply with your wish; If the above is you, this book is NOT for you. On the other hand, if you already know you are in the minority because you think differently, and you've already figured out: 1. The real answers to real life tricky business problems are all politically incorrect; 2. You only want to learn the naked truth about business; 3. You want to save time and learn What Deadly Mistakes Not To Make in your own business; Then you can't afford not to read this book.

Deadly Business (Primavera Blackstone series, Book 4) CRC Press

Having your motion sensor alarm triggered at two in the morning is never a good thing-especially if you have a target on your back. Emily Bennett is tired of traveling around the world and chasing story after story as an investigative journalist. She is tired of living-as her parents have always said-recklessly. Now that she is a successful murder-mystery writer, she thinks it is time to try and lead a normal life. Time to settle down and live life quietly. And she is doing just that-in the picturesque beach town of Anchorville, Oregon. But two weeks after moving into her beautiful new home, a man triggers her motion sensor alarm at two in the morning. Minutes later, she is in the living room-a gun in hand-facing down the intruder. An intruder who is supposed to be dead. Emily wants answers. Unfortunately, Alexander Lewis doesn't have any. He has lost his memory and is more confused

about the situation than she is. Emily doesn't know what to do. She is supposed to be done with being reckless. She can't possibly let Alexander stay, especially not when she suspects his aunt may be a murderer ... right? *Previous published as Home To You by Trisha Grace

The Deadly Trade in Counterfeit Goods : the True Story of the World's Fastest Growing Crime Wave Trafford Publishing

Soon to be a major motion picture starring Michael Shannon, Winona Ryder, with Ray Liotta and Chris Evans He was smart, merciless, and deadly. And it took someone just as tough to bring him down. A mob contract killer known as "The Iceman" for hiding a body in an ice-cream truck freezer, Richard Kuklinski boasted a personal body count of more than a hundred victims. Using guns, knives, poison, ice picks, tire irons, baseball bats, and bombs, the family man from New Jersey killed for fun, for money, to cover up his own crimes, and to satisfy his inner rage. Law enforcement officials knew all about Kuklinski and had a list of his victims, but couldn't get near him—until undercover agent Dominick Polifrone posed as a mobster and began a deadly game of cat and mouse. In this harrowing true-crime account, Anthony Bruno delves into the mind of a cold-blooded killer, chronicling the Iceman's grisly crimes and probing the bizarre dynamics of Agent Polifrone's dangerous liaison with him. For as Polifrone carefully built up a case against Kuklinski, he knew he was running out of time—because the Iceman was planning to kill him too. "Bruno puts his writing talents to white-knuckle use with a tight focus on a killer with no human feelings."—Kirkus Reviews "Excellent . . . [re-creates] the tension and stress Polifrone experienced in fulfilling his risky undercover assignment."—Publishers Weekly

A 2-in-1 Collection Deadly Business (Primavera Blackstone series, Book 4) A twisting crime novel of intrigue and suspense

There are some people you simply don't mess with... The appearance of a mysterious writer disrupts Primavera Blackstone's carefully guarded world in Quintin Jardine's explosive crime novel *Deadly Business*. Perfect for fans of Ian Rankin and Peter May. It's the Fiesta de San Juan in Spain, the national celebration of the Summer Solstice, and there's much excitement about a huge firework display in the village of St Marti. But Primavera Blackstone is more inflamed by the appearance of a mysterious writer, Duncan Culshaw, who is determined to rake through the ashes of her past. And when extortion and blackmail are mentioned, Primavera realises the heat is on. Duncan has his fingers burned, playing fast and loose with the fiercely protective Prim, but when he marries a dying woman for her money, threatening the inheritance of Prim's son Tom, things are going to get explosive... but happily, there's a new guardian angel in town. What readers are saying about *Deadly Business*: 'So many twists and turns that leave you hanging onto every word' 'A page turner from start to finish' 'I found it hard to put the book down until I had read it all. Well written and gripping'

VENGEANCE CAN BE DEADLY In book five of the Warren Steelgrave series, Warren Steelgrave has settled into a comfortable life in a small village in Northern Italy. Suddenly all that changes. Having just left a dear friend, she is murdered, and he has become the prime suspect. Warren Steelgrave cared deeply for her and swears to avenge her death and clear his name. Warren untangles a web of deceit, at first benign, then grown malignant by greed and evil. Professional criminals have become involved with international spies and mafia accomplices. Steelgrave's sworn vengeance and "willingness" to find justice have put him and his loved ones in grave danger. Travel down the dark alleyways of intrigue through Italy and the United States. Warren is warned; vengeance can be deadly. Will, there be justice and light at the end of this literary journey, or will the last chapter be Warren's obituary?

[Deadly Home](#) Kogan Page Publishers

Hurt Jill Shannon once, shame on you. Hurt Jill Shannon twice, and she'll bury you six feet under. After running fast and far from her painful childhood, Jill Shannon has made it. She has a successful career and is married to Detective Alex Shannon. Together they live out what seems to be a perfect life in Seattle. The vow she made as a teenager to never again be a victim lies dormant-until one day a reporter lures her to his hotel room under the pretense of an interview-and suddenly it all comes rushing back. Jill seeks revenge on the reporter, triggering a series of events that leads Jill down a wormhole of retribution, forcing her to spin an ever-widening web of lies. Meanwhile, Alex is on the case of a series of murders that began as cyber relationships. There seems to be a familiar fingerprint on these crimes, but Alex refuses to believe that the murderer could be so close to him. For those who couldn't put down *The Girl with the Dragon Tattoo* comes a thrilling ride a la Mr. and Mrs. Smith, where husband and wife stand on opposite sides of a divide created by lies and rooted in a dark and deadly past. *Deadly Lies* is Book 1 of the Jill Shannon Murder Series

[The Untold Story of the Scott Peterson Investigation](#) [Headline](#)

"Wiehl's experience as a former federal prosecutor gives the narrative an authenticity in its depiction of the criminal justice system. Henry's expertise in writing mysteries and thrillers has placed her on the short-list for the Agatha, Anthony, and Oregon Book awards. The coauthors' . . . fast-paced detective series will keep legal thriller readers and John Grisham fans totally engrossed." —Library Journal A prosecutor of violent criminals. A detective on a dangerous beat. When these two pros take on an off-the-books case, the line between professional and personal becomes perilously blurred. When a twenty-two-year-old convict walks into the courtroom, his eyes confirm what Mia Quinn already guesses: he blames her for his conviction. In seconds, he knocks her to the ground and holds a razor blade to her throat. While she manages to escape without injury, it's just one more reminder that Mia's job prosecuting Seattle's s most dangerous criminals is far from low risk. As a single mom, the last thing Mia wants is for her work to follow her home or discover that it already has. Now Detective Charlie Carlson is suggesting the very thing Mia doesn't want to believe—that her accountant husband's deadly car accident was no accident at all. When Mia and Charlie encounter resistance to reopening the case, they take the investigation into their own hands. And they find much more than they bargained for. Was Mia's husband more than an accountant . . . and less than an honest man? As the truth becomes more shocking and the case grows more complex, her husband's killers take note of Mia . . . and her children. How far will this prosecutor go to learn the truth about her husband—and how far will she have to go to protect her family?

[The Mysterious Rider. Valley War & Desert Gold \(Adventure Trilogy\)](#) John Wiley & Sons

A new series from award-winning author Beth Groundwater *The Arkansas River*, heart and soul of Salida, Colorado, fuels the small town's economy and thrums in the blood of river ranger Mandy Tanner. When a whitewater rafting accident occurs, she deftly executes a rescue, but a man dies

anyway. Turns out, it wasn't the rapids that killed him—he was murdered. Tom King was a rich land developer with bitter business rivals, who cheated on his wife, refused to support his kayak-obsessed son, and infuriated environmentalists. Mandy's world is upended again when tragedy strikes closer to home. Suspicious that the most recent death is connected to Tom King's murder, Mandy goes on an emotionally turbulent quest for the truth—and ends up in dangerous waters. Praise: "Groundwater kicks off a new series that combines outdoor action with more than a modicum of old-fashioned detection."—Kirkus Reviews "With a fresh locale and a spunky if at times too emotional heroine, this is a promising new series by the author of the gift-basket designer Claire Hanover mysteries (*A Real Basket Case*)."—Library Journal "Readers who enjoy fast-moving stories and wilderness environments will keep turning the pages of this promising series debut."—Booklist "The amiable cast, along with Groundwater's fascinating firsthand knowledge of rafting, makes this a series worth watching."—Mystery Scene "An entertaining read...[*Deadly Currents* is] a classic and well-written murder mystery, you won't be able to put it down."—Colorado Country Life "Groundwater's novel is filled with river lore, vivid descriptions, and loving depictions of the varied characters who make up the tight-knit community."—Alfred Hitchcock Mystery Magazine "A remarkable book by an author who clearly knows and loves her territory. Don't miss it!"—William Kent Krueger, New York Times bestselling author "Comes rushing at you from the first page like roiling whitewater, and culminates in a riveting climax that lives up to this book's name. If you like outdoor adventure and gripping characters, this one's a must-read."—Sandi Ault, Mary Higgins Clark and WILLA Award-winning author of the *Wild Mystery Series* "A heart-racing debut with as many twists and turns and unexpected upsets as a ride through the rapids itself."—Margaret Coel, author of *The Silent Spring*

The True Story of a Cold-Blooded Killer Harlequin

The envelope was tied with three delicate silk ribbons: "One of the new recruits is not to be trusted..." It's 1959 and a new killer haunts the streets of London, having baffled Scotland Yard. The newspapers call him The Florist because of the rose he brands on his victims. The police have turned yet again to the Inquirers at Miss Brickett's for assistance, and second year Marion Lane is assigned the case. But she's already dealing with a mystery of her own, having received an unsigned letter warning her that one of the three new recruits should not be trusted. She dismisses the letter at first, focusing on The Florist case, but her informer seems to be one step ahead, predicting what will happen before it does. But when a fellow second-year Inquirer is murdered, Marion takes matters into her own hands and must come face-to-face with her informer—who predicted the murder—to find out everything they know. Until then, no one at Miss Brickett's is safe and everyone is a suspect. With brilliant twists and endless suspense, all set within the dazzling walls and hidden passageways of Miss Brickett's, Marion Lane and the *Deadly Rose* is a deliciously fun new historical mystery you won't be able to put down.

[Quest for Blackbeard: The True Story of Edward Thache and His World](#) CRC Press

This is my story-the story of a pilot who flew airplanes for some thirty-seven years: ten years in the United States Air Force, primarily in jet fighters, and then twenty-seven years flying commercial jet airliners. I was inspired to write this story after reading the autobiography, a few years ago, of Gen. Chuck Yeager-he being the world-renowned test pilot, World War II fighter ace, and first man to break the sound barrier in the Bell X-1. My story is the story of an average pilot, an average guy who survived several close calls, had many interesting experiences along the way, and often wondered, "Am I still here because I was especially good or because I was especially lucky?" I think the answer is definitely a combination of the two, just as Yeager says or implies in his book. With him, it may have been a larger contribution of skill, but as he said, "The secret of my success is that I always managed to live to fly another day." I have to echo that comment. While flying around the country with American Airlines, during "hours of complete boredom" (as we say), we pilots often traded our "war stories" of our flying (and other) experiences. I often thought that I had many tales that were similar to some of Yeager's and that I should put my experiences down on paper, even if it would only be my family who might read it. So this, then, is my story, my life, primarily, as it revolved around my aviating experiences over some thirty-seven years, from the viewpoint of a pilot who has no particular claim to fame but who has survived "to fly another day." One of the best descriptions of a flying career says: "You start out with a big bag of luck and an empty bag of experience; you want to fill the bag of experience before you empty the bag of luck!" I guess I have done that.

[Kmart's Ten Deadly Sins](#) Rowman & Littlefield

Created by gods, the forged Twelve Swords can kill the gods themselves if they fall into human hands, and when Vilkata the Dark King returns from exile determined to get the swords, only an untested boy, with Shieldbreaker in hand, stands in the man's way. Reissue.

[PublishDrive](#)

The endless wars of the seventeenth century took their toll in the lives of millions of soldiers and crushing taxes. To legitimize war, Europe's rulers turned to the Church: 'O God, we praise you', Te Deum Laudamus, was sung in the churches of France and Sweden to celebrate victory in battle. It was a way of thanking God, but also an opportunity for congregations to learn what had happened - and an occasion for festivities. In *The Story of War*, the historian Anna Maria Forssberg applies a narrative and ritual perspective to the Te Deum, looking at specific wars such as the Thirty Years War and at themes such as peace and enmity. This is a unique, comparative study of war propaganda in early modern times, and how it defined the roles of ruler and ruled alike. There were national differences, but ultimately all war stories were highly selective. Bloody defeat and uneventful everyday life were glossed over; what mattered were spectacular victories and royal glory. Yet in the end, the war stories peddled in both Sweden and France were profoundly challenged by the crisis of 1709.

[Avoiding the Seven Deadly Sins That Destroy Family Businesses](#) Macmillan

Do you know who "Blackbeard the Pirate" was? Probably not! Born into a substantial family in Bristol, the eldest son of Capt. Edward and Elizabeth Thache sailed for Jamaica with his family sometime before 1695. Capt. Edward Thache of St. Jago de la Vega or "Spanish Town" died there at age 47 while his son, Edward "Blackbeard" Thache Jr. joined the Royal Navy and fought in Queen Anne's War aboard HMS Windsor. Thache resembled more a Robber Baron of the early 20th century than a poor downtrodden member of Benjamin Hornigold's "Flying Gang" in the Bahamas - or even his "pupil." Capt. Charles Johnson's "A General History of the Pyrates" is a flawed historical work and much of what we have previously known about Blackbeard is simply not true. This progressive book attempts to rediscover exactly who Blackbeard really was and how he related to his maritime American "Pirate

Nation!" Quite a few surprises are in store! Website: <http://baylusbrooks.com>

A twisting crime novel of intrigue and suspense Thomas Nelson

In 1991, flight attendant Nancy Ludwig checked in to an airport hotel near Detroit. The next morning she was found gagged, raped, and tortured-her throat slit with such rage that she was nearly decapitated. Her husband Arthur never gave up hope that the future would bring enough evidence to close the case. But it was the past that held the clue. In 1985, fifty-five-year old Margarette Eby, a music professor, met the same grisly death at her cottage in Flint, Michigan. The case went cold-until six years later when the victim's son Mark came upon the story of Nancy Ludwig's slaying. With

nothing to go on but intuition, he called authorities, certain that the same fiend committed both crimes. A cunning sting operation yielded irrefutable DNA evidence, and authorities were led to the home of respected navy veteran Jeffrey Gorton living quietly with his wife and two children. But his cold-blooded secrets were only beginning to come to light, leaving fears that there were more victims yet to be found in a killing spree that had finally come to an end. Blood Justice shows veteran reporter and author Tom Henderson at the top of his game.

Blood Justice Harper Collins

The true story behind the murder of Daniel R. Seifert and the conviction of Mob boss Joey "the Clown" Lombardo, three decades later.
