West is a monthly comic book series
published by Image Comics which debuted

in March 2013 and was concluded in December 2019. Created by writer Jonathan Hickman and artist Nick Dragotta, the book is a science fiction Western set in a dystopian version of the United States whose fate rests with the Four Horsemen of the Apocalypse. East of West - Wikipedia. East of the West is a collection of short stories by a Bulgarian writer, now settled in the US. Penkov narrates stories that are rich in the culture and history of Bulgaria. These stories explore the lives of different characters, from staunch communists to American-Bulgarians, from unfulfilled lovers to failures clinging on to life. East of the West: A Country in Stories by Miroslav Penkov. These are Miroslav Penkov's strange, unexpectedly moving visions of his home country, Bulgaria, and they are the stories that make up this beguiling and deeply felt debut. Animated by Penkov's unmatched eye for the absurd, East of the West is a brilliant portrait of a country with its own compass. Amazon.com: East of the West: A Country in Stories ... East of the web: short stories, ebooks, interactive. East of the web. In East of the West, Penkov writes with great empathy of centuries of tumult; his characters mourn the way things were and long for things that will never be. But even as they wrestle with the weight of history, with the debt to family, with the pangs of exile, the stories in East of the West are always light on their feet, animated by

Penkov's unmatched eye for the absurd. *East of the West: A Country in Stories* - Kindle edition by ... The kingdom was so far away that it was somewhere east of the sun and west of the moon.
