What happens when the person you find most impossible becomes impossible to resist? The Hating Game meets The West Wing in this hilarious across-the-aisle romantic comedy debut about America's least likely couple. There's just one thing standing between liberal Senate staffer Kate Adams and passage of the landmark legislation she's been fighting for all year: Ben Mackenzie, intimidating gatekeeper for one of DC's most powerful conservative senators. After Kate and Ben lock horns in a meet-not-so-cute, they vow to take each other down—by any means necessary. Their ensuing power struggle gives new meaning to

the term office politics: prank mail, spying, bets gone awry—nothing's off limits in their battle of wills. She thinks he's arrogant (and doesn't deserve those gorgeous green eyes). He thinks she's too quick to judge (and irresistibly distracting). But as their endless game of one-upmanship becomes Kate's favorite part of the day, she starts to wonder if her feelings for Ben are closer to attraction than animosity...and maybe their sparring is flirting. When Kate realizes there's more to Ben than meets the eye, she's forced to confront her biggest fear: In her sworn enemy, she may have found her perfect match. Perfect for fans of Sally Thorne and Jasmine Guillory, *Meet You in the Middle* is a modern, heartfelt and hopeful romance that hilariously explores what happens when you fall in love with your political polar opposite.

You Against Me HarperCollins

17-year-old Lila has two secrets she's prepared to take to the grave. The first is that she can move things just by looking at them. The second is that she's been in love with her brother's best friend, Alex, since forever. After a mugging exposes her unique ability, Lila decides to run to the only people she can trust - her brother and Alex. They live in Southern California where they work for a secret organisation called The Unit, and Lila discovers that the two of them are hunting down the men who murdered her mother five years before. And that they've found them. In a world where nothing and no one is quite as they seem, Lila quickly realises that she is not alone - there are others out there just like her - people with special powers -and her mother's killer is one of them...

A girl accepts a mysterious invitation to play a deadly game in this suspense-filled thriller from the author of HEXED--perfect for fans of NERVE by Jeanne Ryan and Lauren Oliver's PANIC. You are

cordially invited to participate in a game of thrills and dares. Tell no one. And come alone. Hope is sick of everyone treating her like she’s breakable. Sure, she has cystic fibrosis (basically really bad lungs), but she’s tired of being babied by her mom and her overprotective best friend, Ethan, not to mention worrying about paying for her expensive medication and how she’s going to afford college. And she’s bored with life in her run-down New Orleans suburb. When an invitation arrives from a mysterious group that calls itself the Society, Hope jumps at the chance for some excitement. This could be her ticket out. All she has to do is complete a few dares and she just might win some real money. But the Society isn’t all that it seems . . . and soon Hope finds that playing the game isn’t a choice—it’s a requirement. “Dark, twisty, and thrilling.” —Danielle Paige, New York Times bestselling author of *Dorothy Must Die* “A delicious and fast-paced read! This one kept me up way past my bedtime!” —Julie Murphy, #1 New York Times bestselling author of *Dumplin’* A YALSA Quick Pick for Reluctant Readers

Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their violent father if she promises to never leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James' best friend — and the boy Sarah's had a crush on — for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

If I Stay Simon and Schuster

New York Times bestselling author Ted Dekker teams with Tosca Lee to create this gripping thriller set in a desolate future. Many years have passed since civilization's brush with apocalypse. The world's greatest threats have all been silenced. There is no anger, no hatred, no war. There is only perfect peace... and fear. But a terrible secret has been closely guarded for centuries: Every single soul walking the earth, though in appearance totally normal, is actually dead, long ago genetically stripped of true humanity. Fleeing pursuit, with only moments to live, a young

man named Rom stumbles into possession of a vial of blood and a piece of cryptic writing. When consumed, the blood will bring him back to life. When decoded, the message will lead him on a perilous journey that will require him to abandon everything he has ever known and awaken humanity to the transforming power of true life and love. But the blood will also resurrect hatred, ambition, and greed. Set in a terrifying, medieval future, where grim pageantry masks death, this tale of dark desires and staggering stakes peels back the layers of the heart for all who dare to take the ride.

A Tangle Of Magicks Simon and Schuster

When Samuel Godwin, a young and naive art tutor, accepts a job with the Farrow family at their majestic home, little does he expect to come across a place containing such secrets and lies. His two tutees are as different as can be--younger sister Marianne, full of flightiness and nervous imagination, and Juliana, sensible and controlled. Helped by their governess, Charlotte Agnew, Samuel begins to uncover slowly why Marianne is so emotionally fragile, and in doing so uncovers a web of intrigue. But his discoveries lead to revenge and betrayal--and lives all around are turned upside down. Linda Newbery has written a novel in diary style, combining different voices and a different century with her usual brilliance and ease. These are characters full of the same passions as our own today, while living in an unfamiliar and fascinating time.

In his final year at the Royal College of Music, star pianist Flynn Laukonen has the world at his feet. He has moved in with his girlfriend Jennah and is already getting concert bookings for what

promises to be a glittering career. Yet he knows he is skating on thin ice - only two small pills a day keep him from plunging back into the whirlpool of manic depression that once threatened to destroy him. Unexpectedly his friends seem to be getting annoyed with him for no apparent reason, he needs less and less sleep, he is filled with unbridled energy. Events begin to spiral out of control and Flynn suddenly finds himself in hospital, heavily sedated, carnage left behind him. The medication isn't working any more, the dose needs to be increased, and depression strikes again, this time with horrific consequences. His freedom is snatched away and the medicine's side-effects threaten to jeopardize his chances in one of the biggest piano competitions of his life. It seems like he has to make a choice between the medication and his career. But in all this he has forgotten the one person he would give his life for, and Flynn suddenly finds himself facing the biggest sacrifice of all.

#1 UK Bestseller “A thoughtful, funny, companionable novel...executed with verve.”—London Times The author of the acclaimed *Crooked Heart* returns with a comic, charming, and surprisingly timely portrait of a once pioneering suffragette trying to find her new passion in post-WWI era London. 1928. Riffing through a cupboard, Matilda Simpkin comes across a small wooden club—an old possession that she hasn't seen for more than a decade. Immediately, memories come flooding back to Mattie—memories of a thrilling past, which only further serve to remind her of her chafingly uneventful present. During the Women's Suffrage Campaign, she was a militant who was jailed five times and never missed an opportunity to return to the fray. Now in middle age, the closest she gets to the excitement of her old life is the occasional lecture on the legacy of the militant movement. After running into an old suffragette comrade who has committed herself to the wave of Fascism, Mattie realizes there is a new cause she needs to fight for and turns her focus to a new generation of women. Thus the Amazons are formed, a group created to give girls a place to not only exercise their bodies but their minds, and ignite in young women a much-needed interest in the world around them. But when a new girl joins the group, sending Mattie's past crashing into her present, every principle Mattie has ever stood for is threatened. *Old Baggae* is a funny and bittersweet portrait of a woman who has

never given up the fight and the young women who are just discovering it.

Lament Abigail Davies

An intense and riveting novel from the critically acclaimed author of *Before I Die*. If someone hurts your sister and you're any kind of man, you seek revenge. If your brother's accused of a terrible crime but says he didn't do it, you defend him. When Mikey's sister claims a boy assaulted her, his world begins to fall apart. When Ellie's brother is charged with the offense, her world begins to unravel. When Mikey and Ellie meet, two worlds collide. This is a brave and unflinching novel from the bestselling author of *Before I Die*. It's a book about loyalty and the choices that come with it. But above all, it's a book about love.

Love Hurts Penguin Group

Ferris Bueller's *Day Off* meets Nick and Norah's *Infinite Playlist* in this romp through the city that never sleeps from the New York Times bestselling author of *Since You've Been Gone*. Two girls. One night. Zero phones. Kat and Stevie—best friends, theater kids, polar opposites—have snuck away from the suburbs to spend a night in New York City. They have it all planned out. They'll see a play, eat at the city's hottest restaurant, and have the best. Night. Ever. What could go wrong? Well. Kind of a lot? They're barely off the train before they're dealing with destroyed phones, family drama, and unexpected Pomeranians. Over the next few hours, they'll have to grapple with old flames, terrible theater, and unhelpful cab drivers. But there are also cute boys to kiss, parties to crash, dry cleaning to deliver (don't ask), and the world's best museum to explore. Over the course of a wild night, both Kat and Stevie will get a wake-up call about their

friendship, their choices...and finally discover what they really want for their future. That is, assuming they can make it to Grand Central before the clock strikes midnight.

Set In Stone Random House

Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life

forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Warning: contains explicit sex, profanity and enough sarcasm to choke a horse.
