Introduction To Statistical Learning" An

Introduction to Statistical Learning (ISL)"

by James, Witten, Hastie and Tibshirani is

the "how to" manual for statistical

learning. Inspired by "The Elements of

Statistical Learning" (Hastie, Tibshirani

and Friedman), this book provides clear

and intuitive guidance on how to

implement cutting edge statistical and

machine learning methods. Introduction to

Statistical Learning An Introduction to

Statistical Learning provides an accessible

overview of the field of statistical learning,

an essential toolset for making sense of

the vast and complex data sets that have

emerged in fields ranging from biology to

finance to marketing to astrophysics in the

past twenty years. This book presents

some of the most important modeling and

prediction techniques, along with relevant

applications. An Introduction to Statistical

Learning: with Applications ... Introduction.
