The Rational Peasant: The Political Economy of Rural ... The Rational Peasant The PoliticalThe Rational Peasant: The Political Economy of Rural Society in Vietnam is a non-fiction book by University of California, San Diego political scientist Samuel L. Popkin. Originally conceived to be a reflection on the Vietnam Revolution, the book introduces the term "political economy" as a new theory of peasant behavior. Popkin surveys the precolonial, colonial, and revolutionary history of Vietnam seeking to understand the impact of outside shocks on peasant communities, and ...The Rational Peasant: The Political Economy of Rural ...THE RATIONAL PEASANT The Political Economy of Peasant Society SAMUEL POPKIN This essay concerns the impact of colonialism, the expansion of markets, and the formation of central states on peasant society. I shall discuss both the widely-accepted interpretation of this impact, the moral economyThe Rational Peasant: The Political Economy of Peasant SocietyIn The Rational Peasant, Popkin attempts to discredit the common assumption of moral economy and impose his own idea of political economy. Moral economists believe that peasant protest is a result of falling below a subsistence level (short-run security), or the loss of traditional institutions that "provided for peasant welfare (long-term security)" which often result as the imposition of a capitalist economy (5).The Rational Peasant: The Political Economy of Rural ...The Rational Peasant: The Political Economy of Rural Society in Vietnam.
