 Bring more love, peace, healing, and personal empowerment into your life by working with the Hindu, Greek, and Egyptian goddesses. Looking for love? Aphrodite will assist you. Need a magical boost? Isis will show you the way. Lacking inspiration? Sarasvati will set your creativity flying. Invoke the Goddess explores the symbolism of fifteen female manifestations of the Divine and offers guided visualizations that will show you how to connect with the Goddess's power. You'll also discover a thorough guide to cleansing your chakras, preparing ritual colored baths of solarized water, and the basics of a healthful and magical diet and exercise plan. This remarkable book makes it easy to find the perfect deity you need for enhancing your life and relationship with the Goddess. (Previously sold as ISBN 9781567184310.)

 "Seeks to understand the major mythological role models that mark the moral landscape navigated by young Hindu women. Heidi Pauwels compares how the figures of Sita and Radha have been portrayed in a variety of media: the ancient Sanskrit sources, medieval vernacular retellings, and contemporary television shows"—OCLC

A Sourcebook New World Library
 These 130 articles Aisan mythologies and cover such topics as Buddhist and Hindu symbolic systems, myth in pre-Islamic Iran, Chinese cosmology and demons, and the Japanese conceptions of the afterlife and the "vital spirit". Also includes myths from Turkey, Korea, Tibet, and Mongolia. Illustrations.
NBS#44: 'Gopi-gita' Lexington Books
 Radhe Kṛṣṇa (An eternal bliss) is a collection of quotes and poems written with love and grace over the Lord. We are brought together under the roof of devotion, emotionally overwhelming and happily sulking in the music of Krishna and surrendering ourselves to him, mesmerized by the beauty of Radha, words flowed like river, which filled our hearts and also the pages of the book. It's all, the grace and blessings of Radhakrishna on us, we were able to jot our words on them and show it to the world.
[Krishna](#) Penguin UK
 In tracing the evolution of Radha from that of a gopi to a goddess one traverses not only a span of several centuries, but travels through cultural divides, political dynasties and philosophical debates. Radha portrays in poetry and painting, dance and drama, sculpture and icon, songs and stories how Radha occupies a special place in sociology and psychology, aesthetics and theology.
[Gopi-prema](#) Createspace Independent Publishing Platform
 About the Book Of all the mythic characters in the Hindu pantheon none is more enigmatic and evocative than Radha. Appearing for the first time in Jayadeva's Gita Govinda, where she is the ultimate beloved, she traverses political dynasties, royal ateliers and social barriers to emerge as a consort of Krishna. Brought alive by poets, developing a colourful presence in the hands of painters, dancing through prosceniums and acquiring a lyrical life through songs, both classical and popular, Radha is present in homes and havelis, celebrated by the the samajika and the rasika, has a presence in temples and roadside shrines as a symbol of pure and eternal love. And yet there are so many questions about her life; poets differ in their portrayals of her, historians argue, dancers claim her through their interpretations and for the common person she is now a shringara rasa nayika and now a goddess. But Radha stands steadfastly alone refusing to be bound down by poets or potters, dancers or singers. Harsha V. Dehejia weaves an enchanting story of Radha with a multicoloured thread, where myth blends into history and fiction challenges reality and Radha emerges in all her poetic glory in this spellbinding story. Vijay Sharma and his team of artists bring Radha colourfully alive with miniature paintings, for it is there rather than sculpture that Radha resides. She is essentially kavyamaya, her origins are in the minds of poets, it is there that she grows, dallies and evolves. And while her voice is heard in

songs and her footsteps resonate with dancers, it is in miniature paintings, through line and colour, that Radha comes alive as a multidimensional, many-nuanced paragon of love. This is Radhayan. About the Author Harsha V. Dehejia has a double doctorate, one in medicine and other in ancient Indian culture, both from Mumbai University. He is also a member of the Royal College of Physicians of London, Glasgow and Canada all by examination. He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa, Canada. His main interest is in Indian aesthetics.

Exploring the Wisdom and Power of the Divine Feminine around the World Princeton University Press
 Here is the answer to the desire of many thoughtful laymen for an intelligent appraisal of the great contemporary faiths. This is not a reference book, but a group of essays for the general reader on the idea, the spiritual core, of the chief religions of the modern day. Each essay is written simply and objectively by an eminent scholar, with the authority that is the fruit of a lifetime study of his subject. Fidelity to the classical tenets of each religion and a desire to permit each to speak for itself are salient features of the work of these men. They collaborated on the fundamental outline

of the book, with the result that it is well integrated—not a random collection of articles. Recent events in China, Palestine, India, Indonesia, Japan and many other parts of the globe lend a special interest to the subject at this time, but this is not a book on current events. It takes a larger view, and is a study of religion in its widest connotations, as a potent force in history and as a meaningful influence in the world today. Originally published in 1946. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Goddesses in World Culture Partridge Publishing

Garland of Visions explores the generative relationships between artistic intelligence and tantric vision practices in the construction and circulation of visual knowledge in medieval South Asia.

Shifting away from the traditional connoisseur approach, Jinh Kim instead focuses on the materiality of painting: its mediums, its visions, and especially its colors. She argues that the adoption of a special type of manuscript called pothi enabled the material translation of a private and internal experience of "seeing" into a portable device. These mobile and intimate objects then became important conveyors of many forms of knowledge—ritual, artistic, social, scientific, and religious—and spurred the spread of visual knowledge of Indic Buddhism to distant lands. By taking color as the material link between a vision and its artistic output, Garland of Visions presents a fresh approach to the history of Indian painting.

Color, Tantra, and a Material History of Indian Painting Llewellyn Worldwide

This is a definitive and easy to understand guide to the essential as well as devotional heart of the Vedic/Hindu philosophy. Using numerous references, it gives you access to the most important knowledge presented in the Vedic texts regarding your real potential and spiritual identity. Thus, it is especially good for anyone who lacks the time to research the many topics that are contained within the library of Vedic manuscripts and to see their insights and wisdom. Some of the topics you will find include: A complete review of all the Vedic texts and the wide range of topics they contain, and their philosophical conclusion. The uniqueness and freedom in the Vedic system of self-discovery. A description of the main yoga processes and their effectiveness, and the real purpose of yoga. A review of the main Vedic Divinities, such as Krishna, Radharani, Vishnu, Lakshmi, Shiva, Durga, Ganesh and others. All the essential teachings of Lord Krishna. The most effective spiritual process for this modern age and what it can do for you, with practical instructions for deep realizations, and much more. This book provides you with a complete process for advancing on the spiritual path, making way for individual empowerment, freedom, and spiritual illumination.

The Heart of a Gopi Oxford University Press

The first exhaustive collection of goddess mythologies from India.

•Explores the evolution of goddess worship in India over 4,000 years. •Stunning color photographs illustrate many stories of goddess lore never before available in one collection. In India it is said that there is a goddess in every village, a nymph in every lake. Demoneses stand guard on village frontiers, ogresses howl on crossroads, and untamed forests resound with the laughter of celestial virgins. It is a land of mysterious Apsaras and seductive Yakshinis, of terrifying Dakinis and wise Yoginis—each with a story to tell. In this wide-reaching exploration of ancient Hindu lore and legends, author Devdutt Pattanaik discovers how earth, women and goddesses have been perceived over 4,000 years. Some of the tales recounted are revered classics, others are common and folklorish, often held in disdain by priests. Until now, most have remained hidden, isolated in distant hamlets or languishing in forgotten libraries, overwhelmed by the din of masculine sagas. As the tales come to light through word and stunning color imagery, the author identifies the five faces given to the eternal feminine as man sought to unlock the mysteries of life: the female half of existence is at first identified with Nature, gradually deified and eventually objectified. She comes to be seen as the primal mother, fountainhead of life and nurturance. The all-giving mother then transforms into the dancing nymph, a seductress offering worldly pleasures that bind man in the cycle of life. As this nymph is domesticated, the dominant image of woman becomes the chaste wife with miraculous powers. Finally the submissive consort redefines herself as the wild and terrifying goddess who does battle, drinks blood, and demands appeasement. Exploring mysteries of gender and biology, and shedding light on the roots of taboos and traditions practiced in India today, the author shows how the image of the Mother Goddess can be both worshipped and feared when she carries the face of mortal woman.

The Postcharismatic Fate of a Religious Transplant Penguin Enterprise

Shakti's New Voice is the first comprehensive study of Anandmurti Gurumaa, a widely popular contemporary female guru from north India known for offering spiritual teachings and music on satellite television and the Internet.

The Goddess Pages Open Road Media

Treatise on Sanskrit poetics and Vaishnava poetry.

Sita and Radha in Scripture and on Screen PartridgeIndia

Dancing and chanting with their shaven heads and saffron robes, Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies. Yet few people know much about them. This comprehensive study includes more than twenty contributions from members, ex-members, and academics who have followed the Hare Krishna movement for years. Since the death of its founder, the movement, also known as the International Society for Krishna Consciousness (ISKCON), has experienced debates over the roles of authority, heresy, and dissent, which have led to the development of several splinter movements. There is a growing women's rights movement and a highly publicized child

abuse scandal. Providing a privileged look at the people and issues shaping ISKCON, this volume also offers insight into the complex factors surrounding the emergence of religious traditions, including early Christianity, as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil.

A Concise Guide to Nine Major Faiths Scarecrow Press

Throughout time, people have turned to goddesses as symbols of what they seek — from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need.

Śrī Ujjvala-nīlamanī DK Printworld (P) Ltd

Krishna is a central figure in Hinduism, a religion that has been a fundamental force for thousands of years. This accessible encyclopedia covers texts, practices, scholarship, and arts related to Krishna from the earliest known sources on. • Overviews the importance of Krishna to world history • Offers topical and thematic entries illuminating classical texts and practice and modern developments inside and outside India • Covers philosophical traditions such as Advaita and vegetarianism as well as spiritual and yoga traditions and their contemporary adaptations • Includes extensive studies of followers and founders of Krishna in India and around the world • Shares geographical information regarding sacred places and places of pilgrimage

The Hare Krishna Movement ABC-CLIO

This book is about the Pichwai paintings, which have been in practice for the last three hundred years in Vallabhacharya Sect temples of Lord Krishna. These paintings portray Lord Krishna. Lord Krishna as a child is shown in different moods, attires, and postures. Painting Pichwai is an ancient form of art passed on from generation to generation, and it has a devotional theme toward Lord Krishna.

From Gopi to Goddess ABC-CLIO

Radha is the most beloved of all goddesses. She is the consort of Lord Krishna. She is the most beautiful and the most loving. She is the most devoted and the most faithful. She is the most pure and the most innocent. She is the most graceful and the most elegant. She is the most charming and the most captivating. She is the most mysterious and the most enigmatic. She is the most powerful and the most majestic. She is the most divine and the most sacred. She is the most perfect and the most complete. She is the most beautiful and the most loving. She is the most devoted and the most faithful. She is the most pure and the most innocent. She is the most graceful and the most elegant. She is the most charming and the most captivating. She is the most mysterious and the most enigmatic. She is the most powerful and the most majestic. She is the most divine and the most sacred. She is the most perfect and the most complete.
