Lose Your Accent in 28 Days is the powerful, proven system that will help you master American English pronunciation in weeks -- not months or years. Practice 30 minutes a day for 4 weeks and greatly improve your pronunciation. No more being asked to repeat yourself! No more being asked, "What did you say?" Discover the pronunciation system preferred by faculty and students at America's most prestigious universities -- including Cornell, UC Berkeley, Middlebury, and University of Southern California. *Lose Your Accent in 28 Days* features an

interactive CD-ROM that shows you exactly how to pronounce EVERY vowel and consonant through hundreds of video clips. The Audio CD includes over 70 minutes of material on rhythm, stress, and everyday speech patterns. The Workbook offers 80 techniques for better pronunciation. In all, you'll learn from 956 guided examples. What an easy and enjoyable way to lose your accent! *Lose Your Accent in 28 Days* is complete. There are no extras to buy. You get all this with your system: * A CD-ROM. Learn to position your mouth and make those difficult vowel and consonant sounds you never thought you could. If you use a system without video, you'll miss the picture. - An Audio CD. Join Ravin and her expert team to practice rhythm, stress and

everyday speech patterns. Develop perfect pronunciation and total confidence! - A Workbook. Master pronunciation techniques that will make you sound native-born! People will no longer ask, "What did you say?" - A Carrying Case. Study both at home and on-the-go with this durable and attractive case! Why do people choose this system over the others? * Most accent reduction training systems have audio only. It is very helpful to see the instructor's mouth so you know how to position your own mouth to make the sounds correctly. * Systems that use a video-cassette or DVD do not allow you the incredible flexibility of being able to click with your mouse on the sounds you need to practice...and click over and over again until you've mastered the target sound. * Many systems are complicated and difficult to use. After a few chapters, many people just give up in frustration. Lose Your Accent in 28 Days is clear and user-friendly so you look forward to studying every day. * Lose Your Accent in 28 Days also helps you master new vocabulary as you go. The system includes a handy idioms glossary defining every idiom used in the book.

AMERICAN ENGLISH PRONUNCIATION PRACTICE - BOOK ONE - MORE THAN 800 SENTENCES WITH THEIR PHONETIC TRANSCRIPTIONS AND MUCH MORE!!!!

Learning how American people express themselves in real-life conversation, relaxed and fluently, is far from Standard English. If you already speak some English, thinking about sounding more native-like is crucial. We invite you to see how Americans speak real English and finally see what they do that causes so many troubles for non-native speakers. All books in the series of AMERICAN ENGLISH PRONUNCIATION PRACTICE provide double phonetic representation (detailed sound information of words and sentences) based on the International Phonetic Alphabet and the Brazilian Portuguese Alphabet for our readers' convenience. Use these books as an unprecedented and innovative opportunity to sharpen your pronunciation and reduce your accent. The phonetic transcriptions are reliable and represent the English sounds consistently. For this reason, we hope that these books will be of great benefit for both Brazilian students and students from other countries as well. This series of AEPP books provide a modern, innovative, and comprehensive learning method with enjoyable reading and an enormous content of selected sentences and their "secrets." Our commitment is to explore those phrases and sentences in which native speakers and non-native speakers do not understand each other (especially those useful in real-life conversation). You will be surprised at how quickly these books can make a significant improvement in your studies. You will be able to build fluency with autonomy and accuracy. In fact, AEPP was designed to be a handy and useful tool in the English pronunciation learning process, perfect for self-study (independent study) and classroom activities. The series of AMERICAN ENGLISH PRONUNCIATION PRACTICE can really change the way you speak the English language.

The Sound of English: English Pronunciation Practice by Dave Alber is an English training book that focuses on speaking English and the sounds of English pronunciation. English sounds and pronunciation are essential in order to speak good English. Therefore, when people want to learn English, they need to focus on how to speak English. Because English is a phonetic language, spoken English is vital for learning English. This is a key point, English pronunciation is essential for clear speech. You can communicate with confidence and clearly express your ideas only after you gain the knowledge of the sound of the English

language. The Sound of English: English Pronunciation Practice organizes the vowel sounds in an easy to use table. This table is great for pronunciation drills. Next, the consonant sounds are described and presented in many practical examples. The Sound of English: describes how to make the English vowel and consonant sounds. Then shows how they are used in the beginning, middle, and end of words. Finally, consonant clusters are given in a table, so that you can practice each consonant cluster in many examples. You receive fun practice paragraphs, for the vowels and consonants, that will soon have you speaking English like a native speaker. If you, or someone you know, recognizes the rewards of speaking English clearly, then The Sound of English: English Pronunciation Practice is the confident choice. This book is written by Dave Alber, English teacher, English pronunciation trainer, Principle at EasyAmericanAccent.com, and creator of English Idioms: An Idiomatic Journey to the West and English For Chinese Speakers: Secret Message From Planet Meigua. Cambridge University Press New and expanded third edition of American Accent Training with 5 new audio CDs has four all-new chapters that cover the psychology of accent acquisition, American voice quality, a pronunciation overview, and an ESL instructor's guide. The new CDs feature professional male and female voices that have been carefully selected to represent

that perfect American accent. With 30 years of extensive research, the unique AAT methodology has been refined to teach the American sound quickly and easily, paying special attention to: -- Voice quality, with emphasis on accurate presentation of the authentic American sound -- Pronunciation, with attention to all vowels, consonants, blends, and diphthongs -- Intonation, which focuses on syllable stress rules and word stress in a sentence -- Linking, or liaisons between phonetically transcribed sounds so students can "see" the sound.
