Being a Christian is not a guarantee that you will receive all your heart desires. Though God wants you to receive all your heart desires, you must conform to the principle of Spiritual Warfare before you can receive them. The physical is governed by the spiritual. For you to control your physical environment, you have to win your Spiritual Warfare. If you want to enjoy good health, prosper in the area of marriage, prosper financially, or receive any desire of yours, you must win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it 'warfare prayers'. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet - because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully.
