BROCK CHURCH

Romeo and Juliet John Benjamins Publishing

Have you ever wondered what Gregory and Sampson's conversation would sound like in modern language? What about Romeo and Juliet's balcony scene or Mercutio's "Queen Mab" speech? For the first time the tale of two star crossed lovers is available in modern text and story form. Easy to follow storyline, humorously accurate text and in depth narration written by Shakespearean actors. Use as a study guide or just to enjoy in a new way. Great for young adults and experienced readers.

Romeo und Julia Cambridge University Press

Now You Too Can Understand Shakespeare. Modern English side-by-side with original text includes study notes and stage directions. For the first time collected in one volume, Shakespeare's original play side-by-side with an accurate line-by-line modern English translation, along with stage directions, study notes and historical facts to aid understanding. The original innuendos, political satire, puns and bawdy humour are retained, bringing the work to life for scholars, students, actors prepping for a performance, or lovers of the work to enjoy today without flicking back and forth for lengthy explanations. Additional study notes by former QI researcher and translation verified by historical consultant to the BBC and major movie companies.

As an eight year old boy, SJ Hills read the first part of a simplified version of Macbeth in a children's comic. He rushed to the library to finish the story only to learn he couldn't understand the original work. So began a lifelong dream of making Shakespeare understandable for all, down to the smallest detail, enlisting the help of the world's most renowned researchers from BBC TV series, QI, to aid him. Please note - this work may not be suitable for readers under 12 years old due to bawdy innuendo. See also Macbeth Translated by SJ Hills.

[Romeo and Juliet Translated Into Modern English](#) Lorenz Educational Press

Vom Redner ist ein grundlegendes Werk der rhetorischen Schriften Marcus Tullius Ciceros, in dem die Voraussetzungen des Rednerberufs, das Wesen der Rhetorik, der Aufbau der Rede, Fragen des Stils und der moralischen und philosophischen Pflichten des Redners erörtert werden. Die Schrift ist in der Form eines fiktiven Dialogs zwischen Lucius Licinius Crassus und Marcus Antonius Orator, Ciceros Lehrern und Vorbildern aufgebaut und datiert auf das Jahr 91 v. Chr., kurz vor Crassus Tod zurück. Cicero hat sie 55 v. Chr. veröffentlicht und seinem Bruder Quintus gewidmet. Sie gilt als ein Meisterwerk Ciceros über das Wesen des Rednerberufs. Das Werk teilt sich in drei Bücher auf: Im ersten Buch bespricht Crassus die Voraussetzungen für den Rednerberuf und gelangt von dort zu einer Darstellung des idealen Redners. Das zweite und dritte Buch beinhalten eine Darstellung der Teile der Redekunst, bevor am Ende in einem Exkurs neben den zuvor besprochenen technischen vor allem moralische und philosophische Qualitäten vom Redner verlangt werden: Er soll Rhetorik und Philosophie beherrschen, nicht nur eine dieser beiden Disziplinen. Cicero (106 v. Chr.- 43 v. Chr.) war ein römischer Politiker, Anwalt, Schriftsteller und Philosoph, der berühmteste Redner Roms und Konsul im Jahr 63 v. Chr. Cicero war einer der vielseitigsten, aber auch wankelmütigsten Köpfe der römischen Antike. Als Schriftsteller war er schon für die Antike stilistisches Vorbild, seine Werke

wurden als Muster einer vollendeten, "goldenen" Latinität nachgeahmt.

A classic Shakespearean tragedy, Romeo and Juliet is the tale of two star-crossed young lovers who dare to defy their feuding families, put aside all obstacles, and find happiness together - but at a tremendous cost. This grimly beautiful tale, set in Renaissance Italy, follows Romeo and Juliet from their fateful first meeting to their last. Manga Classics brings you this incredible manga version of William Shakespeare's most popular play, with FULL, ADAPTED MODERN ENGLISH text for easy reading!

[The Framing Text in Early Modern English Drama](#) Bloomsbury Publishing

To interrupt, both on stage and off, is to wrest power. From the Ghost's appearance in Hamlet to Celia's frightful speech in Volpone, interruptions are an overlooked linguistic and dramatic form that delineates the balance of power within a scene. This book analyses interruptions as a specific form in dramatic literature, arguing that these everyday occurrences, when transformed into aesthetic phenomena, reveal illuminating connections: between characters, between actor and audience, and between text and reader. Focusing on the works of William Shakespeare, Ben Jonson and John Fletcher, Michael M. Wagoner examines interruptions that occur through the use of punctuation and stage directions, as well as through larger forms, such as conventions and dramaturgy. He demonstrates how studying interruptions may indicate aspects of authorial style - emphasizing a playwright's use and control of a text - and how exploring relative power dynamics pushes readers and audiences to reconsider key plays and characters, providing new considerations of the relationships between Othello and Iago, or Macbeth and the Ghost of Banquo.

"Those at the periphery of society often figure obsessively for those at its center, and never more so than with the rogues of early modern England. Whether as social fact or literary fiction-or both, simultaneously-the marginal rogue became ideologically central and has remained so for historians, cultural critics, and literary critics alike. In this collection, early modern rogues represent the range, diversity, and tensions within early modern scholarship, making this quite simply the best overview of their significance then and now." -Jonathan Dollimore, York University "Rogues and Early Modern English Culture is an up-to-date and suggestive collection on a subject that all scholars of the early modern period have encountered but few have studied in the range and depth represented here." -Lawrence Manley, Yale University "A model of cross-disciplinary exchange, Rogues and Early Modern English Culture foregrounds the figure of the rogue in a nexus of early modern cultural inscriptions that reveals the provocation a seemingly marginal figure offers to authorities and various forms of authoritative understanding, then and now. The new and recent work gathered here is an exciting contribution to early modern studies, for both scholars and students." -Alexandra W. Halasz, Dartmouth College Rogues and Early Modern English Culture is a definitive collection of critical essays on the literary and cultural impact of the early modern rogue. Under various names-rogues, vagrants, molls, doxies, vagabonds, cony-catchers, masterless men, caterpillars of the commonwealth-this group of marginal figures, poor men and women with no clear social place or identity, exploded onto the scene in sixteenth-century English history and culture. Early modern representations of the rogue or moll in pamphlets, plays, poems, ballads, historical records, and the infamous Tudor Poor Laws treated these characters as harbingers of emerging social, economic, and cultural changes. Images of the early modern rogue reflected historical developments but also created cultural icons for mobility, change, and social adaptation. The underclass rogue in many ways inverts the familiar image of the self-fashioned gentleman, traditionally seen as the literary focus and exemplar of the age, but the two characters have more in common than courtiers or humanists would have admitted. Both relied on linguistic prowess and social dexterity to manage their careers, whether exploiting the politics of privilege at court or surviving by their wits on urban streets. Deftly edited by Craig Dionne and Steve Mentz, this anthology features essays from prominent and emerging critics in the field of Renaissance studies and promises to attract considerable attention from a broad range of readers and scholars in literary studies and social history.

[Manga Classics: Macbeth: Modern English Edition](#) Cambridge University Press

With its many rites of initiation (religious, educational, professional or sexual), Elizabethan and Jacobean education emphasized both imitation and discovery in a struggle to bring population to a minimal literacy, while more demanding techniques were being developed for the cultural elite. The Circulation of Knowledge in Early Modern English Literature examines the question of transmission and of the educational procedures in 16th- and 17th-century England by emphasizing deviant practices that questioned, reassessed or even challenged pre-established cultural norms and traditions. This volume thus alternates theoretical analyses with more specific readings in order to investigate the multiple ways in which ideas then circulated. It also addresses the ways in which the dominant cultural forms of the literature and drama of Shakespeare's age were being subverted. In this regard, its various contributors analyze how the interrelated processes of initiation, transmission and transgression operated at the core of early modern English culture, and how Christopher Marlowe, William Shakespeare and Thomas Middleton, or lesser known poets and playwrights such as Thomas Howell, Thomas Edwards and George Villiers, managed to appropriate these cultural processes in their works.

[The Materiality of Religion in Early Modern English Drama](#) Golgotha Press

Uses adaptation and appropriation studies to explore early modern textual and theatrical metamorphoses of Ovid Applies contemporary theoretical approaches, such as gender/queer/trans studies, feminist ecostudies, hauntology, rhizomatic adaptation, transmediality Uses adaptation studies in analyzing early modern transformations of Ovid Focuses on the appropriations of "e;Ovid"e; (as an umbrella term for "e;all things Ovidian"e;); on the early modern English stage Includes chapters on Shakespeare and Marlowe as well as other early modern dramatists Did you know that Ovid was a multifaceted icon of lovesickness, endless change, libertinism, emotional torment and violence in early modern England? This is the first collection to use adaptation studies in connection with other contemporary theoretical approaches in analysing early modern transformations of Ovid. It provides innovative perspectives on the 'Ovids' that haunted the early modern stage, while exploring intersections between adaptation theory and gender/queer/trans studies, ecofeminism, hauntology, transmediality, rhizomatics and more. This book examines the multidimensional, ubiquitous role that Ovid and Ovidian adaptations played in English Renaissance drama and theatrical performance.

[Romeo and Juliet](#) University of Michigan Press

This book is a translation of German versions of both Hamlet and Romeo and Juliet. The introductions to each play place these versions of Shakespeare's plays in the German context, and offer insights into what we can learn about the original texts from these translations. English itinerant players toured in northern continental Europe from the 1580s. Their repertoires initially consisted of plays from the London theatre, but over time the players learnt German, and German players joined the companies, as a result of which the dramatic texts were adapted and translated into German. A number of German plays now extant have a direct connection to Shakespeare. Four of them are so close in plot, character constellation and at times even language to their English originals that they can legitimately be considered versions of Shakespeare's plays. This volume offers fully edited translations of two such texts: Der Bestrafte Brudermord / Fratricide Punished (Hamlet) and Romio und Julieta (Romeo and Juliet). With full

scholarly apparatus, these texts are of seminal interest to all scholars of Shakespeare's texts, and their transmission over time in print, translation and performance.
