This volume provides a unique overview of recent Italian studies on the foundations of quantum mechanics and related historical, philosophical and epistemological topics. A gathering of

scholars from diverse cultural backgrounds, the conference provided a forum for a fascinating exchange of ideas and perspectives on a range of open questions in quantum mechanics. The varied nature of the papers in this volume attests to the achievement of that aim with many contributions providing original solutions to established problems by taking into

account recommendations from different disciplines.

Fiction
In the tradition of Longbourn, Mr. Darcy's Diary, and Prom and Prejudice... Lydia is the youngest of the five Bennet girls. She's stubborn, never listens, and can't seem to keep her mouth shut--not that she would

want to anyway. She's bored with her country life and wishes her older sisters would pay her attention . . . for once! Luckily, the handsome Wickham arrives at Longbourn to sweep her off her feet. Lydia's not going to let him know THAT, of course, especially since he only seems to be interested in friendship. But when they both decide to summer in the fashionable seaside town

of Brighton, their paths become entangled again. At the seaside, Lydia also finds exciting new ways of life and a pair of friends who offer her a future she never dreamed of. Lydia finally understands what she really wants. But can she get it? A fresh, funny, and spirited reimagining of Jane Austen's beloved *Pride and Prejudice*, *The Secret Diary of Lydia Bennet* brings the voice of the wildest

Bennet sister alive and center stage like never before. *Dragon Pearl* Scholastic Paperbacks Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting*

twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide

whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “A fearsome and beautifully written book that can't be put down or forgotten.” —The New York Times “Exciting and excellently written.” —The New York Times Book Review “With its serious intentions and light touch the story is, like

the Tucks, timeless.” —Chicago Sun-Times “Probably the best work of our best children's novelist.” —Harper's “Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder.” —The Boston Globe “This book is as shapely, crisp, sweet, and tangy as a summer-ripe

pear.” —Entertainment Weekly This title has Common Core connections. **Pride and Prejudice** Scholastic Inc. 'You are sharing the Dark Lord's thoughts and emotions. From one of the brightest and most

acclaimed new lights in YA fiction, a fantastic new novel about a bi Black boy finding first love . . . and facing the return of the mother who abandoned his preacher family when he was nine. No, the hole in Gio's life takes

For eight years, he never heard a word from her . . . and now, just as he's started to get his life together, she's back. It's hard for Gio to know what to do. with David, a new guy on the basketball team. Are they friends? More than friends? At first, Gio's not sure . . . especially because he's not sure what he wants from anyone right now. fantasy classic is 'one of the most of the most magical stories in the world.' - The Independent. This is the story of a thirteen-year-old orphan, a Moon Princess, and a mysterious white horse. Maria Merryweather, a plain London orphan, is sent to Moonacre Manor to live with her only surviving relative, Sir Benjamin. Her initial sense of comfort starts to crumble when she learns an ancient

mystery haunts Moonacre Manor and all who live in Moonacre Valley. With the help of her new friend Robin, can Maria right the wrongs of her ancestors and finally restore the peace to Moonacre Valley before it's too late? Beautiful, thrilling, and magical, *The Little White Horse* is a timeless classic. *Great Expectations* Scholastic Inc. An original middle-grade graphic novel from Graphix

starring Brooklyn's Spider-Man, Miles Morales, by bestselling author Justin A. Reynolds and Eisner nominee Pablo Leon! Miles Morales is a normal kid who happens to juggle school at Brooklyn Visions Academy while swinging through the streets of Brooklyn as Spider-Man. After a disastrous earthquake strikes his mother's birthplace of Puerto Rico, Miles springs into action to

help set up a fundraiser for the devastated island. But when a new student's father goes missing, Miles begins to make connections between the disappearance and a giant corporation sponsoring Miles' fundraiser. Who is behind the disappearance, and how does that relate to Spider-Man? A true middle grade graphic novel starring one of Marvel's most popular

characters, bestselling author Justin A. Reynolds (Opposite of Always) and Eisner award-nominated artist Pablo Leon (Refugees) create a riveting story that will connect with new and well-versed readers alike. **Harry Potter and the Order of the Phoenix** Scholastic Press From the much-buzzed-about author of THE LONELY HEARTS CLUB (already blurbed by

Stephenie Meyer, Lauren Myracle, and Jen Calonita), a prom-season delight of Jane Austen proportions. It is a truth universally acknowledged, that a single girl of high standing at Longbourn Academy must be in want of a prom date. After winter break, the girls at the very prestigious Longbourn Academy become obsessed with the prom. Lizzie Bennet, who attends Longbourn on

a scholarship, isn't interested in designer dresses and expensive shoes, but her best friend, Jane, might be - especially now that Charles Bingley is back from a semester in London. Lizzie is happy about her friend's burgeoning romance but less than impressed by Charles's friend, Will Darcy, who's snobby and pretentious. Darcy doesn't seem to like Lizzie either, but she assumes it's

because her family doesn't have money. Clearly, Will Darcy is a pompous jerk - so why does Lizzie find herself drawn to him anyway?

A Novel about the Navajo Marines of World War Two
