Some of the best minds in Mariology today have collaborated to produce this monumental anthology in honor of Our Lady and in complete fidelity to the Magisterium. Buy this book and make a present of it to your parish priest, the religious sister you know, the seminarian from your diocese, or the consecrated person or educated layperson at your parish. It's a Mariological "must read," especially for our priests and seminarians. -Dr. Scott Hahn Author and Professor of Theology at Franciscan University of Steubenville

A Brief Catechism for Adults is a little masterpiece designed for instructing converts. But it also serves as a useful handbook for lifelong Catholics who want to understand their faith more deeply. After the first edition of the book was used to catechize tens of thousands seeking to become Catholic, this second edition was revised in the light of notes made by numerous Catholic priests who had used the text. So it represents the fruit of extensive experience in teaching the Faith to converts, and for years it was practically the standard catechism in the U.S. and Canada for that purpose. This book is packed with facts and written in short, clear, question-and-answer format, accompanied by brief Scripture quotes. Using concise, ordinary language to explain profound theological and moral truths, it examines: · what we must believe and do to be saved · how to form a correct conscience · the duties of Catholic spouses and parents · common mortal sins · the interior design of a traditional Catholic church · how to pray the Rosary · popular saints' names for Baptism and Confirmation · familiar Catholic prayers · practical points for responding to common questions that arise in an unbelieving world. A Brief Catechism for Adults is a valuable handbook for becoming a faithful Catholic -- perfect for inquirers, but excellent for cradle Catholics as well.

Customers in North America who wish to purchase this publication, please contact Augsburg Fortress Press. From Joshua To Caiaphas: High Priests After The Exile by James C. VanderKam (John A. O'Brien Professor of Hebrew Scriptures, University of Notre Dame) is a comprehensive, 548-page history of the high priests who served in the Second Temple period of Israel and their influence and importance in understanding early Judaism. A masterpiece of scholarship and research, Professor VanderKam writes with a distinctive clarity that allows even the non-specialist general reader to come away with a comprehensive and coherent understanding of Temple Judaism as represented by the fifty-one men who served as high priest from about 515 BCE down to 70CE when the Jerusalem temple was destroyed by the Romans. No Old Testament Studies, Israelite History, or Judaic Studies collection can be considered either comprehensive or complete without the inclusion of this impressive and seminal work. Also very highly recommended are Professor VanderKam's previous contributions: *The Dead Sea Scrolls Today* (1994); *An Introduction To Early Judaism* (2001); *The Book Of Jubilees* (2001); and *The Meaning Of The Dead Sea Scrolls* (which was co-authored with Peter Flint, 2002).

"The author of Hebrews is arguing that God himself has brought about the fulfillment of these

institutions through his Son's priesthood, his once-for-all sacrifice, and the new covenant he inaugurated in the last days. These new institutions are never denied the Jews. In fact, the context of the epistle presumes that these are primarily for the Jews, considering that the author was speaking to a Jewish-Christian community. The author is not arguing for the abandonment by God of the Jewish people, but rather for the abandonment of the shadowy means by which God's people drew near to him. It is here we can speak of a qualified supersessionism. According to the author of Hebrews, the Levitical priesthood, the Mosaic covenant, and the Levitical sacrifices have been superseded by Jesus' priesthood, the new covenant, and Jesus' once-for-all sacrifice. "However, we conclude that the polemical passages in Hebrews do not promote hatred of the Jews, nor do they advocate the destruction of the Jewish people. Rather, the author of Hebrews stresses the fulfillment of specific Jewish institutions for the benefit of the Jews. It is this idea of fulfillment that rules out the charge that the epistle promotes the supercession of the Jewish people. Because of God's great love for his people, he has provided a superior way by which his people can draw near to him." --from the Conclusion

"Rekindle the gift of God that is within you", Saint Paul urges Timothy years after his ordination (2 Tim 1:6). Drawing on sixty years of experience as a Catholic priest, Cistercian Fr. Roch Kereszty provides realistic spiritual, psychological, and pastoral guidance to priests and seminarians—from preaching and sacramental ministry, to parish life and spiritual direction, to chastity and poverty. Countless priests struggle to understand their role and identity in the post-conciliar Church, where laypeople have taken on many responsibilities once considered priestly. With the sexual abuse crisis kicking up a cloud of confusion and discouragement, many young men are wondering, "Why join a system in which everyone is suspect?" Meanwhile, without the right guidance, those already ordained can find themselves slipping into boredom—or even cynicism. But Fr. Kereszty knows the fire of a true vocation. With insights and examples from St. Bernard of Clairvaux, St. Thérèse of Lisieux, St. John Paul II, Benedict XVI, and many others, *Rekindle the Gift of God* helps priests and seminarians discover or rediscover their mission as shepherds, prophets, and teachers. A happy priest is one who lays down his life not only for his flock, but for his Lord. Father Kereszty gives patient, down-to-earth counsel on putting this ideal into practice, and he offers a glimpse of his own immense joy and gratitude for the gift of serving Jesus Christ.

**Jesus the Priest** BRILL

This major new study advances our understanding of the historical Jesus by exploring the model of Jesus the priest. As priest, Jesus claims to reveal God's unchanging character through his own person; as priest, too, he announces the impending eschatological climax, constituted by the arrival of the heavenly temple on earth. Focusing on critically assured sayings of Jesus, Perrin argues that the two announcements (the kingdom and Jesus' priesthood) are mutually confirming and mutually authenticating. The nature of the kingdom is derived from his priestly office; his priestly office is given shape and substance through teachings on the kingdom. Jesus saw himself as the unique eschatological high priest and therefore as the local embodiment of Yahweh. He announced the kingdom of God as the space of true worship; he regarded his life as revealing both the identity of God and the true worship of God. Contents Introduction 1. The Prayer of Jesus 2. The Baptism of Jesus 3. The Kingdom of Jesus 4. Jesus Son of David 5. The Identity of the Son of Man 6. A Re-envisioned Priesthood 7. Final Confrontations Conclusion

**A History of the Book of Common Prayer** Midwest Theological Forum

This is the first book in English on priesthood in religious life to be published in twenty years. Its fourteen contributors search for new ways forward in the understanding of the distinct identity and ministry of religious men—committed to community, the prophetic lifestyle of vows or promises, and the particular charisms of their congregations—who have also answered the call to priesthood. Essays in this collection include reflections from a bishop, from the perspective of a lay theologian, from an expert in the social sciences, and on Pope Francis's teachings on priesthood. Included as well are essays that are rooted in particular cultural traditions, in spirituality, and in canon law.

Originally published in 1918. While it requires little thought to recognize in Hecataeus a figure of importance in his day, an appraisal in detail of his contribution to science and history is a matter of considerable difficulty. **Priesthood in Religious Life** Simon and Schuster

"The past three decades have witnessed a decline in the number of Roman Catholic priests in Europe and North America, the result of resignations from the priesthood and of fewer people entering seminaries. A major cause contributing to this situation has been the ambiguity surrounding the role and identity of the priest in light of new theological paradigms. This book attempts to restore clarity to that matter by drawing primarily, although not exclusively, on the teachings of the Second Vatican Council, postconciliar theology and the pronouncements of Pope John Paul II." "The first chapter probes the relationship of the priest to Christ and the church. This is the basic theme of the book, since the manner in which the relationship is perceived colors all aspects of priestly life. The following three chapters examine the three forms of ministry the priest renders to the community: the ministry of the word, of worship and of pastoral care. The book ends with a consideration of the most fundamental role of the priest: a disciple of Jesus. So the book comes full circle, returning to the primary relationship of the priest to Christ and to the church as a community of disciples."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. "The Wiccan Minister's Manual, A Guide For Priests and Priestesses, " was inspired as a training aid for those who would like to become Wiccan Ministers, as well as an aid for Wiccan/Pagan Priests and Priestesses. The Craft is evolving, becoming more and more accepted by society, and there is beginning to be a definite distinction between Wiccan Laity and Wiccan Clergy. Part One - Guidance - Making the spiritual connection to personal deity through love, prayer, meditation, ritual, and myth and how to guide others to create their own personal connections. Part Two - Wiccan religious philosophy and guidance - How to live a spiritual life in the modern world. Part Three - various methods of healing mind, body and spirit - Including some legal pit-falls to avoid, plus chapter eleven presents an extensive discourse on Pastoral Counseling. Part Four deals with psychic self-defense and rituals of protection. Including House Clearings, Banishings, and Exorcism. Additionally, the author explains what to look for and what to look out for while determining if an exorcism is really needed or if the client is suffering from psychosis and is in need of a professional therapist. Part Five focuses upon the spiritual support roles. It covers, dealing with death and dying, Funerals, Prison Ministry, Legal requirements of doing Handfastings in all 50 states, plus a discourse on whether or not to incorporate. This work begins to fill yet another gap in this area of the Wiccan religious structure as it brings back much of the older knowledge and philosophy that seems to be waning from the collective Wiccan memory. Reviewed by Edain McCoy; "Kevin, I received my copy of "Wiccan Minister's Manual Its terrific! You cover everything... Personally, I think you did a great job at making your book useful to all trads."
