Accounting, Volume 2

Wiley

No other text is used in more accounting programs, and by more professionals in the field, than Intermediate Accounting by Kieso, Weygandt, and Warfield. Intermediate Accounting 15th Edition builds student readiness for success in the course, for the CPA exam, and for accounting careers, while maintaining the qualities for which the text is globally recognized, including quality problem-solving material, accuracy, and comprehensiveness. The 2014 FASB Update incorporates the recently issued standard on Revenue from Contracts with Customers in a new Revenue Recognition chapter, and helps prepare the next generation of accounting and finance students for the global economy. Students using WileyPLUS do real accounting, get real results. With automatically graded practice and homework

assignments, and over 2 hours of video based resources per chapter, students come to class prepared and ready for quizzes and exams. With access to 1,000 practice CPA exam review questions powered by Wiley CPAexcel, students check their intermediate accounting knowledge against CPA exam standards. With internship listings powered by AccountingFly, students have a two-week head start on applying to accounting internships across the country. WileyPLUS for Intermediate Accounting 15th Edition prepares students for success in the course, and in the profession. WileyPLUS is sold separately from this text.

In addition, new accounting research exercises help you practice using the Financial Accounting Research Database

System (FARS). * Comprehensive and clear explanations of concepts--The authors' clear writing style and logical organization help you understand the material. Make Kieso your gateway to the profession! *Intermediate Accounting, 2007 FASB Update* Wiley Global Education Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course. *Chapters 1 - 14* John Wiley & Sons Incorporated

Keeping its finger on the pulse of the profession, the new twelfth edition update of this bestselling book effectively prepares readers for their accounting futures. They'll find the latest information in the field, including Sarbanes-Oxley Act legislation as well as proven tips for passing the computerized CPA exam. Reflecting the demands for entry-level accountants, the focus of this book is on fostering critical thinking skills, reducing emphasis on memorization and encouraging more analysis and interpretation by requiring use of technology tools, spreadsheets and databases. It integrates numerous examples from real corporations throughout the chapters to clearly demonstrate how accounting principles and techniques are applied in practice. **Intermediate Accounting, Volume 2 (Chapters 15-24)** John Wiley & Sons The Kieso, Weygandt, Warfield, Young, Wiecek, McConomy: Intermediate Accounting text has an outstanding reputation as "THE" text for intermediate accounting and is viewed as a reliable resource by accounting

students, faculty, and professionals. After listening carefully to instructors and students alike, and after having built on what we have learned over ten successful editions and more than 30 years of being the market leader, we are confident that the eleventh edition will continue to meet the needs of instructors and students. With the merging of CMA/CA/CGA into the CPA, instructors want materials that link to the competencies that are outlined by the CPA. Kieso has done this and has adapted many questions to prepare students for the CPA designation. This, along with the integration of the International Accounting Standards and their comparison with Accounting Standards for Private Enterprises enhances the main goal of the book, "to help students understand, prepare and use financial information by linking education with the 'real-world' accounting environment". Our industry-experienced and leading-edge author expertise in the field of IFRS, combined with an update of the text's technical content ensures that accounting faculty and students can continue

to rely on Intermediate Accounting. *Intermediate Accounting* Wiley INTERMEDIATE ACCOUNTING by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate accounting texts are measured.
