Dictionary for Theological Interpretation of the Bible

Princeton
University
Press
For the pastor
or serious
layperson, the
realm of
biblical
interpretation
can be a
confusing
maze of
personalities,
communities,
methods, and
theories. This
maze can
often result in
obscuring the
main goal of

interpreting
Scripture:
hearing and
knowing God
better. The
Dictionary for
Theological
Interpretation
of the Bible is
a
groundbreakin
g reference
tool that
introduces
readers to key
names,
theories, and
concepts in
the field of
biblical
interpretation.
It discusses
these
approaches
and evaluates
their
helpfulness in
enabling
Christians to
hear what God

is saying to the church through Scripture. The contributors come from a variety of backgrounds, and the dictionary covers a broad range of topics with both clarity and depth.

Robert Holcot

Baker Books
This extract from the Eerdmans Commentary on the Bible provides Coggin's introduction to and concise commentary on First and Second Chronicles. The Eerdmans Commentary

on the Bible presents, in nontechnical language, the best of modern scholarship on each book of the Bible, including the Apocrypha. Reader-friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse-by-verse analysis, these volumes work from larger sense

units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text—parable, prophetic oracle, legal code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions.

The Sermon on the Mount
Great Mountain Publishing
This extract from the Eerdmans Commentary on the Bible provides Grabbe's introduction to and concise commentary on Ezra and Nehemiah. The Eerdmans Commentary on the Bible presents, in nontechnical language, the best of modern scholarship on each book of the Bible, including the Apocrypha. Reader-friendly

commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse-by-verse analysis, these volumes work from larger sense units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text—parable, prophetic oracle, legal

code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions.
Commentary on Romans (Commentary on the New Testament Book #6)
Wm. B. Eerdmans Publishing
In addition to Spurgeon's commentary on Matthew

<p>5-7, this collection includes the following sermons from the Prince of Preachers: 1. The Beatitudes (Matt. 5:1-12) 2. The Candle (Matt. 5:15, 16) 3. The Perpetuity of the Law of God (Matt. 5:18) 4. A Call to Holy Living (Matt. 5:47) 5. The Fatherhood of God (Matt. 6:9) 6. A Heavenly Pattern for Our Earthly Life (Matt. 6:10) 7. A Single Eye and Simple Faith (Matt. 6:22, 23) 8. Thought</p>	<p>Condemned, Yet Commanded (Matt. 6:31-33) No Difference (Matt. 6:45) 10. Knock! (Matt. 7:12) 11. The Disowned (Matt. 7:21-23) 12. The Two Builders and Their Houses (Matt. 7:24-27) Eerdmans Commentary on the Bible: First and Second Chronicles Monarch Books This extract from the Eerdmans Commentary on the Bible provides</p>	<p>Prinslo's introduction to and concise commentary on Psalms. **The
Damnable
Heresy of
Salvation by
Dead Faith**

Wipf and Stock Publishers
By grasping how the church of a particular time period reads the Scriptures, we can understand much of the Christianity of that age. This volume examines how the Gospel accounts at the heart of the Christian

faith, the passion and resurrection of Christ, were interpreted by four key authors from late antiquity. In analyzing the readings and methods of Hilary of Poitiers, Ambrose, Jerome, and Augustine, this work advocates for a reshaping of the categories commonly used to understand Latin patristic exegesis. It also prompts reflection upon habits of biblical interpretation and the pastoral

application of Scripture in our own time. Beacon Bible Commentary, Volume 6: Matthew Through Luke The Beatitudes and the Lords Prayer Delve Deeper into God's Word In this verse-by-verse commentary, Robert Gundry offers a fresh, literal translation and a reliable exposition of Scripture for today's readers. Paul's letter to the Romans has been appropriately termed the

cathedral of the Christian faith. Gundry's commentary on this profound book will help readers grasp one of the most valued parts of Scripture. Pastors, Sunday school teachers, small group leaders, and laypeople will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. This selection is

from Gundry's Commentary on the New Testament. *Eerdmans Commentary on the Bible: Ezra and Nehemiah* Baker Books This book offers an introduction to the thought of Robert Holcot, a great and influential but often underappreciated medieval thinker. Holcot was a Dominican friar who flourished in the 1330's and produced a diverse body of work including scholastic treatises,

biblical commentaries, and sermons. By viewing the whole of Holcot's corpus, John T. Slotemaker and Jeffrey C. Witt provide a comprehensive account of his thought. Challenging established characterizations of him as a skeptic or radical, they show Holcot to be primarily concerned with affirming and supporting the faith of the pious believer. At times, this manifests itself as a cautious attitude

toward absolutist claims about the power of natural reason. At other times Holcot reaffirms, in Anselmian fashion, the importance of rational effort in the attempt to understand and live out one's faith. Over the course of this introduction the authors unpack Holcot's views on faith and heresy, the divine nature and divine foreknowledge, the sacraments, Christ, and political

philosophy. They also examine Holcot's approach to several important medieval literary genres, including the development of his unique "picture method," biblical commentaries, and sermons. In so doing, Slotemaker and Witt restore Holcot to his rightful place as one of the most important thinkers of his time. The Beatitudes and the Lords Prayer OUP

Oxford Since the beginning of Christianity, the Lord's Prayer has occupied an important place in the lives of Jesus's disciples, for it is the prayer Jesus himself taught them. Like other biblical prayers, the Lord's Prayer contains words people offer to God. But since this prayer is from Jesus and is part of Scripture, it is also God's Word to people. When we say this prayer, not only are we

speaking to God, but God is also speaking to us. Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today. He integrates critical exegesis, theological exposition, and Christian spirituality to explicate the theological substance of the Lord's Prayer. His goal is to help readers come to know God and love God and others

more deeply through a focused study of this important Christian prayer. The Touchstone Texts series addresses key Bible passages, making high-quality biblical scholarship accessible to the church. The series editor is Stephen B. Chapman, Duke Divinity School. *Straight to the Heart of Matthew* Delmarva Publications, Inc. Reverend John Martin, III diligently and

faithfully expounds upon the most profound words of the Christ. You will find John Martin loyal to Jesus and faithful to Matthews God-breathed text. It is as if Reverend Martin forces the text through the winepress and brings forth a rich glass of royal vintage that brings honor to the King of vineyard. Pastor Martin is faithful to his maxim that theology is practical. Maintaining his high view

of the church and his love for the Lords sheep, John Martin imparts the Lords Prayer and the Beatitudes in a manner that exhorts the Christian, This is the way, walk ye in it. Is Martin a moralist as so many who take on these passages? God forbid! Martin is no moralist. He presents the beatitudes of Jesus as the characteristics of those who have partaken of the new birth. I have heard these sermons. They are robust and

powerful. Reverend Martin has the fire of Knox, the precision of Calvin, the compassion of Luther, the humility of Edwards, and the potency of Rushdoony. May our gracious Lord bless your understanding of His word as presented by His servant, John. Rev. Gerald Tritle
Early Christian Reconciliation and Igbo Tradition
Nazarene Publishing House
Prayer is an intimate conversation

with God. But how do we pray? Why do we pray? Does God hear our prayers? In the 6th Chapter of Matthew, Jesus gives us detailed instructions on prayer, including the Lord's Prayer. This excerpt from The Preacher's Outline & Sermon Bible(R) digs deep into Jesus's words in verses 5-24, examining our motives and attitudes about prayer, and teaching us how to pray. With extensive

commentary and supporting scriptures, this book on prayer offers an excellent sermon series outline, and is also perfect for a small group study on prayer. "This, then, is how you should pray. . . " Matthew 6:9a (NIV)
The Lord's Prayer (Touchstone Texts)
 Createspace Independent Pub
 Seventeen respected colleagues and former students of David C. Steinmetz

have contributed to this important collection of essays produced in honor of Steinmetz's sixtieth birthday. The burden of the present volume is to examine the sources and resources and to illustrate the continuities and discontinuities in the exegetical tradition leading into and through the Reformation. Specifically, this collection of essays proposes to

highlight the historical context of Reformation exegesis and to describe how a truly contextual understanding signals a highly illuminating turn in Reformation studies. The three essays included in Part 1 offer background perspectives on Reformation-era exegesis. Richard A. Muller provides background on biblical interpretation in the Reformation from the

perspective of the Middle Ages. Karlfried Froelich examines the fourfold exegetical method presented on the eve of the Reformation by Johannes Trithemius. John B. Payne offers a view of Erasmus's exegetical method in its relation to the approaches of Zwingli and Bullinger. The five essays included in Part 2 explore exegesis and interpretation in the early Reformation. Kenneth Hagen examines

Luther's many approaches to the text of Psalm 116. Carl M. Leth discusses Balthasar Hubmaier's "Catholic" exegesis of the power of the keys in Matthew 16:18-19. Timothy J. Wengert takes on the issue of method, specifically the impact of humanist rhetoric on the exegetical method of Philip Melancthon. Irena Backus examines Martin Bucer's efforts to make sense of the difficult

<p>chronology of John 5-7 in the light of his dialogue with the exegetical tradition. W.P. Stephens addresses Zwingly's understanding of John 6:63, a text crucial to Zwingly's eucharistic debate with Luther. The seven essays included in Part 3 examine continuity and change in mid-sixteenth-century biblical interpretation. Susan E Schreiner probes Calvin's relation to the sixteenth-</p>	<p>century debate regarding the grounds of certainty. Craig S. Farmer examines the exegesis of Bern theologian Wolfgang Musculus against the background of a catena of medieval readings of John 8. Joel E. Kok discusses the question of Bullinger's status as an exegete in relation to Calvin, with a special focus on the exegesis of Romans. John L. Thompson considers the</p>	<p>survival of allegorical argumentation in Peter Martyr Vermigli's Old Testament exegesis. Lyle D. Bierma shows a clear relationship between Zacharias Ursinus's exposition of Exodus 20:8-11 and aspects of interpretations offered by Calvin, Vermigli, Bullinger, and Melancthon. John L Farthing offers a fresh study of Girolamo Zanchi's interpretation of Gomer's harlotry in</p>
--	--	---

Hosea 1-3. Robert Kolb considers the doctrine of Christ in Nikolaus Selnecker's interpretation of Psalms 8, 22, and 110. Following a concluding essay by the editors on the significance of precritical exegesis, the final section of the volume, prepared by Micken L. Mattox, presents an up-to-date bibliography of the writings of David C. Steinmetz.

The Significance of Interpersona

I Forgiveness in the Gospel of Matthew
Wm. B. Eerdmans Publishing
This extract from the Eerdmans Commentary on the Bible provides Emerson's introduction to and concise commentary on Hosea. The Eerdmans Commentary on the Bible presents, in nontechnical language, the best of modern scholarship on each book of the Bible, including the Apocrypha.

Reader-friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse-by-verse analysis, these volumes work from larger sense units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text—parable,

prophetic oracle, legal code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions. Lange's Commentary on the Holy Scripture, Volume 6 Wipf and Stock Publishers This excellent commentary on Matthew offers a

unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener

uncovers significant insights into the Gospel not found in any other Matthew commentary. In addition, Keener's commentary is a useful discipleship manual for the church. His unique approach recaptures the full "shock effect" of Jesus' teachings in their original context and allows Matthew to make his point with greater narrative artistry. Keener also brings home the total

impact of Matthew's message, including its clear portrait of Jesus and its call for discipleship, both to the Gospel's ancient readers and to believers today.

Sermon Outlines for Busy Pastors: Volume 3
BRILL

This work by one of the great commentators of the past is required reading for every student of the Bible. This book covers the entire Bible and includes

all six volumes of Matthew Henry's work and is unabridged. *The Origenist Controversy* Rob Westbrook Insights from 40 Bible scholars, with in-depth explanations of Scripture, critical analysis of key words and phrases, and outlines for expository preaching. Provides easy-to-comprehend commentary of the biblical text while assisting you in answering those tough questions!

Matthew--Luke (Vol. 6). *Der römische Katechismus* Leadership Ministries Worldwide To study these sermons with Betz is to be vastly informed about all forms of gospel criticism, and ultimately, about Jesus himself.

Prayer NIV: The Preacher's Outline & Sermon

Bible Oxford University Press

This important study provides the first English translation of

both the surviving fragments of Origen's Commentary on Ephesians and of the complete text of Jerome's Commentary on Ephesians. The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome's extensive dependence on Origen's commentary. By using collateral texts from other works of Origen, Jerome, and Rufinus, the

author is able to show Jerome's dependence on Origen in numerous passages in his commentary where the Greek text of Origen's commentary is lost. The translation is accompanied by Heine's illuminating commentary and a substantial introduction sets the works in their historical context. The book makes a significant contribution not only to scholarship on Origen and

Jerome, but also to the wider question of the interpretation of scripture in the early Christian centuries.

**Luke 6:40
and the
Theme of
Likeness
Education in
the New
Testament**

Ravenio Books
This book is a reading of Matthew's Gospel as though it were written to integrate with, advance, and conclude the existing body of Scriptures. Matthew is read as though John was the last

prophet of God and Israel's last chance for repentance, and that Jesus was YHWH who had come to judge the Temple, priesthood, and covenant nation according to the terms of the covenant God made with Moses at Sinai. Through this lens, new interpretations are given to the infancy narrative, the Sermon on the

Mount, the mission, the parables, and Jesus' arrival in Jerusalem along with the events that followed. By reading Matthew this way, a greater appreciation can be gained for its necessary place in the canon, and many of Matthew's well-known conundrums can be meaningfully addressed. As a Hebrew document,

Matthew understood the necessity to record the crimes against YHWH/Jesus in Israel and Jerusalem as the ultimate cause for the termination of the ethnically and geographically bound covenant, which could then be replaced by the cross-cultural and international covenant that Christians now enjoy.
