Comparison and Contrast Essay: Shakespeare's Sonnet 60 vs. Sonnet 144

English Translation and Classical Reception is the first genuine cross-disciplinary study bringing English literary history to bear on questions about the reception of classical literary texts, and vice versa. The text draws on the author's exhaustive knowledge of the subject from the early Renaissance to the present. The first book-length study of English translation as a topic in classical reception Draws on the author's exhaustive knowledge of English literary translation from the early Renaissance to the present Argues for a remapping of English literary history which would take proper account of the currently neglected history of classical

translation, from Chaucer to the present Offers a widely ranging chronological analysis of English translation from ancient literatures Previously little-known, unknown, and sometimes suppressed translated texts are recovered from manuscripts and explored in terms of their implications for English literary history and for the interpretation of classical literature

The Great Question of Elizabethan Literature. Answered in the Light of New Revelations and Important Contemporary Evidence Hitherto Unnoticed Cambridge University Press

Demystifying and contextualising Shakespeare for the twenty-first century, this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans. In this friendly, structured guide, Robert Shaughnessy: introduces Shakespeare's life and works in context, providing crucial historical background looks at each of Shakespeare's plays in turn, considering issues of historical

context, contemporary criticism and performance history provides detailed discussion of twentieth-century Shakespearean criticism, exploring the theories, debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth-century criticism The companion website at [www.routledge.com/textbooks/shaughnessy](http://www.routledge.com/textbooks/shaughnessy) contains student-focused materials and resources, including an interactive timeline and annotated weblinks.

**Shakespeare: Poems** Theatre Communications Group  
Numbering more than 150, Shakespeare's sonnets have contributed significantly to discussions of the elusive character of the Bard. While most of the poems are addressed to a young man, others invoke the renowned Dark Lady. Each sonnet is interpreted, focusing on language particular to the poem, as well as on how the sonnet form furthers meaning. In addition, Shakespeare's major themes of love and beauty; mutability; and time and immortality are explored.

**The Phoenix and the Turtle** Cambridge University Press

This publication looks at fictional portrayals of William Shakespeare with a focus on novels, short stories, plays, occasional poems, films, television series and even comics. In terms of time span, the analysis covers the entire twentieth century and ends in the present-day. The authors included range from well-known figures (G.B. Shaw, Kipling, Joyce) to more obscure writers. The depictions of Shakespeare are varied to say the least, with even interpretations giving credence to the Oxfordian theory and feminist readings involving a Shakespearean sister of sorts. The main argument is that readings of Shakespeare almost always inform us more about the particular author writing the specific work than about the historical personage.

Comparison and Contrast Essay: Shakespeare's Sonnet 60 vs. Sonnet 144 GRIN Verlag

**The Drama in Shakespeare's Sonnets** Everyman's Library  
Shakespeare's Sonnets are among the most complex and beautiful poems ever written. Their exploration of love, praise, homo- and hetero-sexual desire is enacted in the richest, densest writing in English. And the first printed work to which Shakespeare's name was attached was the erotic narrative poem, Venus and Adonis, which developed a sumptuous vocabulary in which to explore love, praise of the beloved, sexual desire, and the power of rhetoric. That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet, rather than a playwright. Yet despite the power of Shakespeare's poems, and their foundational place within his oeuvre, modern readers have seldom been encouraged to engage with his non-dramatic works as a whole. This new edition explains how this state of affairs has arisen, and why it needs to be changed. The volume contains the complete Sonnets and poems with a full commentary. An extensive and lively introduction explores Shakespeare's poetic development, and shows how the poems relate to each other and to his dramatic works. The Sonnets are freshly interpreted, not as cryptic fragments of autobiography, but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them. The narrative poems Venus and Adonis and Lucrece are placed where they belong, at the origin of Shakespeare's thinking about what it means to desire and to be desired. The edition responds to the most recent scholarly work on the interpretation and dating of

Shakespeare's poems and Sonnets. It also explores what the poems may have meant to their earliest readers. For this reason it also includes poems attributed to Shakespeare in the seventeenth century, as well as those printed under his name in *The Passionate Pilgrim* in 1599.

**The Sonnets of Shakespeare Solved, and the Mystery of His Friendship, Love, and Rivalry Revealed** Random House  
Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 2,7, University of Münster (Englisches Seminar), course: Poetry of the 17th Century, 12 entries in the bibliography, language: English, abstract: This text will give a brief survey on the history of the Sonnet. Following this, it will concentrate on Shakespeare and his work. Firstly, it will present a short overview of the contents of all his sonnets and secondly there will be a detailed interpretation and analysis of Sonnet 60.

**English Translation and Classical Reception** GRIN Verlag  
The Everyman's Library Pocket Poets hardcover series is popular for its compact size and reasonable price which does not compromise content. Poems: Shakespeare contains selections from Shakespeare's work, including his sonnets, his narrative poems Venus and Adonis and The Rape of Lucrece, songs and speeches, and an index of first lines.

**The Life and Death of King Richard II** Harvard University Press

This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985. Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece, virtually all significant scholarly work during the period covered will be annotated. For other works such as Hamlet, any scholarship that deals with classical connotations will be annotated. Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics.

**Shakespeare's "Sonnet 60": a detailed interpretation and analysis** Good Press

Essay from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Tübingen, language: English, abstract: In William Shakespeare's (1564 - 1616) "Sonnet 130", published 1609 in his book "Shakespeare's Sonnets", the speaker talks about his mistress who does not correspond with the ideals of beauty. The speaker compares her with beautiful things, but he cannot find a similarity. But he points out that his love does not depend on how she looks like. This poem is the total opposite of William Shakespeare's "Sonnet 18" and makes it, and other poems from this century, look ridiculously and superficially.

**Shakespeare's Sonnets 12 and 73: a Comparison** Oxford University Press on Demand

ISBN 9781541581586 (library binding) ISBN 9781541581623 (paperback) ISBN 9781728419169 (ebook pdf) History sounds really official. Like it's all fact. Like it's definitely what happened. But that's not necessarily true. History was crafted by the people who recorded it. And sometimes, those historians were biased against, didn't see, or couldn't even imagine anyone different from themselves. That means that history has often left out the stories of LGBTQIA+ people: men who loved men, women who loved women, people who loved without regard to gender, and people who lived outside gender boundaries. Historians have even censored the lives and loves of some of the world's most famous people, from William Shakespeare and Pharaoh

Hatshepsut to Cary Grant and Eleanor Roosevelt. Join author Lee Wind for this fascinating journey through primary sources—poetry, memoir, news clippings, and images of ancient artwork—to explore the hidden (and often surprising) queer lives and loves of historical figures.

**William Shakespeare Sonnet 116** Bloomsbury Publishing Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 2,3, Christian-Albrechts-University of Kiel, language: English, abstract: When Shakespeare wrote his first sonnets, probably in the early 1590s, he was making a contribution to a genre that had existed in English for not much more than 50 years. In that time, however, the sonnet had become extraordinarily fashionable. Shakespeare's sonnets were published in 1609 in a quarto volume by Thomas Thorpe. The volume that Thorpe set forth is made up of 154 numbered poems which we consider today the Shakespearian sonnets. The 154 poems can be divided into two inter-connected sequences: Whereas the first 126 sonnets seem to be addressed to a young man, a certain Mr. W. H., whom the speaker encourage to marry in order to project his beauty and worth into the future, the remaining 28 are addressed to an older woman who provokes lust and revulsion in the speaker, this woman is generally called the 'Dark Lady'. The major aim of this paper is to focus on two of these 154 sonnets: sonnet 12 and 73. First, their form and content will be described. Afterwards, we will take a look at the sonnets' metaphors. Then, in the fourth chapter, I would like to offer interpretations of both. The paper will close with a comparison of both sonnets showing similarities and differences concerning form, content and metaphors.

Essay from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Wuppertal (Geistes- und Kulturwissenschaften), course:

Literaturwissenschaftlicher Grundkurs, 4 entries in the bibliography, language: English, abstract: Shakespeare's sonnets are a collection of 154 poems. Sonnets 153 and 154 do not belong to the real collection because they are adaptations of classical antic verses about Cupid and therefore distinguished from the first 152 poems because Shakespeare treated the Patriarchal convention of the sonnets in his own way. Shakespeare treats these themes in his own, distinctive fashion—most notably by addressing the poems of love and praise not to a fair woman but instead to a young man; and by including a second subject of passion: a woman of questionable attractiveness and virtue. The sonnets, taken together, are frequently described as a sequence, and this is generally divided into two sections. Shakespeare Sonnets 1-126 focus on a handsome young man and the speaker's emotional friendship with him that could sometimes be interpreted either as asexual or sexual. The nature of this friendship is treated as ideal love as in the Patriarchal convention. Sonnets 127-152 focus on the speaker's relationship with a woman the so-called 'dark lady' who is the counterpart of the innocent beautiful maid in Patriarchal sonnets. The lyrical I has an "obsessive"1 sexual love affair with her. I compare sonnets numbered 60 and 144 because the first one deals with the universal concerns of time and its passing and the second took note of the speaker's separation of physical love and more down-to-earth sensations connected with it. Moreover it is the only sonnet that explicitly refers to both the Dark Lady and the young man. This sonnets are neatly organized following the structure of the Shakespearean sonnet and its common rhyme scheme abab,cdcd,efef,gg with a iambic pentameter. ---

Before Shakespeare in Love, there was Anthony Burgess's Nothing Like the Sun: a magnificent, bawdy telling of Shakespeare's love life.

**The Sonnets of Shakespeare Solved, and the Mystery of His Friendship, Love, and Rivalry Revealed. Illustrated by Numerous Extracts from the Poet's Works, Contemporary Writers, and Other Authors** Houghton Mifflin Harcourt

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

**The Cambridge Introduction to Shakespeare's Poetry** PediaPress

Thinking Shakespeare gives theater artists practical advice about how to make Shakespeare's words feel spontaneous, passionate, and real. Based on Barry Edelstein's thirty-year career directing Shakespeare's plays, this book provides the tools that artists need to fully understand and express the power of Shakespeare's language.

**The Arden Research Handbook of Shakespeare and Textual Studies** Simon & Schuster

**A Dictionary of Shakespeare Sources** Univerzita Palackého v Olomouci

Shakespeare's poems, aside from the enduring appeal of the Sonnets, are much less familiar today than his plays, despite being enormously popular in his lifetime. This Introduction celebrates the achievement of Shakespeare as a poet, providing students with ways of understanding and enjoying his remarkable poems. It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated, outlining their exquisite pleasures and absorbing enigmas. Schoenfeldt suggests that today's readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal - the articulation of a fervent same-sex love, for example, or the incipient racism inherent in a hierarchy of light and dark. By engaging closely with Shakespeare's major poems - 'Venus and Adonis', 'Lucrece', 'The Phoenix and the Turtle', the Sonnets and 'A Lover's Complaint' - the Introduction

demonstrates how much these extraordinary poems still have to say to us.

*Shakespeare's Books* Bloomsbury Publishing

Seminar paper from the year 2013 in the subject English Language and Literature Studies - Literature, grade: 1 (Sehr Gut), University of Graz (Anglistik), course: Proseminar Literary Studies (Poetry), language: English, abstract: In the following term paper I am going to analyse the sonnet 60 by William Shakespeare. The aim of this paper is to examine sonnet 60 in matters of its external form, its discourse and story level as well as its various different interpretations in general. I decided to focus primarily

on the sonnet itself and targeted to provide an accurate description of the poem's characteristic features, syntactic and semantic levels as well as its phonetics and how these factors influence the meaning of the sonnet. Therefore I will not go into details concerning the sonnet's author William Shakespeare or the poem's history of origins. Nevertheless I engaged myself with some secondary literature in order to gain a broader insight into the matter of the subject. A list of literature, I used for this interpretation can be found in the bibliography below. Along with this secondary literature the term paper is generally based on the information, provided by the power point presentation of the course Literary Studies 1.
