PITTS LAUREN

Let's Go to the Rainforest Scholastic Canada

This interactive series makes developing language skills exciting for primary. Stories and cross-curricular

texts with full-color illustrations stimulate students' interest, while carefully graded English introduces them to new language.

- Pictures support the story clearly
- Text in different colors makes it easier to follow the dialogue
- "Read and do": integrated

activities for every page of reading · Picture Dictionary in each book · Notes for teachers and parents in each book

Baby Dolphin's First Day Oxford University Press

From master of suspense Paula Morris comes a tale of gods and goddesses, thrilling romance, and mystery set in present-day Rome. Laura Martin is visiting Rome on a class trip, and she's entranced by the majestic Colosseum, the Trevi Fountain, the Pantheon . . .

Everything in this city seems magical. That is, until the magic seems to turn very dark. Suddenly, statues of Cupid and ancient works of art come to life before her eyes. Earthquakes rumble and a cloud of ash

forms in the sky. A dark-eyed boy with wings on his heels appears and gives her a message. Laura soon realizes she is at the center of a brewing battle -- a battle between the gods and goddesses, one that will shake modern-day Rome to its core. Only she and her group of friends can truly unravel the mystery behind what is happening. As tensions mount and secret identities are revealed, Laura must rely on her own inner strength to face up to what may be a fight for her life. Acclaimed author Paula Morris brings the ancient world to vivid life in this unstoppable tale of friendship, love, and the power of the past.
