Leviathan or The Matter, Forme and Power of a Common-Wealth Ecclesiastical and Civil is a book written by an English materialist philosopher Thomas Hobbes about problems of the state existence and development. Leviathan is a name of a Bible monster, a symbol of nature powers that belittles a man. Hobbes uses this character to describe a powerful state ("God of the death"). He starts with a postulate about a natural human state ("the war of all against all") and develops the idea "man is a wolf to a man". When people stay for a long time in the position of an inevitable extermination they give a part of their natural rights, for the sake of their lives and general peace, according to an unspoken agreement to someone who is obliged to maintain a free usage of the rest of their rights - to the state. The state, a union of people, where the will of a single one (the state) is compulsory for everybody, has a task to regulate the relations between all the people. The book was banned several times in England and Russia.

Collins Cambridge International AS & A Level - Cambridge International AS & A Level English Language Student's Book John Wiley & Sons

"Odour of Chrysanthemums" is the story of Elizabeth, a young wife and mother waiting for her alcoholic husband, Walter, to return home from what she assumes is another night of drinking. This assumption, along with Elizabeth's pre-conceptions about her husband and their relationship are broken down when his body is brought home from the coal mine where he works. In "Odour of Chrysanthemums" author D. H. Lawrence explores the concept of human isolation and the nature of love and relationships. With the sudden death of her husband Elizabeth is forced to re-examine her opinions and beliefs, shedding light on a marriage she had given up on long before. **AQA Poetry Anthology - Power and Conflict: York Notes for GC** Lion Books

The New York Times–bestselling author’s Whitbread Prize–winning debut—“Winterson has mastered both comedy and tragedy in this rich little novel” (The Washington Post Book World). When it first appeared, Jeanette Winterson’s extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl’s adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette’s insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an eccentric, moving passage into adulthood. “If Flannery O’Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson’s autobiographical first novel. . . . Winterson’s voice, with its idiosyncratic wit and sensitivity, is one you’ve never heard before.” —Ms. Magazine

Poems Past and Present York Notes

Every year, hundreds of thousands of women become victims of sexual violence in conflict zones around the world; in the Democratic Republic of Congo alone, approximately 1,100 rapes are reported each month. This book offers a comprehensive analysis of the causes, consequences and responses to sexual violence in contemporary armed conflict. It explores the function and effect of wartime sexual violence and examines the conditions that make women and girls most vulnerable to these acts both before, during and after conflict. To understand the motivations of the men (and occasionally women) who perpetrate this violence, the book analyzes the role played by systemic and situational factors such as patriarchy and militarized masculinity. Difficult questions of accountability are tackled; in particular, the case of child soldiers, who often suffer a double victimization when forced to commit sexual atrocities. The book concludes by looking at strategies of prevention and protection as well as new programs being set up on the ground to support the rehabilitation of survivors and their communities. Sexual violence in war has long been a taboo subject but, as this book shows, new and courageous steps are at last being taken at both local and international level - to end what has been called the “greatest silence in history”.

Of Mice and Men Penguin

The authoritative guide to the AQA GCSE Anthology, featuring an illuminating introduction, a full glossary and detailed commentaries on all fifteen poems. For first teaching from September 2015. Intended for GCSE students.

**AQA GCSE English Literature Revision Cards** HarperPerennial

with loved ones for many years to come.

**Second Edition** Strelbytskyy Multimedia Publishing

After the trouble starts and the soldiers arrive on Matilda's island, only one white person stays behind. Mr. Watts, whom the kids call Pop Eye, wears a red nose and pulls his wife around on a trolley, and he steps in to teach the children when there is no one else. His only lessons consist of reading from his battered copy of *Great Expectations*, a book by his friend Mr. Dickens. For Matilda, Dickens's hero Pip becomes as real to her as her own mother, and the greatest friendship of her life has begun. Soon Mr. Watts's book begins to inflame the children's imaginations with dreams about Dickens's London and the larger world. But how will they answer when the soldiers demand to know: where is this man named Pip? Set against the stunning beauty of Bougainville in the South Pacific during the civil war in the early 1990s, Lloyd Jones's breathtaking novel shows what magic a child's imagination makes possible even in the face of terrible violence and what power stories have to fuel the imagination.

York Notes for AQA GCSE (9-1) Rapid Revision: Power and Conflict AQA Poetry Anthology.

*Aqa Power & Conflict York Notes*

*Hamlet* is a tragedy by William Shakespeare, believed to have been written between 1599 and 1601. The play, set in Denmark, recounts how Prince Hamlet exacts revenge on his uncle Claudius, who has murdered Hamlet's father, the King, and then taken the throne and married Hamlet's mother. The play vividly charts the course of real and feigned madness-from overwhelming grief to seething rage-and explores themes of treachery, revenge, incest, and moral corruption.

*A Christmas Carol* York Notes

Sybil, aka Spud, lives with her father who won't discuss Sybil's dead mother. Her reluctant friendship with an old woman helps both of them address their loneliness and deal with the future (1 act, 2 men, 2 women).

*Songs of Innocence and of Experience* is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled *Songs of Innocence and of Experience* Shewing the Two Contrary States of the Human Soul. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and

Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant Sorrow; in Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

#### Conflict Collins

A poetry broadside letterpress printed as a commission in Centaur metal type with the "My name is Ozymandias ..." line across the page in larger size Imprint Shadow (in large and small caps). "Of | stone" is set in white Gill Sans Light Shadowed on the top right, and a line of red rules separates the text of the poem from the colophon.

The Guide has been written primarily for students of GCSE English Literature as specified by AQA in the post-2015 syllabus (8702). It addresses the requirement to study one cluster of poems taken from the AQA poetry anthology: Past and Present and the requirement to analyse and compare Unseen Poetry. The Guide covers all the poems in both the "Love and Relationships" and the "Power and Conflict" clusters in the Anthology. The poems are explored individually, and links and connections between them are drawn as appropriate. The format of each exploration is similar: \* An explanation of key features of the poem that require contextual knowledge or illustration and the relationship between the text and its context. \* A summary of the key themes of the poems, with a note on possible connections and links to other poems in the cluster\* A brief summary of the metric form, rhyme scheme or other structural features\* A "walk-through" (or explication) of the poem, ensuring that what is happening in the poem is understood, how the rhythm and rhyme contribute to meaning, an explanation of the meaning of words which may be unfamiliar, an exploration of language and imagery and a comment on main themes.

#### **The Namesake** Collins

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
