**Essentials of Managerial Finance** Cengage Learning

The classic that started in the First in Finance franchise. Now in its twelfth edition, this best-selling text is renowned for its excellent blend of theoretical and applied material, comprehensive support package, and applicable real-world examples. In addition to its continued coverage of such hot topics as multinational finance and small-business issues, ethical dilemma discussions are incorporated throughout the text. The coverage of working capital early on is a distinguishing feature. Formerly known as "Weston/Besley/ Brigham," Scott Besley is now the primary author.

*Essentials of Managerial Finance* Harcourt Brace College Publishers

Introduce your students to the impact and importance of managerial finance in business today with the latest edition of Besley/Brigham's leading *Essentials of Managerial Finance*. This edition's 18-chapter length makes it an ideal choice for covering all the topics you need in your introductory finance course, including accounting statements, security markets, interest rates, taxes, risk analysis, time value of money, and the basics of security valuation. As practical as it is thorough, *ESSENTIALS OF MANAGERIAL FINANCE*, 14e is organized for success with a

reordered table of contents that pulls concepts students need to know to the forefront. Clear, concise, and proven pedagogy from this prestigious author team offers an exceptional blend of theoretical and applied material with actual industry examples that show how financial principles work within businesses throughout the world. You can introduce significant topics of growing importance in business today, such as multinational finance and resolving ethical dilemma, while challenging your students' critical thinking skills. An emphasis on Excel and use of financial calculators helps prepare your students to use these important tools, while strong end-of-chapter practice, self-tests, fresh chapter summaries, and intriguing chapter opening vignettes connect managerial finance principles to today's business world and ensure understanding. Thomson ONE: Business School Edition, coordinated with the text, gives students access to the same research tools financial professionals use every day. This edition's comprehensive support package is further strengthened with the innovative new CengageNOW online course management and learning system that saves you time in preparation and teaching, while offering personalized study and multimedia support to ensure student understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Holt, Rinehart and Winston of Canada

To accomplish your course goals, use this study guide to enhance your understanding of the text content and to be better prepared for quizzes and tests. This convenient manual helps you assimilate and master the information encountered in the text

through the use of practice exercises and applications, comprehensive review tools, and additional helpful resources. Essentials of Managerial Finance, Seventh Edition Essentials of Managerial Finance
