## **RYKER MELODY**

**The East Bay Dragons MC and the Black Biker Set** Bonnier Zaffre

Some dogs have a bark bigger than their bite. But Sweetie, The Great Dane, can't afford to bark -- or bite. After three little nips and three masters, the next stop is the pound. So when the burglar comes calling, he waves his tail. When coyotes come prowling, he tries to make peace -- as they howl in scorn. They promise they'll return -- to eat his food, his friends, Red the Irish Setter, Poky the Beagle, and Sweetie for dessert! If Sweetie can't protect them they'll all perish! How can he outfox twelve hungry coyotes?

**All Things Georgian** RottenNo Irish, No Blacks, No Dogs

Glen Matlock was a founding member of the Sex Pistols and co-wrote most of their iconic songs. His story of the Pistols' rise to global infamy is an honest, insightful account of a group of intelligent malcontents, determined to change the music business and to attack hypocrisy and stale conventions in society at large. Glen brilliantly captures the flavour of seventies Britain and reveals the complexities and personality clashes that made the Pistols so explosive at that time. Also includes true tales of the Pistols reunion tours of 1996 and 2002. Never mind the other bollocks-filled books about the Sex Pistols, here's the truth.

**Rotten** Ballantine Books

"The history of the East Bay Dragons Motorcycle Club, an all-black, all-Harley, all-chopper group of motorcyclists in Oakland, California. Written by the club's founder and president, it presents an often-untold portion of African-American history"-Provided by publisher.

**We Got the Neutron Bomb** Harper Collins

A definitive celebration packed with previously unseen material of the original punk band—the group that defined a movement, energized a generation, and brought punk music and the safety-pin aesthetic to the mainstream. The Sex Pistols have defined the look, sound, and feel of the punk movement since they formed in London in 1975. Together for less than three years—a short run that included just four singles and one studio album before they broke up in 1978—their impact on the musical and cultural landscape of the last forty years is nothing short of remarkable. The Sex Pistols—Johnny Rotten, Steve Jones, Paul Cook, and Glen Matlock (later to be replaced by Sid Vicious)—were brought together by the cultural impresario Malcolm McLaren. Between the cultivated attitude of the players themselves, the aggressive management of McLaren, and the tremendous success of their era-defining album *Never Mind the Bollocks Here's the Sex Pistols*, the band embodied the punk spirit and colored the worlds of music, fashion, youth culture, and design forever. Published to coincide with the fortieth anniversary of the band's formation, Johan Kugelberg and Jon Savage draw on an unprecedented wealth of material—from McLaren's handwritten letters to never-before-seen photographs of the band, Jamie Reid's iconic album artwork, and a range of ephemera from concert tickets to fanzines—to produce the most comprehensive visual history of the band ever produced and a bible of popular culture for years to come.

**I Swear I Was There - Sex Pistols, Manchester and the Gig that Changed the World** Rizzoli Publications

With exclusive access to Strummer's friends, relatives, and fellow musicians, music journalist Chris Salewicz penetrates the soul of an rock 'n roll icon. The Clash was--and still is--one of the most important groups of the late 1970s and early 1980s. Indebted to rockabilly, reggae, Memphis soul, cowboy justice, and '60s protest, the overtly political band railed against war, racism, and a dead-end economy, and in the process imparted a conscience to punk. Their eponymous first record and *London Calling* still rank in *Rolling Stone's* top-ten best albums of all time, and in 2003 they were officially inducted into the Rock and Roll Hall of Fame. Joe Strummer was the Clash's front man, a rock-and-roll hero seen by many as the personification of outlaw integrity and street cool. The

political heart of the Clash, Strummer synthesized gritty toughness and poetic sensitivity in a manner that still resonates with listeners, and his untimely death in December 2002 shook the world, further solidifying his iconic status. Salewicz was a friend to Strummer for close to three decades and has covered the Clash's career and the entire punk movement from its inception. He uses his vantage point to write *Redemption Song*, the definitive biography of Strummer, charting his enormous worldwide success, his bleak years in the wilderness after the Clash's bitter breakup, and his triumphant return to stardom at the end of his life. Salewicz argues for Strummer's place in a long line of protest singers that includes Woody Guthrie, John Lennon, and Bob Marley, and examines by turns Strummer's and punk's ongoing cultural influence.

**The Uncensored Oral History of Punk** Farrar, Straus and Giroux

No one embodied the Sex Pistols raw, anarchic excesses like bassist Sid Vicious. Told from an insider's perspective, *Sid Vicious: Rock 'n' Roll Star* covers the brief life of punk's original poster boy including everything from Vicious's lowly beginning as the only child of a drug-addicted parent to his obsession with violence and the notorious death of girlfriend Nancy Spungen. New material and numerous photographs capture the extremes of this charismatic rebel who crashed and burned at 21.

**A Compendium of Thoughts on the Icon of an Era** Crown Archetype

NEW YORK TIMES BESTSELLER \* From the author of *Empire of Pain*--a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions "Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book--as finely paced as a novel--Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga." --New York Times Book Review Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress--with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past--Say Nothing conjures a world of passion, betrayal, vengeance, and anguish. Look for Patrick Radden Keefe's latest bestseller, *Empire of Pain*

**Operation Family Secrets** Grove Press

Presents the behind-the-scenes details of the motion picture, featuring interviews, concept art, the visual effects process, and profiles of the cast and crew.

**Smash!** Anchor

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in

Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at *Rolling Stone* calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

#### **Redemption Song** Plexus Pub

The provocative rock star describes his love affair with golf, reflecting on how he discovered the game, how it helped him overcome a self-destructive downward spiral into alcoholism, and how he evolved from hacker to scratch golfer to serious Pro Am competitor. Reprint. 30,000 first printing.

#### **A Drink with Shane MacGowan** Da Capo Press

Take a romp through the long eighteenth-century in this collection of 25 short tales. Marvel at the Queen's Ass, gaze at the celestial heavens through the eyes of the past and be amazed by the equestrian feats of the Norwich Nymph. Journey to the debauched French court at Versailles, travel to Covent Garden and take your seat in a box at the theatre and, afterwards, join the mile-high club in a new-fangled hot air balloon. Meet actresses, whores and high-born ladies, politicians, inventors, royalty and criminals as we travel through the Georgian era in all its glorious and gruesome glory. In roughly chronological order, covering the reign of the four Georges, 1714-1730 and set within the framework of the main events of the era, these tales are accompanied by over 100 stunning color illustrations.

#### **A Complete History of UK Punk from 1976 to 1980** Macmillan

In the winter of 2006, Justin Vernon – aka Bon Iver – picked up a guitar, a laptop and some basic recording equipment and retreated to a remote cabin in the woods of Wisconsin to lick his wounds. The story of how he recorded alt-folk classic *For Emma, Forever Ago* has become the stuff of musical myth. He made it from the woods to international fame in just a few years but, behind the 'overnight' success of Justin Vernon, lies an inspirational personal story. *Bon Iver: Good Winter* Bon Iver: *Good Winter* is the first in-depth account of the struggles, heartaches and hardships that led Vernon to become Bon Iver and includes contributions from all of his major collaborators and associates in the Eau Claire community as well accounts of various side projects and his eventual vindications, triumphs and artistic achievements.

'Something Rotten' is a look at 14 major banking scandals in Ireland in the last 30 years. Ireland has developed and tolerated a culture of lax practice and weak regulation in its financial services sector. It took the sensational revelations at various tribunals to uncover some of them.

#### **No Irish, No Blacks, No Dogs** Vintage

Without the Sex Pistols there would be no punk. And without Steve Jones there would be no Sex Pistols. It was Steve who, with his schoolmate Paul Cook, formed the band that eventually went on to become the Sex Pistols and who was its original leader. As the world celebrates the 40th anniversary of punk -- the influence and cultural significance of which is felt in music, fashion, and the visual arts to this day--Steve tells his story for the very first time. Steve Jones's modern Dickensian tale began in the street of Hammersmith and Shepherd's Bush, West London, where as a lonely, neglected boy living off his wits and petty thievery he was given purpose by the glam art rock of David Bowie and Roxy Music. He became one of the first generation of ragamuffin punks taken under the wings of Malcolm McLaren and Vivienne Westwood. In *Lonely Boy*, Steve describes the sadness of never having known his real dad, the abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime spent in remand centers and prisons. He takes readers on his journey from the Kings Road of the early '70s through the years of the Sex Pistols, punk rock, and the recording of "Anarchy in the UK" and *Never Mind the Bollocks*. He recounts his infamous confrontation on Bill Grundy's *Today* program -- the interview that ushered in the "Filth and the Fury" headlines that catapulted punk into the national consciousness. And he delves into the details of his self-imposed exile in New York and Los Angeles, where he battled alcohol, heroin, and sex addiction but eventually emerged to gain fresh acclaim as an actor and radio host. *Lonely Boy* is the story of an unlikely guitar hero who, with the Sex Pistols, transformed twentieth-century culture and kick-started a social revolution.

In November 1977, Warner Bros. secured the rights to release the album *Never Mind The Bollocks, Here's the Sex Pistols in America*. The following January, the Sex Pistols--already the "scourge" of Britain--were discovered by unsuspecting American audiences in an infamous U.S. tour, accompanied by sensational media coverage and moral panic. Malcolm McLaren, the band's manager, eschewed the established rock 'n' roll markets of New York and Los Angeles in favor of off-the-radar venues in Memphis, San Antonio and Baton Rouge, sowing the seeds for countercultural clashes in the conservative South. Two weeks later the band split up but punk had invaded mainstream American culture. Drawing on input from fans, the author chronicles the Pistols' first and only U.S. tour and separates fact from fallacy in the mythology surrounding those 12 days of mayhem.

#### **I Dreamed I Was a Very Clean Tramp** Gill

"Honest and moving . . . Her painful tale is engrossing."--*Washington Post Book World* For most of us, it was just another horrible headline. But for Deborah Spungen, the mother of Nancy, who was stabbed to death at the Chelsea Hotel, it was both a relief and a tragedy. Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control—who almost destroyed her parents' marriage and the happiness of the rest of her family.

#### **The Untold Story of L.A. Punk** Omnibus Press

Autobiografie van de zanger van de legendarische Britse punkgroep The Sex Pistols, gelardeerd met commentaren en herinneringen van tijdgenoten uit de Londense punkscene rond 1976.

#### **No More Heroes** Routledge

"Like his bass, the lows are low and the style upfront."--*Financial Times* "An exhilarating journey."--*Mojo* A frank and fascinating account of a geezer's life in the music business. Jah Wobble begins by offering the most authentic insider's account of the beginning of punk rock yet. He covers the celebrated ups of his career along with the downs, both personally and professionally. Throughout the book Wobble tells it like he sees it. Jah Wobble is one of the founding members of Public Image Limited (PiL) along with John Lydon. He is a bassist, singer, composer, poet, and music journalist.

#### **The Dirt** Harper Collins

From their earliest days playing in school halls and social clubs, to becoming one of the biggest and most-hyped bands of a decade, *The Sex Pistols* story is one of opportunity and outrage. Under the management of Malcolm McLaren, Jonny Rotten, Paul Cook, Steve Jones, Glen Matlock, and later Sid Vicious, spear-headed the punk movement, mocking and shunning the British establishment and music industry whilst simultaneously playing them at their own game. The Pistols received a contract with EMI that lasted little more than a month, before being signed and sacked by A&M in seven days. The band's only album *Never Mind The Bollocks*, along with the Jubilee single *God Save The Queen* both hit number one despite being banned from broadcast by the BBC. Their foul-mouthed appearance with Bill Grundy on national television is now regarded as a defining moment in popular culture. In little over three years, the Sex Pistols transformed the meaning of pop music forever. Their career displayed the power of pure industry hype in an unprecedented way, whilst paradoxically paving the way for a surge of independent bands and records that would side-step the established record industry in favour of greater freedoms of expression. As a result, the Sex Pistols are as significant today as they were in the late-1970s. In this enthralling account, Fred and Judy Vermorel have compiled interviews, diaries, first-hand accounts and press to provide an insider's view on the Sex Pistols phenomenon. You'll discover what was said in those frantic meetings, as well as finding out the truth behind the stories of violence and bad behaviour.

#### **Anger is an Energy: My Life Uncensored** Simon and Schuster

To this day, they were, their fans believe, the best band in the world. Critics and sales figures told a similar story. Yet for all their brilliance and adoration – their famously energetic live shows routinely interrupted by stage invasions – The Smiths were continually plagued by their reticence to play the game, and by the time of 1987's *Strangeways Here We Come*, they had split. Tony Fletcher's *A Light That Never Goes Out* – part celebration, part paean – moves from Manchester in the nineteenth-century to the present day to tell the complete story of The Smiths. The product of extensive research and unprecedented access, it will serve to confirm The Smiths as one of the most important and influential rock groups of all time.
