"Netherlandish Books offers a unique overview of what was printed during the fifteenth and sixteenth centuries in the Low Countries. This bibliography lists descriptions of over 32,000 editions together with bibliographical references, an introduction and indexes. It draws on the analysis of collections situated in libraries throughout the world. This is the first time that all the books published in the various territories that formed the Low Countries are presented together in a single bibliography. Netherlandish Books is an invaluable research tool for all

students and scholars interested in the history, culture and literature of the Low Countries, as well as historians of the early modern book world."--

Ryder Creed and his K9 search-and-rescue dogs return in the second installment of this exciting series, teaming up once more with FBI profiler Maggie O'Dell in their riskiest case yet. When Ryder Creed responds to a devastating mudslide in North Carolina, he knows that the difference between finding survivors and the dead is time. He and his sturdiest search-and-rescue dog, Bolo, get to work immediately, but the scene is rife with danger: continued rainfall prevents the rescue teams from stabilizing the land; toxic household substances spread by the crushing slide fill the area with hazardous waste; and the detritus and debris are treacherous for both man and dog to navigate. But most perilous are the secrets hidden under the mud and sludge—secrets someone would kill to protect. For this is no ordinary rescue mission. Among the buildings consumed by the landslide was a top-secret government research facility, and Creed has been hired to find what's left of it. Then rescuers recover the body of a scientist from the facility who was obviously dead before the landslide—killed by a gunshot to the head. The FBI sends Agent Maggie O'Dell to investigate, and she and Creed are soon caught in a web of lies, secrets, and murder that may involve not only the government facility, but decades-old medical experiments that are the subject of current congressional hearings. As more bodies are found under even more unusual circumstances, they come ever closer to exposing the truth—but with unknown forces working against them, Maggie, Creed, and the dogs are running out of time.

Goethe's Fairy Tale of the Green Snake and the Beautiful Lily  
Harper Collins

This is a story of the unexpected. In *Destined to Witness*, Hans Massaquoi has crafted a beautifully rendered memoir -- an astonishing true tale of how he came of age as a black child in Nazi Germany. The son of a prominent African and a German nurse, Hans remained behind with his mother when Hitler came to power, due to concerns about his fragile health, after his father returned to Liberia. Like other German boys, Hans went to school; like other German boys, he swiftly fell under the Fuhrer's spell. So he was crushed to learn that, as a black child, he was ineligible for the Hitler Youth. His path to a secondary education and an eventual profession was blocked. He now lived in fear that, at any moment, he might hear the Gestapo banging on the door -- or Allied bombs falling on his home. Ironic,, moving, and deeply human, Massaquoi's account of this lonely struggle for survival brims with courage and intelligence.

EM neu 2008 Hueber

Die Kompetenzorientierung eröffnet gerade für das Fach Deutsch als Fremd- und Zweitsprache (DaF/DaZ) immer wieder neue Perspektiven für die Lehre. Die hier vorgestellten aktuellen Tendenzen der Kompetenzorientierung umfassen: fachspezifische Sprachkompetenzen für die Bereiche Theologie und Medizin, die Fachkompetenzen von Lehrkräften in Bezug auf Lernstile, Grammatik und Interkulturelle Kompetenz sowie zwei kontrastive Analysen des Sprechaktes der schriftlichen Beschwerde und der mündlichen Kritikäußerung. Die Autorinnen sind ohne Ausnahme begeisterte und begeisternde Lehrkräfte und Dozentinnen, die gleichzeitig engagiert und offen neue Wege in der Forschung gehen. Das Ergebnis dieser engen Verzahnung von Theorie und Praxis sind Forschungsergebnisse mit direkter Anwendungsorientierung. Das ist der Anspruch der Reihe DaF/DaZ in Forschung und Lehre.

Arkady and Boris Strugatsky are widely known as the greatest

Russian writers of science fiction, and their 1964 novel *Hard to Be a God* is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? *Hard to Be a God* has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated by Olena Bormashenko, whose translation of the authors' *Roadside Picnic* has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed context—reintroduces one of the most profound Soviet-era novels to an eager audience.

Unterrichtsentwurf aus dem Jahr 2017 im Fachbereich Deutsch -

Deutsch als Fremdsprache / Zweitsprache, Note: 146 von 150

Punkten, , Veranstaltung: Zusatzqualifizierung für Lehrkräfte im

Bereich Deutsch als Zweitsprache, Sprache: Deutsch, Abstract:

Mit diesem Portfolio bestand die Autorin die Zusatzqualifizierung

zur Integrationslehrerin mit großem Erfolg. Menschen, die in

einem Land leben oder leben möchten, dessen Sprache sie nie

gelernt haben, müssen möglichst schnell in die Lage versetzt werden, alltägliche Situationen wie Einkäufe, Arztbesuche oder andere für das Leben notwendige Umstände zu bewältigen um sich besser und schneller in ihren Beruf und die Gesellschaft einzuleben. Auch wenn Binnendifferenzierung und interkulturelles Lernen ebenfalls sehr wichtig hierfür sind, erleichtern handlungsorientierte Themen und Übungen den Teilnehmern der Integrationskurse das Lernen der wichtigsten sprachlichen und interkulturellen Inhalte und damit die Integration in die deutsche Gesellschaft. Als Kursleiterin ist es meine Aufgabe, den TN die Sprache so beizubringen, dass sie diese in ihrem Alltag anwenden und sich in alltäglichen Situationen verständigen können. Im Idealfall bringe ich sie der Kultur und den Gewohnheiten in ihrer neuen Heimat näher. Dies bedeutet, dass der Unterricht handlungsorientiert gestaltet werden muss. [...]

Thesaurus of German for all levels, presented by theme. Example sentences, mini-dialogues, idioms, regional variants, useful tips, etc. Suitable for self-study, building vocabulary, and developing grammar skills.

#### **Netherlandish Books: K-Z BRILL**

Word lists lie at the heart of good vocabulary course design, the development of graded materials for extensive listening and extensive reading, research on vocabulary load, and vocabulary test development. This book has been written for vocabulary researchers and curriculum designers to describe the factors they need to consider when they create frequency-based word lists. These include the purpose for which the word list is to be used,

the design of the corpus from which the list will be made, the unit of counting, and what should and should not be counted as words. The book draws on research to show the current state of knowledge of these factors and provides very practical guidelines for making word lists for language teaching and testing. The writer is well known for his work in the teaching and learning of vocabulary and in the creation of word lists and vocabulary size tests based on word lists.

**German books in print** Hueber Verlag

PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 German words - five words a day. Over the course of a year, German for Everyone Junior: Five Words a Day teaches new vocabulary to children who are starting to learn German.

Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. Five Words a Day first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, Five Words a Day is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.
