ELENA BAILEY

Kaleidoscope Penguin Random House India Private Limited

This volume examines the multiple forms of reasoning in Indian politics and explores a framework to understand them. In the process, it looks at a series of issues involving the relationship between politics and philosophy, including the status of political theory, political practices, identity politics, and political ontology. The book argues that in the years leading up to and soon after independence, the task of conceptualizing politics was largely in the domain of practising politicians who built theories and philosophical methods, and further took those visions into the practice of their politics. It maintains that Indian politicians since then have not been as inclined to articulate their theories or methods of politics. This book traces the transition from philosopher politicians to politicians seeking philosophy in Indian polity in the post-independence era and its implications for current practices. It views Indian political philosophy from the standpoints of political theorists, philosophers, and practitioners. With expert and scholarly contributions, this volume will be of interest to students and researchers of Indian political thought and political philosophy, social sciences, and humanities.

Biotechnology for Sustainable Agriculture: Emerging Approaches and Strategies is an outstanding collection of current research that integrates basic and advanced concepts of agricultural biotechnology with future development prospects. Using biotechnology with sustainable agriculture effectively contributes to gains in agricultural productivity, enhanced food security, reduced poverty and malnutrition, and more ecologically sustainable means of food production. Written by a panel of experts, this book is unique in its coverage of the broad area of biotechnology for sustainable agriculture. It includes intriguing topics and discussions of areas such as recombinant DNA technology and genetic engineering. Identifies and explores biotechnological tools to enhance sustainability Encompasses plant and microbial biotechnology, nanotechnology and genetic engineering Focuses on plant biotechnology and crop improvement to increase yield and resilience Summarizes the impact of climate change on agriculture, fisheries and livestock

Struggle for Independence: B.R. Ambedkar REDSHINE Publication

Babasaheb Ambedkar Was By All Standards A Great Man. A Visionary Statesman, A Great Constitutionalist And An Equally Great Parliamentarian, A Creative Thinker, An Incisive Analyst, And An Extraordinary Student Of History, Economics, Sociology, Justice, Economic Opportunities And Human Dignity To The Submerged Humanity Throughout India.

Commonwealth Universities Yearbook Taylor & Francis

Freedom From Alien Subjugation On 15Th August 1947, Was The Monumental And Immemorable Triumph Of The Consolidated, Consistent, Heroic And Patriotic Endeavours Of The Teeming Millions Of Indians Without Any Ethnic Discrimination. It Is, Neither The Monopoly Nor The Prerogative, Of Any Particular Political Party Or Any Individual To Sustain And Cherish It, Because We Have Pledged It To Be A Collective National Duty. It S Dereliction Is Treachery. In The Constitution Of India Adopted By The People On 26Th January 1950, This Pledge Is Ordained Under Article 51 A, Which Inter Alia Mandates Cherish And Follow The Noble Ideals Which Inspired National Struggle For Freedom; To Uphold And Protect Its Integrity; To Promote Harmony And Spirit Of Common Brotherhood Amongst All Indians; Transcend—Ing Religious, Linguistic, Regional, Sectional Diversities, To Value And Preserve Rich Heritage Of The Composite Culture And To Strive Towards Excellence In All Spheres Of Individual And Collective Activity So That The Nation, Con—Stantly, Rises To Higher Levels Of

Endeavour And Achievement . And This Pledge Has Been Grossly Betrayed.After 50 Years Of Independence When We Are Busy In Celebrating Its Golden Jubilee, Simultaneously, It Is Time For Honest, Sincere And Conscious Introspection Whether The Country And Its Citizens Acquired And Sustained All-Round Progress; Whether There Is Economic Stability; Deprivation From Unemployment, Poverty, Hunger, Ill-Literacy, Insurgency And Terrorism. Whether There Is Throughout Peace And Tranquillity, Control On Crimes And Criminals And Justice Through The Rule Of Law . Contrarily, People Witness Pervading Anarchy And Chaos. In Phases, Joy Turned Into Gloom, Sorrow, Grief, Despair And Finally Distress Leaving The Ill-Fated Countrymen To Scour Out The Positive Answer Whether They Betrayed The Mother Land, Or The Political Parties And Their Leaders, Who Administered For Five Decades, Betrayed Them And The Country. In This Book, Betrayal Of Indian Democracy, The Saga Of Perfidy Has Been High-Lighted In Truthful, Forthright And Incisive Manner Along With The Molecular Analysis Of The Factors, Contributing To The Prevalent Socio-Economic And Political Debaacle; Which Cumulatively Threaten National Catastrophe .

Ram Manohar Lohia by Kapil: In Ram Manohar Lohia by Kapil, readers are introduced to the life and ideology of one of India's eminent socialist thinkers and political leaders. This thought-provoking biography explores the ideas, activism, and political contributions of Ram Manohar Lohia, who played a significant role in shaping India's post-independence political landscape. Kapil delves into Lohia's fervent advocacy for social justice, his critique of inequality, and his efforts to empower marginalized sections of society. Through meticulous research and insightful analysis, this book offers a deep exploration of Lohia's enduring legacy. Key Points: Explores Lohia's early life, his education, and the intellectual influences that shaped his socialist worldview, providing a comprehensive understanding of his ideological foundations. Chronicles Lohia's activism and his contributions to various social and political movements, including his fight against untouchability, his advocacy for farmer's rights, and his critique of imperialism and capitalism. Examines Lohia's vision for a more equitable society, his impact on Indian politics, and his lasting influence on subsequent generations of politicians and activists, making him a revered figure in the socialist movement in India.

Ram Manohar Lohia OCMS

As India enters an election year, the ruling Bharatiya Janata Party looks as invincible as the Congress once looked in the first few decades after Independence. Many believe that the only way a regime change can be effected is if political parties in the opposition come together to form a mahagathbandhan, or a grand coalition. As the opposition faces the arduous task of uniting disparate interests and ideologies, there is much they can learn from the story of Ram Manohar Lohia—the first architect of coalition politics in India. Also in this issue: Bela Bhatia on what really

happened in the Nulkatong encounter; Hartosh Singh Bal on how caste trumped class in the state elections; Himanshu on why the Modi government is obscuring data on unemployment; Yogendra Yadav on what the Modi government has done to farmers; Gabriele Ceconi on the environmental crisis unfolding in the world's largest refugee camp; Sara Rai on her journey out of and into language.

Selected Works of Jawaharlal Nehru Mittal Publications

This book breaks new ground in the study of Dalit Literature, including in its corpus, a range of genres such as novels, autobiographies, pamphlets, poetry, short stories as well as graphic novels. With contributions from major scholars in the field, it critically examines Dalit literary theory and initiates a dialogue between Dalit writing and Western literary theory.

Dr Ambedkar and Untouchability Oxford University Press

Volume 17 covers the period between November 1951 and March 1952. It is the year of India's first general election, its first experiment with adult suffrage, on a scale without precedent.

Debating Difference C. HURST & CO. PUBLISHERS

How can inequalities between groups be addressed, while at the same time sustaining common citizenship? *Debating Difference* offers a new approach to this key question for liberal democracies, demonstrating that argument and debate is crucial for reconciling the demands of group equality and civic unity. India offers a unique case of group-differentiated rights. Using landmark constitutional and legislative debates on minority rights and quotas, Rochana Bajpai develops a model for interpreting post-Independence group rights that hinges on the interplay between five principal normative concepts—secularism, democracy, social justice, national unity, and development. Tracing the shifting meanings of these values over time, this book demonstrates that liberal and democratic concepts are more sophisticated and widely shared in the Indian polity than is commonly believed. The author identifies the limits of Western-centric accounts of multiculturalism. She also establishes the significance of political rhetoric for explanations of policy shifts and political change.

Dr. Babasaheb Ambedkar, Writings and Speeches: Dṛ. Bābāśāheba Āmbedkara yañči 'patrakārīṭā', 1929-1956

Dr. Ram Manohar Lohia, the great freedom fighter, extraordinary , thinker and a revolutionary of the movement for equality was born , on March 23, 1 9 1 0, in the town of Akbarpur near Ayodhya, the birth place , of Lord Rama. Today this place is a district headquarter named Ambedkar , Nagar . The name of his father was Hiralal and his mother was Chanda , Devi.

Contemporary India and Its Burning Problems APH Publishing

Ambedkar, pioneered new strategies, philosophically and practically, which continue to prove effective to India's Untouchable community. This text focuses on his key roles as statesman, politician, social theorist and activist.

At Cross-roads, Dalit Movement Today Oxford University Press

Modern India is the world's largest democracy, a sprawling, polyglot nation containing one-sixth of all humankind. The existence of such a complex and distinctive democratic regime qualifies as one of the world's bona fide political miracles. Furthermore, India's leading political thinkers have often served as its most influential political actors—think of Gandhi, whose collected works run to more than ninety volumes, or Ambedkar, or Nehru, who recorded their most eloquent theoretical reflections at the same time as they strove to set the delicate machinery of Indian democracy on a coherent and just path. Out of the speeches and writings of these thinker-activists, Ramachandra Guha has built the first major anthology of Indian social and political thought. Makers of Modern India collects the work of nineteen of India's foremost generators of political sentiment, from those whose names command instant global recognition to pioneering subaltern and feminist thinkers whose works have until now remained obscure and inaccessible. Ranging across manifold languages and cultures, and addressing every crucial theme of modern Indian history—race, religion, language, caste, gender, colonialism, nationalism, economic development, violence, and nonviolence—Makers of Modern India provides an invaluable roadmap to Indian political debate. An extensive

introduction, biographical sketches of each figure, and guides to further reading make this work a rich resource for anyone interested in India and the ways its leading political minds have grappled with the problems that have increasingly come to define the modern world.

Letters of Ambedkar Delhi Press

"In this introduction I use Bertrand Russell's (1945) *The History of Western Philosophy* (hereafter: *History*), to introduce the meta-philosophical themes that recur throughout the chapters of this book. In particular, I focus on the way the distinction or opposition between rustic thought, which is supposed to characterize barbarous societies, and the urbane thought that is purported to characterize civilized society can help explain some entrenched patterns of exclusion visible in contemporary philosophy. I embed these remarks in a larger, speculative historiography of the very idea of 'western philosophy.' Along the way, I provide an overview of the chapters of this volume"--*Foreign Policy* Harvard University Press

Like his great rival, M.K. Gandhi, B.R. Ambedkar too donned multiple hats. He was a lawyer, teacher, legislator, educational organizer, party builder and a cabinet minister. But through all these roles, he continued to be a prolific writer, publishing books on a wide array of topics. When it comes to talking about building a country like India, one can't forget to mention the man who ensured dignity and respect for millions. As the fiercest fighter against the evils of the caste system, Ambedkar is a big part of what the country is today. In 'Ambedkar: The Annihilator of Caste', Ramachandra Guha presents an essentially accurate description of what one man did for his people through the power of his writing and actions.

B.R. Ambedkar Routledge

Born into a middle-class, Sarasvat Brahmin family, Dr Sharada Kabir met and got to know Dr Bhimrao Ambedkar as a patient riddled with life-threatening diseases, and eventually married him on 15 April 1948, getting rechristened as Savita Ambedkar. From the day of their wedding to the death of Dr Ambedkar on 6 December 1956, she aided him in some of his greatest achievements—drafting the Constitution of India, framing the Hindu Code Bill, writing some of his most celebrated books, including *The Buddha and His Dhamma*, and leading millions of Dalits into Buddhism. Following his death, she was hounded into obscurity by some of Dr Ambedkar's followers, who saw her as a threat to their political ambitions. She re-emerged into public life in 1970 and got back to working on the mission to which her husband had devoted his life—the welfare of the Dalit community. Her autobiography, *Dr Ambedkaraanchya Sahavaasaat*, was first published in Marathi in 1990. This English translation by Nadeem Khan unearths a much valuable and forgotten account, an intimate portrait of one of the greatest figures of the twentieth century. A tenacious fighter, an outstanding scholar and an iconic leader, Dr B.R. Ambedkar was all that and more. Savita Ambedkar brings alive a different side of her husband: a man who wrote romantic letters, dictated what she should wear, whipped up delicious mutton curry, played the violin, and even tried his hand at sculpting. This is a book that humanizes Ambedkar as no other book has done yet.

Invoking Ambedkar Prabhat Prakashan

It hardly needs to be emphasized that besides being a person with a remarkable vision, B.R. Ambedkar was intimately involved with many factors that created the basis of what India is today. At the same time, one cannot overlook Ambedkar's 'past' and the fact that he grew up facing discrimination and being made to sit on the floor outside the classroom as a child, as he was a Dalit. Even today, millions of Dalit children face similar discrimination in their everyday life. Such incidents are distinct reminders of the continuing relevance of Ambedkar and the uncivil and barbaric nature of India's 'civil' society. This book brings together a wide variety of scholarly ideas: the way 'Aryans' are perceived in Dalit historical thinking; seeing the problem of Dalit liberation through the lenses of Adam Smith; the election of the Constituent Assembly (1946) with which Ambedkar was intimately involved, and which scripted India's Constitution; the approach of Gandhi and Ambedkar to the process of planning and India's economic development; and Ambedkar's attitude to Marx and Buddha, as well as Dalit Christianity. This book also includes a comparative study of Ambedkar and some of his contemporaries like Charan Singh and Ram Manohar Lohia in Uttar Pradesh.
