tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Roshar is shared by humans and the enigmatic, humanoid Parshendi, with whom they are at war. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them, but in the war

against the Parshendi, the ancient weapons and armor may not be enough. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. ---

Final Empire, The Well of Ascension, The Hero of Ages  
Since Robin Hobb's debut novel took the fantasy world by storm, the adventures of her beloved assassin FitzChivalry Farseer have spawned a sweeping epic that spans more than a dozen books—and counting. Discover the phenomenon from the beginning with this eBook bundle of the original trilogy:  
ASSASSIN'S APPRENTICE  
ROYAL ASSASSIN  
ASSASSIN'S QUEST Young Fitz is the bastard son of

the noble Prince Chivalry, raised in the shadow of the royal court by his father's gruff stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous,

soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the kingdom. Praise for Robin Hobb and the Farseer Trilogy “Fantasy as it ought to be written . . . Robin Hobb’s books are diamonds in a sea of zircons.”—George R. R. Martin “A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne.”—Publishers Weekly, on Assassin’s

Apprentice “This is the kind of book you fall into, and start reading slower as you get to the end, because you don’t want it to be over.”—Steven Brust, on Assassin’s Apprentice “[Robin] Hobb continues to revitalize a genre that often seems all too generic, making it new in ways that range from the subtle to the shocking.”—Locus, on Royal Assassin “[Royal Assassin] reaches astonishing new heights. . . The Farseer saga is destined for greatness—a must-read for every

devotee of epic fantasy.”—Sense of Wonder “An enthralling conclusion to this superb trilogy, displaying an exceptional combination of originality, magic, adventure, character, and drama.”—Kirkus Reviews (starred review), on Assassin’s Quest “Superbly written, wholly satisfying, unforgettable: better than any fantasy trilogy in print—including mine!”—Melanie Rawn, on Assassin’s Quest Prologue to Towers of Midnight Macmillan The Wheel of Time turns,

and Ages come and pass. What was, what will be, and what is, May let fall under the Shadow. Let the Dragon ride again on the winds of time. In the Prologue to Towers of Midnight, book thirteen of The Wheel of Time, Lan Mandragoran rides on toward death; Perrin Aybara, Lord Goldeneyes, has a disturbing dream; Galad leads the Whitecloaks into harm's way; one who has left humanity behind creeps through the Blight; and the Blight border faces invasion. As with the

previous four titles in The Wheel of Time series, this prologue from Robert Jordan's Towers of Midnight, completed by Brandon Sanderson, is available for sale before the book's official release date (November 2, 2010). Ascension. They did the impossible, deposing the godlike being whose brutal rule had lasted a thousand years. Now Vin, the street urchin who has grown into the most powerful Mistborn in the land, and Elend Venture, the idealistic young nobleman who loves her, must build a healthy new society in the ashes of an empire. They have barely begun when three separate armies attack. As the siege tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists,

no one knows where to find the Well of Ascension or what manner of power it bestows. It may just be that killing the Lord Ruler was the easy part. Surviving the aftermath of his fall is going to be the real challenge.

NOVELLA From the author of Legion and the #1 New York Times bestselling Stormlight Archive comes an action-filled novella about privilege, culture

clash, and expectations. God-Emperor Kairominas is lord of all he surveys. He has defeated all foes, has united the entire world beneath his rule, and has mastered the arcane arts. He spends his time sparring with his nemesis, who keeps trying to invade Kai's world. Except for today. Today, Kai has to go on a date. Forces have conspired to require him to meet with his equal—a woman from another world who has achieved just as much as he has. What happens when the

most important man in the world is forced to have dinner with the most important woman in the world?

Outcasts of Order

Delacorte Press

K. J. Parker's new novel is the remarkable tale of the siege of a walled city, and the even more remarkable man who had to defend it. A siege is approaching, and the city has little time to prepare. The people have no food and no weapons, and the enemy has sworn to slaughter them all. To save the city will take a

miracle, but what it has is Orhan. A colonel of engineers, Orhan has far more experience with bridge-building than battles, is a cheat and a liar, and has a serious problem with authority. He is, in other words, perfect for the job. Sixteen Ways To Defend a Walled City is the story of Orhan, son of Siyyah Doctus Felix Praeclarissimus, and his history of the Great Siege, written down so that the deeds and sufferings of great men may never be forgotten.

Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to

What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. *Legion: The Many Lives of Stephen Leeds* includes *Legion*, *Legion: Skin Deep* and the brand new, shocking finale to Leeds' story, *Lies of the*

The Hero of Ages is the

thrilling conclusion to the epic fantasy Mistborn Trilogy for ages 13 and up by the #1 New York Times bestselling author, Brandon Sanderson. This epic fantasy adventure begins with Mistborn. To end the Final Empire and restore freedom, Vin killed the Lord Ruler. But as a result, the Deepness---the lethal form of the ubiquitous mists---is back, along with increasingly heavy ashfalls and ever more powerful earthquakes. Humanity appears to be doomed. Having escaped death at

the climax of *The Well of Ascension* only by becoming a Mistborn himself, Emperor Elend Venture hopes to find clues left behind by the Lord Ruler that will allow him to save the world. Vin is consumed with guilt at having been tricked into releasing the mystic force known as Ruin from the Well. Knights Radiant who fly too near find their Stormlight suddenly drained, so the voyage must be by sea. Shipowner Rysn Ftori lost the use of her legs but gained the companionship of Chiri-Chiri, a Stormlight-ingesting winged larkin, a species once thought extinct. Now Rysn's pet is ill, and any hope for Chiri-Chiri's recovery can be found

only at the ancestral home of the larkin: Akinah. With the help of Lopen, the formerly one-armed Windrunner, Rysn must accept Navani's quest and sail into the perilous storm from which no one has returned alive.
